Olakids TQ10207US+

OLAKIDS 24V Ride On Car Instruction Manual

Model: TQ10207US+ | Brand: Olakids

1. Introduction

Thank you for choosing the OLAKIDS 24V Ride On Car. This manual provides essential information for the safe assembly, operation, and maintenance of your new electric vehicle. Please read it thoroughly before use and retain it for future reference.

Figure 1: The OLAKIDS 24V Ride On Car, designed for children aged 3-8 years.

2. Safety Information

Your child's safety is paramount. Please adhere to all safety guidelines to prevent accidents and injuries.

- **Adult Supervision:** Always supervise children when operating the ride-on car.
- **Weight Limit:** Do not exceed the maximum weight capacity of 110 lbs (50 kg).
- **Age Range:** Suitable for children aged 36 months to 8 years.
- **Safety Belts:** Ensure all occupants are securely fastened with the 3-point safety belts.
- **Terrain:** Operate on flat, dry surfaces. Avoid steep inclines, uneven terrain, or public roads.
- **Charging:** Only use the provided charger. Do not overcharge the battery.
- **Environmental Compliance:** This product complies with DOE & CEC Certification for electrical energy efficiency. It is free from harmful chemicals, lead, and phthalates, meeting CPSIA, TSCA, and ASTM approvals.

3. What's in the Box

Upon unpacking, please verify that all components are present:

- 1 x Instruction Manual
- 1 x Remote Control

- 1 x 2-Seater Ride on Car (main body)
- 1 x Shovel
- 1 x Charger

Note: This ride-on car is divided into 2 packages. Please ensure both packages are delivered before proceeding with unpacking and assembly.

4. Assembly Instructions

Follow these steps carefully for proper assembly. An installation video is also available for visual guidance.

Video: How to install the OLAKIDS 24V 2 Seater Ride on Truck. This video provides a step-by-step visual guide for assembling your new ride-on car.

Key Assembly Steps:

1. **Attach Side Panels:** Secure the side panels to the main body of the car.
2. **Install Front Bumper:** Connect the front bumper, ensuring all wiring for lights is properly attached.
3. **Mount Rear Axle:** Assemble and attach the rear axle to the chassis.
4. **Connect Motors:** Securely attach the 4x550W motors to the appropriate positions and connect their wiring.
5. **Install Wheels:** Attach all four durable, wear-resistant wheels. Ensure proper alignment and secure fastening.
6. **Connect Battery:** Carefully connect the 24V 7AH battery.
7. **Install Seats:** Place and secure the spacious 2-seater design seats.
8. **Attach Steering Wheel:** Connect the steering wheel, ensuring all electronic connections are made for music and horn functions.
9. **Add Windshield and Mirrors:** Install the windshield and side mirrors.
10. **Final Touches:** Attach any remaining accessories like the shovel and decorative elements.

5. Operating Instructions

Learn how to operate your OLAKIDS Ride On Car safely and effectively.

Driving Modes:

- **Manual Operation:** Children can drive the truck using the steering wheel and foot pedal.
- **Parental Remote Control:** Parents can control the vehicle using the 2.4GHz remote control. This feature allows for 3 adjustable speeds (2.4-2.8-3.7 mph) and provides an emergency brake function for enhanced safety.

Figure 2: Remote control functionality for parental oversight and speed adjustment.

Key Features:

- **4WD/2WD Switchable:** The car features 4x550W motors for powerful 4WD performance, capable of speeds up to 3.5 mph and hill-climbing. It can also switch to 2WD mode to extend battery life.
- **Soft Start & Soft Brake:** Ensures smooth acceleration and deceleration, preventing sudden jolts for a comfortable ride.
- **Media Functions:** Equipped with USB interface, MP3 player, and music player. Buttons on the steering wheel control music and horn.
- **LED Lights:** Features bright LED lights for enhanced visibility and realism.

6. Maintenance

Regular maintenance ensures the longevity and optimal performance of your ride-on car.

- **Battery Care:** The 24V 7AH battery provides 1-2 hours of continuous use. Charge for 8-12 hours before first use and after each use. Do not leave the battery completely discharged for extended periods.
- **Cleaning:** Wipe the car with a damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the car in a dry, cool place away from direct sunlight and moisture. If storing for extended periods, disconnect the battery.
- **Motor Protection:** Each motor is equipped with an independent overload protector to prevent damage and extend service life.

7. Troubleshooting

If you encounter issues with your ride-on car, refer to the following common problems and solutions:

- **Car Not Moving:** Check battery connections. Ensure the battery is charged. Verify the power switch is ON.
- **Reduced Power/Speed:** Battery may be low. Recharge the battery. Ensure the car is not overloaded. Check for debris in wheels or motors.
- **Remote Control Not Working:** Check remote control batteries. Ensure the remote is paired correctly with the car.
- **Steering Issues:** If steering feels off (e.g., turns sharper one way), this might be a minor manufacturing variance. For significant issues, contact customer support.
- **Motor Malfunction:** In rare cases, motors may strip out. The manufacturer offers replacement parts. Refer to the warranty section for support.

8. Specifications

Feature	Detail
Product Dimensions	48 x 34 x 32.5 inches
Item Weight	58 pounds
Manufacturer Recommended Age	36 months - 8 years
Max Weight Capacity	110 lbs
