Cuttte Disposable Dual-Sided Eyeshadow Applicators User Manual

Brand: Cuttte | **Model:** B0CQLFX7BZ

INTRODUCTION

This manual provides instructions for the Cuttte Disposable Dual-Sided Eyeshadow Applicators. These tools are designed for precise and hygienic application of various makeup products, including eyeshadow, eyebrow powder, lipstick, and nail chrome powder.

PRODUCT FEATURES

- **Quantity:** Each set includes 180 pieces of eyeshadow brushes, providing ample supply for various applications.
- **Dimensions:** Each applicator has an overall length of 6.2 cm (2.44 inches), featuring a longer handle for improved grip and precise placement.
- **Sponge Quality:** The sponge tips are firm enough for effective product application while remaining soft to conform to the eyelid's contour.
- **Dual-Sided Design:** Each applicator features two different colored ends, allowing for blending and application with separate tips without cross-contamination of colors.
- **Disposable:** Designed for single-use to ensure hygiene and prevent product contamination.

SETUP

The Cuttite Disposable Dual-Sided Eyeshadow Applicators require no assembly. Simply remove an applicator from its packaging when ready for use.

OPERATING INSTRUCTIONS

1. **Select an Applicator:** Choose one disposable applicator from the pack.
2. **Apply Product:** Gently dab one sponge tip into your desired makeup product (e.g., eyeshadow, eyebrow powder, lipstick, nail chrome powder).
3. **Application:** Apply the product to the desired area with light, controlled strokes. The firm sponge allows for precise placement.
4. **Blending (Optional):** If blending is required or a different color is used, utilize the second, clean sponge tip on the other side of the applicator. The different handle colors can help differentiate between shades.
5. **Disposal:** After a single use, dispose of the applicator responsibly to maintain hygiene.
