Bayer 62667AA

Bayer Multi Bed Doll Playpen Instruction Manual - Model 62667AA

For Dolls Up to 18" (46 cm)

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bayer Multi Bed Doll Playpen. Please read these instructions carefully before use to ensure proper setup and safe enjoyment of the product. This multi-functional toy is designed for dolls and stuffed animals up to 18 inches (46 cm) and is suitable for ages 3 and up.

SAFETY INFORMATION

- **Adult Supervision:** Always ensure adult supervision during play.
- **Age Recommendation:** This product is intended for children aged 3 years and older.
- **Small Parts:** Keep small parts away from young children to prevent choking hazards during assembly.
- **Intended Use:** This product is designed for dolls and stuffed animals only. It is not suitable for real infants or pets.
- **Inspection:** Regularly inspect the product for any damage or loose parts. Discontinue use if any damage is found.

PACKAGE CONTENTS

Before assembly, please verify that all components listed below are present:

- 1 x Multi Bed Frame and Fabric Assembly
- 3 x Doll Hangers
- 1 x Doll Pillow
- 1 x Doll Blanket

Note: Doll is not included.

SETUP AND ASSEMBLY

Follow these steps to assemble your Bayer Multi Bed Doll Playpen:

1. **Unfold the Main Frame:** Carefully unfold the main playpen frame until it locks into an upright position. Ensure all four

corners are securely extended.

Figure 1: Fully assembled Bayer Multi Bed Doll Playpen. This image shows the overall structure with the highchair and mobile attached.

- 2. Attach the Highchair Unit:** Locate the integrated highchair unit. Align the attachment points on the highchair with the designated slots on the side of the playpen frame. Press firmly until it clicks into place. The highchair includes a dining tray.

Figure 2: Side view of the playpen, illustrating the highchair's position and the mobile arm extending above the bed.

- 3. Install the Mobile Arm:** Insert the mobile arm into the designated opening near the highchair. Ensure it is securely seated and can rotate freely. The mobile features decorative elements for doll entertainment.

Figure 3: Detailed view of the highchair with its tray and the mobile arm with hanging flower-shaped toys.

4. **Access the Storage Compartment:** The playpen features a storage compartment located on the side, secured with a Velcro fastener. This area is designed to store doll accessories.

Figure 4: The side storage compartment opened, revealing three doll hangers inside.

5. **Prepare the Bedding:** Place the included pillow and blanket inside the main bed area for your doll's comfort.

OPERATING INSTRUCTIONS

This section details how to utilize the various features of your Multi Bed Doll Playpen.

Using the Integrated Highchair

- Place your doll in the highchair seat.
- Use the attached tray for pretend feeding activities.

Utilizing the Changing Station and Mobile

- The area behind the highchair seat serves as a changing station for your doll.
- The mobile can be gently spun to entertain your doll during changing or playtime.

Accessing the Storage Compartment

- Open the Velcro fastener on the side compartment to store doll clothes or accessories.
- Use the three included hangers to organize doll outfits within this compartment.

Placing a Doll in the Bed

- Gently place your doll (up to 18 inches / 46 cm) into the main bed area.
- Cover the doll with the blanket and position the pillow for a cozy sleep.

MAINTENANCE AND CARE

- **Cleaning:** Wipe down all surfaces with a damp cloth and mild soap. Do not immerse the product in water.
- **Drying:** Allow all parts to air dry completely before storage or next use.
- **Storage:** When not in use, the playpen can be folded for compact storage. Ensure it is clean and dry before folding.

TROUBLESHOOTING

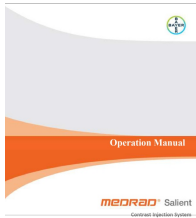

Problem	Possible Cause	Solution
Playpen frame feels unstable or collapses.	Frame not fully locked into position.	Ensure all four corners of the frame are fully extended and locked. Apply gentle pressure to confirm stability.
Highchair or mobile attachment is loose.	Attachment points not fully engaged.	Re-align and press the highchair or mobile arm firmly until a click is heard, indicating it is securely in place.
Velcro on storage compartment not closing properly.	Debris on Velcro or overfilled compartment.	Clean any lint or debris from the Velcro strips. Reduce the contents of the storage compartment if it is overfilled.
