

XIQI 10L Bicycle Saddle Bag

XIQI 10L Bicycle Saddle Bag Instruction Manual

Model: 10L Bicycle Saddle Bag

INTRODUCTION

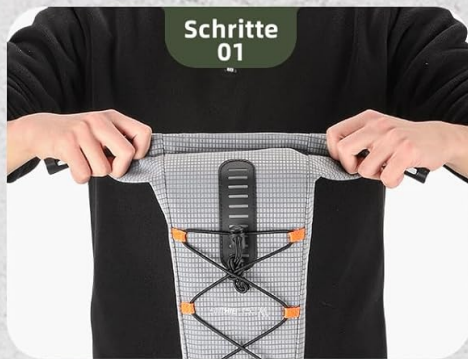

Thank you for choosing the XIQI 10L Bicycle Saddle Bag. This manual provides essential information for the proper installation, use, and maintenance of your new saddle bag. Please read these instructions carefully before use to ensure optimal performance and longevity of the product.

SETUP AND INSTALLATION

The XIQI 10L Bicycle Saddle Bag is designed for easy and secure attachment to most bicycle seat posts and saddle rails. Follow these steps for proper installation:

- 1. Attach to Seat Post:** Secure the two super strong Velcro fasteners around your bicycle's seat post. Ensure they are tightened firmly to prevent movement during rides.
- 2. Secure to Saddle Rails:** Thread the two buckles through the saddle rails. Fasten these buckles and pull the straps to further enhance stability. This dual attachment system minimizes sway and ensures the bag remains stable even on rough terrain.
- 3. Adjust for Clearance:** Ensure the bag does not interfere with the rear wheel or your pedaling motion. Adjust the strap tension as needed.

Wie wird die Hecktasche festgezogen?

Schritte
01

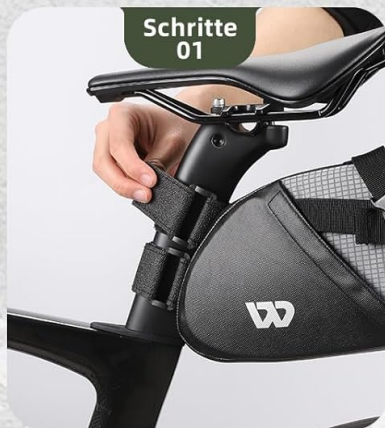

Falten Sie die Beutelloffnung 1 bis 2 Mal nach unten.
(Die Anzahl der Falter hängt von der Anzahl der geladenen Artikel ab)

Schritte
02

Schritte-02 Dann die Schnallen auf beiden Seiten schließen

Installationsschritte

Schritte
01

Befestigen Sie den Gurt am Fahrradsitzrohr

Schritte
02

Führen Sie die beiden Schnallen unter den Sitz

Schritte
03

Schnallen Sie die untere Schnalle an und ziehen Sie sie so fest wie möglich nach unten

OPERATING INSTRUCTIONS

The XIQI 10L Bicycle Saddle Bag is designed for convenience and durability, offering ample storage and waterproof protection for your cycling adventures.

Capacity and Storage

This saddle bag provides a generous capacity of up to 10 liters, with a maximum length of 57.5 cm. It is ideal for storing various items such as clothes, food, cameras, smartphones, and other essentials for day trips or longer bike tours. The capacity can be flexibly adjusted from 4.5 to 10 liters by tightening the side roll closure.

Waterproof Design

The bag features a 100% waterproof design to keep your belongings dry and clean. It is constructed with a strong, tear-resistant fabric exterior and an inner lining that ensures waterproof integrity. This robust design makes it suitable for use in various weather conditions.

Additional Features

- **Rear Light Mounting Ring:** A dedicated ring is provided for attaching a rear light (not included), enhancing visibility and safety.
- **Top Mounting Net:** An external net allows for quick access or temporary storage of items like a pump or jacket.
- **Mudguard Function:** When installed, the bag can also serve as an off-road mudguard, protecting you from splashes.

MAINTENANCE

To ensure the longevity and continued performance of your XIQI 10L Bicycle Saddle Bag, follow these maintenance guidelines:

- **Cleaning:** Wipe the bag with a damp cloth and mild soap. Do not use harsh chemicals or abrasive cleaners, as these can damage the waterproof coating and fabric.
- **Drying:** Allow the bag to air dry completely before storing, especially after use in wet conditions, to prevent mold or mildew.
- **Storage:** Store the bag in a cool, dry place away from direct sunlight when not in use.
- **Inspect Straps and Buckles:** Periodically check all straps, buckles, and fasteners for wear and tear. Replace if any components are damaged to maintain secure attachment.

TROUBLESHOOTING

If you encounter any issues with your XIQI 10L Bicycle Saddle Bag, consider the following common solutions:

- **Bag feels loose or sways:** Ensure all Velcro fasteners and buckles are securely tightened around the seat

post and saddle rails. Re-adjust the straps to achieve maximum stability.

- **Water leakage:** Verify that the roll closure is properly sealed and tightened. Inspect the fabric for any tears or punctures. If damage is present, contact customer support.
- **Difficulty fitting items:** Utilize the adjustable roll closure to expand the bag's capacity up to 10 liters. For larger items, consider distributing weight evenly.

If these steps do not resolve your issue, please refer to the Warranty and Support section for further assistance.

SPECIFICATIONS
