6. MAINTENANCE AND CARE

Proper care will ensure the longevity and cleanliness of your MAX Adventure Fire Station set.

- **Cleaning:** To clean the building blocks, gently wipe them with a damp cloth using mild soap if necessary. Rinse thoroughly with clean water and allow them to air dry completely before storing. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic. Keep all pieces together in a designated container to avoid loss.
- **Avoid Extreme Temperatures:** Do not expose the blocks to extreme heat or cold, as this can damage the plastic.

7. TROUBLESHOOTING

If you encounter any issues during assembly or play, refer to the following common solutions:

Missing Pieces:

- Carefully re-check the packaging and all surrounding areas where the pieces were unpacked. Small pieces can sometimes be overlooked.
- If a piece is genuinely missing, please contact customer support for assistance.

Assembly Difficulties:

- **Review Instructions:** Double-check the instruction booklet for the specific step you are on. Ensure you are using the correct pieces and orientation.
- **Piece Orientation:** Some pieces may look similar but have subtle differences in their connection points. Ensure they are oriented correctly.
- **Firm Connection:** Apply firm, even pressure when connecting blocks to ensure they snap into place securely.
