## RASTAR 93700

# RASTAR 93700 1:30 Hummer EV Brick Building Car Instruction Manual

Model: 93700 | Brand: RASTAR

## 1. INTRODUCTION

The RASTAR 93700 1:30 Hummer EV Brick Building Car is a meticulously designed construction kit that allows you to build a detailed replica of the iconic Hummer EV. This officially licensed product consists of 431 high-quality, non-toxic plastic pieces, providing an engaging and educational building experience for users aged 6 and above. Once assembled, the model serves as an excellent display piece, showcasing intricate details and a realistic design.

## 2. SAFETY INFORMATION

Please read and understand all safety instructions before beginning assembly. This product contains small parts and is not suitable for children under 3 years due to choking hazards. Adult supervision is recommended for younger builders.

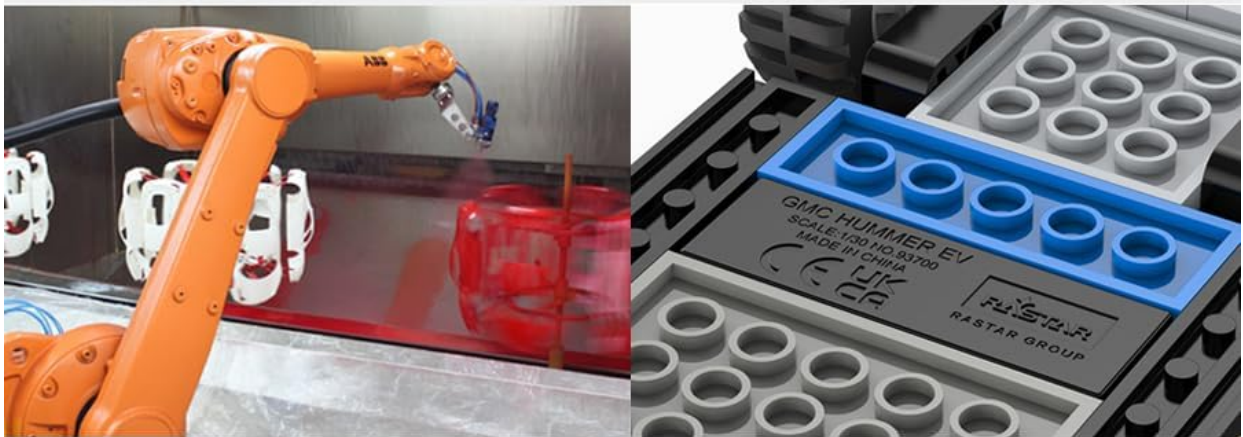

- **Recommended Age:** 6 years and older.

- **Material Safety:** All components are made from non-toxic plastic materials, ensuring safety during handling and assembly.
- **Small Parts:** Keep small pieces away from infants and pets to prevent accidental ingestion.
- **Handling:** Avoid throwing or dropping the assembled model to prevent damage or injury.

# SAFETY

## Materials

Environmental Protection Materials | 3C Certification

The spray painting process involves using ABB robotic arms in the automotive manufacturing industry to ensure uniform and consistent paint colors on each vehicle model. Additionally, the use of electroplating technology ensures long-lasting and fade-resistant paint surfaces. All paint materials used for spraying are safe and non-toxic.

### 3. PACKAGE CONTENTS

Upon opening the package, verify that all components are present and undamaged. The RASTAR 93700 kit includes:

- 431 plastic building bricks for the Hummer EV model.
- Detailed step-by-step instruction manual (this document).
- Sticker sheet (if applicable, for detailing).

If any parts are missing or damaged, please refer to the Customer Support section for assistance.

## 4. SETUP AND ASSEMBLY

---

The assembly process is designed to be straightforward and enjoyable. Follow the included visual instructions carefully for the best building experience.

1. **Unpack Components:** Carefully open the packaging and lay out all brick bags. It is recommended to sort pieces by color or type to facilitate assembly.
2. **Follow Instructions:** Refer to the step-by-step building guide provided within the package. Each step illustrates which bricks to use and where to place them.
3. **Secure Connections:** Ensure each brick is firmly pressed into place to create a stable and durable structure.
4. **Detailing:** Apply any included stickers or decorative elements as indicated in the manual to complete the model's appearance.

No additional tools are required for assembly beyond the components provided in the kit.

## 5. OPERATING INSTRUCTIONS

The RASTAR 93700 Hummer EV is a static display model. It is not designed for remote control operation or active play that involves rough handling.

- **Display:** Place the assembled model on a stable, flat surface for display.
- **Handling:** When moving the model, support it from the base to prevent parts from detaching. Avoid

applying excessive force to any part of the model.

## 6. MAINTENANCE

---

Proper care will help maintain the appearance and integrity of your RASTAR Hummer EV model.

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. Avoid using abrasive cleaners, solvents, or excessive moisture, as these can damage the plastic or printed details.
- **Storage:** Store the model in a cool, dry environment away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause colors to fade.
- **Disassembly:** If partial disassembly is required for cleaning or repair, do so carefully to avoid breaking plastic connectors.

## 7. TROUBLESHOOTING

---

This section addresses common issues you might encounter during or after assembly.

- **Missing Pieces:** If you discover any missing pieces, carefully re-check the packaging and all brick bags. If still missing, contact customer support with the specific part number (if available in the manual) or a clear description.
- **Difficulty Connecting Bricks:** Ensure bricks are aligned correctly before applying pressure. Some new bricks may require slightly more force to connect initially.
- **Model Instability:** Re-examine the assembly steps where instability is observed. Ensure all bricks are fully seated and connected as per the instructions.
- **Parts Detaching:** If parts frequently detach, ensure they were correctly assembled and firmly pressed into place. Avoid rough handling.

## 8. SPECIFICATIONS

---

Feature	Detail
Brand	RASTAR
Model Name	RASTAR 93700
Model Number	93700
Scale	1:30
Material	Plastic
Color	Yellow
