MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your Tribesigns Executive Desk.

Cleaning Instructions:

- For general cleaning, wipe the desk surface with a **damp cloth**.
- Immediately wipe up any spills with a **dry cloth** to prevent water damage, as the surface is water-resistant but not entirely waterproof for prolonged exposure.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.

General Care Tips:

- Avoid placing extremely hot or cold items directly on the desktop. Use coasters or protective pads.

- Do not drag heavy objects across the surface to prevent scratches.
- Periodically check and tighten all screws and connections to maintain stability.
- Ensure the adjustable feet are properly set to keep the desk level and prevent wobbling.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns Executive Desk, refer to the following common problems and solutions:

Common Issues and Solutions:

- **Desk is Wobbly:**
 - Ensure all screws are securely tightened.
 - Adjust the leveling feet at the bottom of the legs to compensate for uneven flooring.
 - Verify that all frame components are correctly oriented and assembled according to the instructions.
- **Missing Parts or Hardware:**
 - Carefully check all packaging materials, as small parts can sometimes be overlooked.
 - Contact Tribesigns customer service immediately with your product model number (AL23504) and a description of the missing items.
- **Difficulty During Assembly:**
 - Re-read the assembly instructions, paying close attention to diagrams and part labels.
 - Ensure you are using the correct screws for each step, as indicated by the labeled hardware packs.

- Do not force parts together; if they don't fit, recheck alignment and orientation.
- **Surface Scratches or Damage:**
 - While the surface is scratch-resistant, extreme force or sharp objects can cause damage. Use protective mats for heavy or sharp items.
 - For minor blemishes, furniture repair kits or markers matching the wood finish may be used.
