Key Features:

- **Open-Ear Wireless Stereo Design:** Provides a comfortable and healthy listening experience without direct ear canal contact.
- **ENC Dual-Microphone Noise Cancellation:** Reduces ambient noise for clear call quality.
- **Skin-Friendly Silicone Ear Hooks:** Ensures a comfortable and hygienic fit.
- **Bluetooth 5.3:** Offers stable, extended-range connection with reduced power consumption.
- **16.2mm Large Dynamic Coil Speaker:** Delivers high-fidelity audio with deep bass.
- **Ultra-Lightweight Design:** Each earbud weighs only 11.3g for barely noticeable wear.
- **Digital Battery Display Screen:** Conveniently shows remaining battery levels of the charging case.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C cable to the charging port on the case and plug the other end into a compatible USB power source. The digital display

on the charging case will indicate the battery percentage.

Image: The Padmate S58 charging case displaying "100" on its LED screen, indicating a full charge. The earbuds are visible inside the case.

The charging time for the earbuds is approximately 1.5 hours. The charging case provides multiple charges, extending total playtime.

2. Pairing with Your Device

1. Ensure the earbuds are charged and inside the charging case.
2. Open the lid of the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings and turn Bluetooth on.
4. Search for "Padmate S58" in the list of available devices and select it to connect.
5. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

OPERATING INSTRUCTIONS

Wearing the Earbuds

The Padmate S58 earbuds are designed with an ergonomic ear-hook wearing method, providing three points of support for a secure and comfortable fit. Gently place the earbud over your ear, ensuring the speaker is positioned correctly near your ear canal without entering it.

A woman in a blue and white athletic top and blue leggings is shown in a running pose. She is wearing a blue headband and a white Padmate S58 earbud in her right ear. The background is a blurred outdoor setting.

DESIGNED FOR SPORTS

Never worry about falling

It adopts an ergonomic ear-hook wearing method and cleverly utilizes the multi-point angle formed by the ear-phones and the auricle to stabilize the wearing principle, so that you don't have to worry about the earphones falling during exercise of various intensity

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using harsh chemicals or abrasive materials.
- **Water Resistance:** The earbuds are waterproof, sweatproof, and dustproof. However, avoid submerging them in water for extended periods or exposing them to high-pressure water jets.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
