## FEATOL CFM

# FEATOL Anti-Fatigue Mat CFM User Instruction Manual

Model: CFM | Brand: FEATOL

## INTRODUCTION

---

This manual provides essential information for the proper setup, use, and maintenance of your FEATOL Anti-Fatigue Mat. Designed to enhance comfort and reduce strain during prolonged standing, this mat features high-density memory foam and a durable, non-slip surface. Please read these instructions carefully to ensure optimal performance and longevity of your product.

## PRODUCT OVERVIEW

---

Figure 1: Top-down view of the FEATOL Anti-Fatigue Mat.

The FEATOL Anti-Fatigue Mat is engineered to provide ergonomic support and comfort. Its construction includes a durable PU leather surface, a thick high-density memory foam cushion, and a slip-resistant bottom. The mat's beveled edges are designed to prevent tripping.

# 9/10" THICK MEMORY FOAM

▲ Better cushioning compared to 3/4" padded floor mat.

## SURFACE

Durable waterproof PU leather

## INNER

Thick high density memory foam cushion

## BOTTOM

Long lasting slip resistant bottom

Figure 2: Cross-section diagram illustrating the mat's layered construction: durable PU leather surface, thick high-density memory foam, and slip-resistant bottom.

## SETUP

1. **Unpack the Mat:** Carefully remove the anti-fatigue mat from its packaging. The mat is shipped non-folded to prevent warping.
2. **Choose a Location:** Select a flat, dry surface where you typically stand for extended periods, such as in front of a standing desk, kitchen counter, laundry room, or workbench.
3. **Clean the Area:** Ensure the floor area where the mat will be placed is clean, dry, and free of any dust, water, or debris. This helps maintain the non-slip properties of the mat's bottom surface.
4. **Place the Mat:** Lay the mat flat on the prepared surface. Ensure the beveled edges are flush with the floor to minimize tripping hazards.

## THOUGHTFUL PACKAGING

The non-folding way allows you to reach and use.

Figure 3: The mat is packaged flat to ensure it arrives without creases or unevenness, ready for immediate use.

### OPERATING INSTRUCTIONS

---

Simply stand on the FEATOL Anti-Fatigue Mat during activities that require prolonged standing. The 9/10" thick memory foam cushion is designed to distribute your weight evenly, reducing pressure on your feet, knees, and lower back. The ergonomic design promotes comfort and helps alleviate fatigue.

# STANDING MAT - ALL DAY SUPPORT

## MAINTENANCE

- **Cleaning:** The PU leather top surface is stain-resistant and easy to clean. Simply wipe the mat with a damp cloth and mild detergent. Avoid harsh chemicals or abrasive cleaners, as these may damage the surface.
- **Drying:** Allow the mat to air dry completely before placing it back on the floor. Ensure both the top and bottom surfaces are dry to maintain hygiene and prevent slippage.
- **Storage:** If storing the mat, roll it loosely or lay it flat to prevent creases or damage to the foam. Store in a cool, dry place away from direct sunlight.
- **Avoid Sharp Objects:** While the surface is resistant to punctures and tears, avoid placing sharp objects on the mat to prevent damage.

## TROUBLESHOOTING

---

Issue	Possible Cause	Solution
Mat slides on the floor	Dust, water, or debris under the mat; uneven floor surface.	Ensure the floor and the mat's bottom are clean and dry. Place on a flat, even surface.
Mat edges curl up	Improper storage (rolled too tightly) or initial settling.	Lay the mat flat for a few hours or overnight. If storing, roll loosely.
Reduced cushioning over time	Normal wear and tear; prolonged heavy use.	The mat is designed for durability; however, extreme prolonged use may affect cushioning. Ensure proper care.

## SAFETY INFORMATION

---

- Always ensure the mat is placed on a clean, dry, and flat surface to prevent slipping.
- The beveled edges are designed to reduce tripping hazards, but exercise caution when stepping on and off the mat.
- Keep the mat away from open flames or high heat sources.
- Do not use the mat if it is damaged or torn, as this may compromise its safety features.

## SPECIFICATIONS

---

- **Brand:** FEATOL
- **Model Number:** CFM
- **Dimensions:** 24"L x 17"W x 0.9"Th (for this specific variant)
- **Material:** High-Density Foam, Memory Foam, PU Leather Surface
- **Color:** Black (for this specific variant)
- **Special Feature:** Stain Resistant, Anti-Fatigue, Non-Slip
- **Product Care:** Wipe with Damp Cloth
- **Item Weight:** 2 pounds

# MULTI-COLOR AND SIZE

Any color and size for your choice.
