PawHut D10-095V00WT

PawHut Bird Stand Instruction Manual

MODEL: D10-095V00WT

Introduction

Thank you for choosing the PawHut Bird Stand. This manual provides essential information for the safe assembly, operation, and maintenance of your bird stand. Please read these instructions carefully before use and retain them for future reference.

Safety Information

- Ensure all components are securely fastened before allowing your bird to use the stand.
- Regularly inspect the stand for any loose parts, damage, or wear. Replace or repair as necessary.
- Do not leave birds unattended on the stand, especially when outdoors, to prevent escape or exposure to hazards.
- Keep the stand away from open flames, heat sources, and electrical outlets.
- This stand is designed for small-sized parrots. Do not use with birds exceeding the recommended size or weight.
- When moving the stand, ensure the casters are unlocked and move slowly to prevent tipping.

Package Contents

Verify that all parts are present before beginning assembly:

- Main Stand Pole with Base and Casters
- Round Collection Tray
- Perch Bar (Fir wood)
- Ladder
- Boom/Toy Hanger
- Stainless Steel Feed Bowls (x2)
- Assembly Hardware (screws, nuts, washers)
- Assembly Tool (e.g., Allen wrench)

EASY TO MOVE

Features 4 universal wheels
for easy movement

Setup and Assembly

Assembly is required for this product. Please follow the included graphical instructions carefully. Ensure all connections are tight and stable.

1. Attach the casters to the base of the main stand pole.
2. Secure the main stand pole to the center of the round collection tray.
3. Mount the perch bar and ladder to the upper section of the main pole.
4. Insert the stainless steel feed bowls into their designated holders on the perch bar.
5. Attach the boom/toy hanger to the top of the stand.

2 Stainless Steel Bowls
for adding food and water

High-edge Tray
for collecting litter

Operating Instructions

The PawHut Bird Stand is designed to provide a versatile and mobile play area for your small-sized parrot.

- Placement:** Position the stand in a safe, stable location indoors or outdoors. When outdoors, ensure your bird is supervised and protected from direct sunlight, wind, and predators.
- Mobility:** The four casters allow for easy movement. Unlock the casters to roll the stand between rooms or to different outdoor areas. Lock the casters to secure the stand in place.
- Feeding:** Use the two stainless steel bowls for food and water. Ensure fresh food and water are always available.
- Play & Rest:** The perch, ladder, and boom provide areas for your bird to rest, climb, and play. Attach bird-safe toys to the boom for enrichment.

Maintenance

Regular cleaning and maintenance will ensure the longevity and hygiene of your bird stand.

- **Cleaning:** The stand features a spacious round pallet designed to catch droppings and food debris. Wipe clean the entire stand, including the perch, ladder, bowls, and tray, with a damp cloth and mild, bird-safe cleaner. Rinse thoroughly and dry completely before reuse.
- **Bowl Care:** The stainless steel bowls are removable for easy cleaning. Wash them regularly with soap and water.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight.

Troubleshooting

- **Stand feels wobbly:** Ensure all assembly screws are tightened securely. Check that the casters are properly installed and locked when the stand is stationary.
- **Difficulty moving the stand:** Verify that all four casters are unlocked. Clean any debris from the caster wheels.
- **Bird not using the stand:** Introduce your bird to the stand gradually. Place familiar toys or treats on

the perch to encourage exploration. Ensure the stand is in a comfortable and safe location for your bird.

Specifications
