## SETUP AND CONNECTIONS

### Included Cables:

- 1 x USB Charging Cable
- 2 x 3.5mm Audio Cables
- 1 x Wired Earphone
- 1 x Type-C to Lightning Cable

### Connecting Your Device:

# BUILT-IN BATTERY FOR MAXIMUM MOBILITY

Start podcasting anything, anywhere

1200mAh

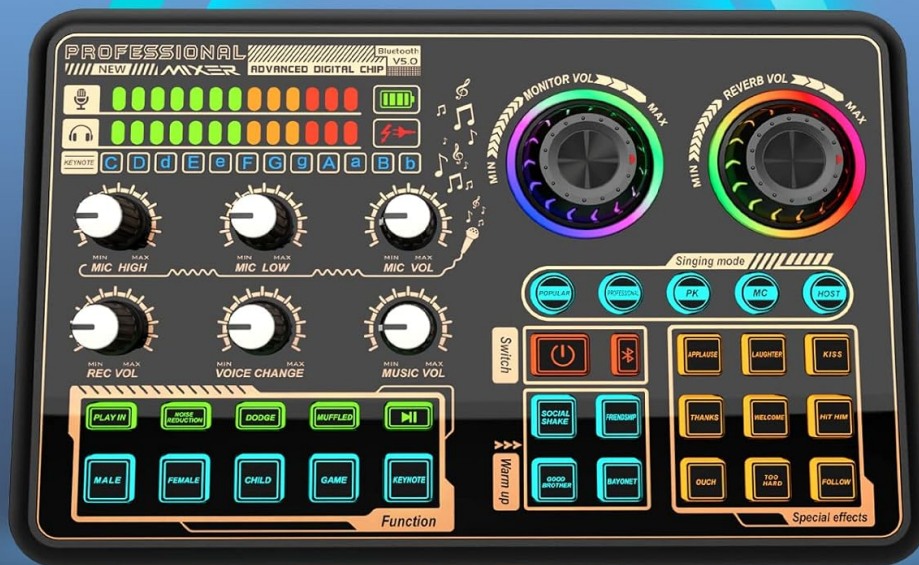

Figure 3: Overview of all available ports on the audio mixer.

- **Power/Charging:** Connect the USB Charging Cable to the DC 5V port on the mixer and a power source. The mixer has a built-in 1200mAh battery for portable use.
- **Microphones:** Plug your microphone(s) into the MIC 1 or MIC 2 3.5mm input jacks. Note: This mixer is not compatible with USB microphones or XLR to XLR microphones and does not support Phantom Power.
- **Headphones/Earphones:** Connect your headphones or the included wired earphone to the HEADSET or EARPHONE 1/2 jacks for monitoring audio.
- **Speakers:** Connect external speakers to the SPEAKER output jack.
- **Live Streaming:** Use the 3.5mm Audio Cables to connect the mixer's LIVE 1, LIVE 2, or LIVE 3 output jacks to your streaming device (phone, tablet, PC).
- **Accompaniment:** Connect an external audio source (e.g., phone, tablet) to the ACCOMPANIMENT input jack using a 3.5mm Audio Cable to play background music.
- **PC/OTG Connection:** Use the USB-C cable to connect the mixer to your PC or mobile device for digital audio transmission.
- **Bluetooth Connectivity:** Activate Bluetooth on the mixer and pair with your device for wireless audio input.

## OPERATING INSTRUCTIONS

### Power On/Off:

Press and hold the power button located on the mixer to turn the device on or off. The illuminated buttons will indicate power status.

### Volume Controls:

- Adjust the individual faders for MIC HIGH, MIC LOW, MIC VOL, REC VOL, VOICE CHANGE, and MUSIC VOL to control respective audio levels.
- Use the MONITOR VOL and REVERB VOL rotary knobs to fine-tune monitoring and reverb levels.

## Karaoke Singing:

Figure 5: Singing mode options on the mixer.

- Select from 5 different reverb effects to modify your voice.
- Adjust the REVERB VOL knob to control the intensity of the reverb.
- Choose from various singing modes like Popular, Professional, PK, MC, and Host for different vocal styles.

## Voice Changer:

| Connectivity Technology | Bluetooth, USB                           |

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the surface of the mixer. Avoid using liquid cleaners or abrasive materials.
- **Storage:** Store the mixer in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in use for extended periods.

TROUBLESHOOTING

- **Microphone Not Working:** Ensure your microphone is properly connected to the MIC 1 or MIC 2 jack. Verify that the microphone is a 3.5mm type and does not require phantom power or USB connectivity.
- **No Sound Output:** Check all cable connections (speakers, headphones, live output). Ensure volume levels on the mixer and connected devices are adequately adjusted.
- **Voice Changer/Effects Not Activating:** Some effects may not be available simultaneously. Refer to the specific

function key instructions in the full user manual for any limitations.

- **Device Not Charging:** Ensure the USB charging cable is securely connected to both the mixer and a working power source.

## WARRANTY AND SUPPORT

For any questions, issues, or warranty claims regarding your Hosabely SK600-CL Audio Mixer, please contact the manufacturer directly through their official support channels. Refer to the contact information provided in your product packaging or on the official hosabely website.
