INCLAKE 2-in-1 Twin Size Loft Bed Instruction Manual

Model: B0CQ7QP35Z

INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your INCLAKE 2-in-1 Twin Size Loft Bed. Please read these instructions thoroughly before beginning assembly and retain this manual for future reference.

The INCLAKE 2-in-1 Twin Size Loft Bed is a versatile, L-shaped bed system constructed from durable metal and MDF board. It features two built-in desks, offering a space-saving solution ideal for various room configurations and uses, including sleeping, studying, and storage.

SAFETY INFORMATION

Adherence to the following safety guidelines is crucial for preventing injury and ensuring the longevity of your loft bed.

- Always follow assembly instructions precisely. Do not deviate from the steps provided.
- Ensure all bolts and connectors are securely tightened before use. Periodically check and re-tighten as necessary.
- The loft bed is designed for a maximum weight capacity of 250 lbs per bed. Do not exceed this limit.
- Only one person should occupy the upper bunk at a time.
- Ensure the mattress thickness is within the recommended range of 8-10 inches to maintain guardrail effectiveness.
- Do not attach or hang items on any part of the bed structure that are not designed for such use.
- Keep children away from the assembly area until the bed is fully assembled and secured.
- This product is not intended for commercial use.

PARTS LIST

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, contact customer service immediately.

Component	Quantity	Description
-----------	----------	-------------

Component	Quantity	Description
Metal Frame Sections	Various	Main structural components of the bed frame.
MDF Desk Boards	2	Surfaces for the built-in desks.
Ladders	2	Access to the loft beds.
Guardrails	Included	Safety rails for the upper bunks.
Metal Slats	40 (20 per bed)	Support for mattresses.
Hardware Pack	1	Bolts, nuts, washers, and assembly tools.

Note: The product is shipped in 2 packages. Ensure both packages are received before starting assembly.

SETUP AND ASSEMBLY

Assembly requires at least two adults. Clear a spacious area for assembly. Do not fully tighten bolts until instructed to do so.

- Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
- Identify Parts:** Refer to the included assembly diagram (not shown here, typically provided with product) and the parts list to identify each component.
- Assemble Main Frame:** Begin by connecting the primary metal frame sections according to the numerical sequence in the assembly diagram. Loosely tighten bolts.
- Install Desk Boards:** Attach the MDF desk boards to their designated frame sections. Ensure they are level and secure.
- Attach Ladders:** Securely fasten both ladders to the bed frame. Verify they are stable and do not wobble.
- Install Guardrails:** Mount the safety guardrails to the upper bunk sections. These are critical for safety.
- Place Slats:** Lay the metal slats across the bed frames, ensuring they are evenly spaced and secured as per instructions.
- Final Tightening:** Once all components are in place and aligned, systematically tighten all bolts and screws using the provided tools. Do not overtighten.
- Final Check:** Before use, gently shake the assembled bed to ensure stability. Re-check all connections.

TROUBLESHOOTING

Common issues and their solutions.

Problem	Possible Cause	Solution
Bed is wobbly/unstable	Loose bolts or incorrect assembly.	Ensure all bolts are fully tightened. Review assembly steps to confirm correct installation.
Squeaking noises	Loose connections or metal-on-metal friction.	Re-tighten all bolts. Apply a small amount of silicone lubricant to connection points if noise persists.
Missing parts upon delivery	Shipping error or incomplete packaging.	Contact INCLAKE customer service with your purchase details and a list of missing parts.
Difficulty assembling	Complex steps or misinterpretation of instructions.	Review the assembly manual carefully. Ensure you have all necessary tools. Consider seeking assistance from another adult.
