## SETUP AND ASSEMBLY

This building kit requires assembly. Follow the included bricks manual carefully for step-by-step instructions. The set contains 340 non-toxic building blocks and stickers.

Recommended for ages 6 and up. For builders below 12 years of age, adult assistance is recommended to ensure a smooth and enjoyable building process, especially given the number of small parts and the detail involved in applying stickers.

- 1. Unpack Components:** Carefully open the packaging and sort the building blocks into their numbered bags. Identify the instruction manual and sticker sheet.
- 2. Follow Manual:** Refer to the detailed instruction manual provided. Each step illustrates the specific pieces required and their placement.
- 3. Assemble Sections:** The model is typically built in sections. Ensure each connection is firm to maintain the structural integrity of the model.
- 4. Apply Stickers:** Once the relevant sections are assembled, carefully apply the provided stickers according to the manual's guidance. Use tweezers for precise placement if needed.

## OPERATING AND DISPLAY

Once assembled, the RASTAR Alfa Romeo F1 C42 model car is ready for play or display. Its robust construction allows for gentle handling and imaginative play scenarios.

For display purposes, the model's dimensions and detailed design make it an excellent addition to any collection or desk. Its accurate representation of the C42 car ensures it stands out.

- **Play:** The model is designed to be durable for play, but avoid excessive force or dropping to prevent damage to the building blocks.
- **Display:** Place the model on a flat, stable surface away from direct sunlight or extreme temperatures to preserve its color and material integrity.

## MAINTENANCE

Proper maintenance ensures the longevity and appearance of your RASTAR F1 C42 model.

- **Cleaning:** To clean the model, gently wipe it with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used.

followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.

- **Storage:** When not on display, store the model in a clean, dry place, preferably in its original packaging or a sealed container to protect it from dust and potential damage. The building blocks are designed for easy storage.
- **Handling:** Always handle the model with care, especially when moving it, to prevent pieces from detaching.

## TROUBLESHOOTING

---

While the RASTAR F1 C42 building kit is designed for straightforward assembly, you might encounter minor issues. Here are some common troubleshooting tips:

- **Missing Pieces:** Double-check all packaging and bags. If a piece is genuinely missing, refer to the support section for contact information.
- **Difficulty Connecting Pieces:** Ensure you are using the correct pieces as indicated in the manual. Apply firm, even pressure. If a piece doesn't fit, do not force it, as this may cause damage. Re-check the step in the manual.
- **Model Instability:** If the assembled model feels unstable, review the previous steps in the manual to ensure all connections are secure and all pieces are correctly oriented.
- **Sticker Application Issues:** If stickers are not adhering properly, ensure the surface is clean and dry. For precise application, use tweezers.
