

UNIQ LIFEPRO Xtreme iPhone 15 Pro Max Case

UNIQ LIFEPRO Xtreme iPhone 15 Pro Max Case User Manual

Model: LIFEPRO Xtreme | Brand: UNIQ

INTRODUCTION

The UNIQ LIFEPRO Xtreme case provides minimalist protection with everyday durability for your iPhone 15 Pro Max. Designed with a slim profile, a flexible bumper, and a tough co-moulded back, this case offers reliable, all-around protection while maintaining maximum clarity. It is an ideal companion for users seeking sleek defense without added bulk.

PRODUCT FEATURES

- **Airlite Corners:** Bubble air columns on inner case fittings absorb impact upon collision, minimizing damage to the phone body.
- **Raised Camera Lens Protection:** Features a raised aluminum camera lens bezel to shield the back camera from scratches and impacts.
- **3H Polycarbonate Case:** Constructed from tough 3H scratch-resistant polycarbonate for enhanced durability.
- **Elevated Corners:** Designed with elevated corners to provide additional shielding against face-down impact collisions.
- **Drop-Test Certified:** Independently drop-tested to withstand falls from up to 8 feet (2.5 meters).

PACKAGE CONTENTS

Upon opening the package, you should find the following items:

- 1 x UNIQ LIFEPRO Xtreme iPhone 15 Pro Max Case
- 1 x Cleaning Cloth

SETUP: INSTALLING THE CASE

Follow these steps to properly install your UNIQ LIFEPRO Xtreme case onto your iPhone 15 Pro

Max:

1. **Clean Your Device:** Before installation, ensure your iPhone 15 Pro Max is clean and free of dust or smudges. Use the provided cleaning cloth for best results.
2. **Align the Case:** Hold your iPhone 15 Pro Max with the screen facing up. Align the top edge of the phone with the top edge of the case, ensuring the camera cutout on the case matches your phone's camera module.
3. **Insert Top Edge:** Gently push the top corners of your iPhone into the case.
4. **Snap into Place:** Once the top is secure, apply gentle pressure to the bottom corners of your phone until it snaps completely into the case. Ensure all edges of the phone are fully seated within the case's bumper.

OPERATING THE CASE

The UNIQ LIFEPRO Xtreme case is designed for continuous protection of your iPhone 15 Pro Max. Once installed, the case provides:

- **Impact Protection:** The flexible bumper and Airlite corners absorb shocks from drops and impacts.
- **Scratch Resistance:** The 3H polycarbonate back helps protect your phone from scratches during daily use.
- **Camera and Screen Protection:** Raised bezels around the camera and elevated corners protect these vulnerable areas when the phone is placed on flat surfaces.

All phone functions, including buttons, ports, and wireless charging, remain fully accessible with the case installed.

MAINTENANCE AND CARE

To keep your UNIQ LIFEPRO Xtreme case clean and maintain its clarity and protective qualities, follow these simple care instructions:

- **Regular Cleaning:** Wipe the case regularly with the provided cleaning cloth or a soft, damp cloth.
- **Stubborn Stains:** For more stubborn dirt or smudges, use a small amount of mild soap and water. Avoid harsh chemicals, abrasive cleaners, or solvents, as these can damage the case material or finish.
- **Drying:** Ensure the case is completely dry before re-installing your phone.
- **Avoid Extreme Conditions:** Do not expose the case to extreme temperatures or direct prolonged sunlight, which could affect its material integrity and clarity over time.

TROUBLESHOOTING

If you encounter any issues with your UNIQ LIFEPRO Xtreme case, consider the following common solutions:

- **Case Not Fitting Properly:**
 - Ensure you have the correct case model for your iPhone 15 Pro Max.
 - Remove the phone from the case and re-install it carefully, ensuring all corners snap into place.
- **Dust or Debris Under the Case:**
 - Remove the case and clean both your phone and the inside of the case thoroughly with a soft, lint-free cloth.
- **Scratches on the Case:**
 - While the case is made from 3H scratch-resistant polycarbonate, it is not entirely scratch-proof. Minor scratches are normal with use and do not affect the protective function.

If problems persist, please refer to the Support section for further assistance.
