MIRROTOWEL B2

MIRROTOWEL Vanity Desk Model B2 Instruction Manual

Model: B2 | Brand: MIRROTOWEL

1. Product Overview

The MIRROTOWEL Vanity Desk Model B2 is a versatile and stylish addition to any bedroom, bathroom, or living room. Designed for beauty enthusiasts, it combines a large mirror with adjustable LED lighting, ample storage, and a modern aesthetic. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure optimal use of your vanity desk.

Key Features:

- **3-Color Adjustable LED Lighting:** The built-in LED light strip offers 3 color modes (cold white, warm white, warm yellow) and adjustable brightness, providing optimal lighting for makeup application, skincare routines, or hairstyling.
- **Spacious and Organized Storage:** Features multiple drawers, open shelves, and a large tabletop to store and organize cosmetics, skincare products, jewelry, and accessories.
- **Elegant and Modern Design:** Available in classic white, sleek black, and vibrant Rose pink, complementing various decor styles.
- **All-in-One Makeup Vanity:** Combines a large mirror, adjustable LED lights, and a functional desk for a dedicated beauty station.
- **Durable and Easy to Maintain:** Crafted from high-quality engineered wood (density board) for long-lasting durability and easy cleaning.

2. Setup and Assembly

Your MIRROTOWEL Vanity Desk requires assembly. Please follow the included instruction manual carefully. It is recommended to have a second person assist with assembly for ease and safety. Ensure all parts are present before beginning.

Image: Overall view of the vanity desk, highlighting the HD mirror, open shelves, wide desktop, two large drawers, and storage cabinet.

Assembly Tips:

- Unpack all components and verify against the parts list in your separate assembly guide.
- Lay out all hardware and panels on a soft, clean surface to prevent scratches.
- Follow the step-by-step diagrams provided in the separate assembly manual.
- Ensure all screws and fasteners are tightened securely but do not overtighten.

3. Operating Instructions

LED Light Mirror Operation:

The vanity mirror features an integrated LED light strip with adjustable settings. A touch-sensitive button on the mirror controls the lighting.

1. **Power On/Off:** Lightly touch the circular button on the mirror to turn the LED lights on or off.

2. **Change Light Mode:** With the lights on, press and hold the circular button to cycle through the 3 color modes: Cold White, Warm White, and Warm Yellow. Release the button when your desired mode is selected.
3. **Adjust Brightness:** Some models may allow brightness adjustment by holding the button longer within a selected mode. Refer to your specific mirror's instructions for detailed brightness control.

Storage Utilization:

The vanity desk is designed with various storage options to keep your items organized.

- **Large Drawers:** Utilize the spacious drawers for storing makeup palettes, brushes, and other beauty essentials.
- **Open Shelves:** The 3-tier open shelves are ideal for displaying perfumes, lotions, and frequently used items for easy access.
- **Drop-proof Compartment:** A dedicated compartment is designed to prevent items from falling, ensuring safe storage.

- **Storage Cabinet:** The lower cabinet provides additional space for taller bottles, hair styling tools, or larger accessories.

4. Maintenance

Proper care will extend the life and appearance of your MIRROTOWEL Vanity Desk.

- **Cleaning:** For general cleaning, wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Water Exposure:** Do not soak the vanity in water for a long time. Promptly wipe away any spills to prevent damage to the engineered wood finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Avoid spraying cleaner directly onto the LED strip or electrical components.
- **Dusting:** Regularly dust all surfaces to prevent buildup.

5. Troubleshooting

Common Issues and Solutions:

- **LED Lights Not Working:**
  - Ensure the power adapter is securely plugged into both the mirror and a working electrical outlet.
  - Check if the power button on the mirror is responsive. If not, try unplugging and re-plugging the unit.
- **Water Damage/Paint Chipping:**
  - The vanity is made of engineered wood. While durable, prolonged exposure to water can cause damage or paint chipping. Always wipe spills immediately.
  - Avoid using abrasive materials or harsh chemicals when cleaning, as this can scratch the paint.
- **Vanity Feels Unstable:**
  - Recheck all assembly screws and fasteners to ensure they are tightened properly.
  - Ensure the vanity is placed on a flat, level surface.

6. Specifications

Feature	Detail

Feature	Detail
Model Number	B2
Brand	MIRROTOWEL
