## YITAHOME MAYIHQIXAI

# YITAHOME 12x18ft Hardtop Gazebo Instruction Manual

Model: MAYIHQIXAI | Brand: YITAHOME

## IMPORTANT SAFETY INFORMATION

**WARNING:** Always assemble this gazebo with at least 4 people. It may take up to 8 hours. Secure the gazebo to the ground using the provided stakes to prevent tipping. Keep children and pets away from the gazebo during assembly and disassembly. Do not leave the gazebo unattended when in use. Be cautious of the hardtop and nettings to prevent entrapment.

## PRODUCT OVERVIEW

### Key Features

- UPGRADED STURDY ALUMINUM FRAME:** Features 4.7x4.7in upgraded aluminum columns with holes and ground stakes for enhanced stability and durability. Black powder-coated design resists fading, rust, and corrosion, ensuring all-weather use.
- DOUBLE LAYER SIDEWALL:** Includes fully enclosed double-sided zippers, a double track system, and double-layer sidewalls (brown polyester cloth and black mesh) for ventilation, privacy, and protection from rain, UV rays, and insects.
- DOUBLE GALVANIZED IRON ROOF:** Galvanized iron sheet top prevents fading and prolongs service life. The double-top vented roof optimizes airflow and provides comfort during strong winds. Includes two hooks for hanging lights or fans.
- SPACIOUS SPACE:** Designed to accommodate 6-10 people, suitable for backyards, terraces, lawns, courtyards, parties, and weddings.
- PACKAGE & ASSEMBLY:** Product delivered in several separate packages. Assembly requires 4-6 people and may take 6-8 hours. Detailed instructions and installation videos are provided.

### Specifications

Brand	YITAHOME
Material	Aluminum
Style	Galvanized Roof
Product Dimensions	216"L x 144"W x 116"H
Item Weight	257 Pounds
Frame Material	Aluminum
Water Resistance Level	Water Resistant

<b>Shape</b>	Rectangular
<b>Ultraviolet Light Protection</b>	UV Resistant
<b>Assembly Required</b>	Yes
<b>Color</b>	Brown
<b>Floor Area</b>	216 Square Feet

## PACKAGE CONTENTS

---

The YITAHOME 12x18ft Hardtop Gazebo is delivered in several separate packages. Please ensure all packages have arrived before beginning assembly. Refer to the included parts list in your physical manual for detailed component identification and quantities.

## SETUP & ASSEMBLY

---

### Pre-Assembly Checklist

- Verify all packages have arrived and are undamaged.
- Identify and sort all parts according to the provided manual.
- Gather necessary tools: electric screwdriver, step ladder, and any other tools specified in the manual.
- Ensure a minimum of 4-6 people are available for assembly, as recommended for safety and efficiency.
- Choose a level, stable, and clear installation site for the gazebo.

### Assembly Steps

Follow the detailed step-by-step instructions provided in your physical instruction manual. The process typically involves assembling the frame, installing the roof panels, and then attaching the curtains and nettings. Below are visual aids and videos to assist with the assembly process.

## OPERATING INSTRUCTIONS

---

### Curtains and Nettings

- The gazebo features a double track system for both nettings and curtains.
- Use the inner track for the black mesh nettings to protect against insects while maintaining ventilation.
- Use the outer track for the brown polyester curtains to provide privacy and protection from rain and UV rays.
- Curtains can be fully closed for privacy or tied back to the columns using the integrated straps for an open view.

## PANORAMIC VIEW

Enjoy outdoor scenery

## INNER MESH CURTAIN

Blocks flies and UV rays

## OUTER FABRIC CURTAIN

Keeps warm and weatherproof

Image: Detail of the curtain tie-back, allowing curtains to be neatly secured to the columns.

## Ceiling Hook Usage

- The gazebo roof includes two hooks in the middle.
- These hooks can be used to hang electric lights or fans to enhance your outdoor experience.

## MAINTENANCE

---

### Cleaning

- **Frame:** Clean the aluminum frame with a mild soap solution and water. Rinse thoroughly and dry to prevent water spots.
- **Roof Panels:** Gently clean galvanized steel roof panels with a soft brush or cloth and mild soap. Avoid abrasive cleaners that could damage the coating.
- **Curtains & Nettings:** Hand wash or machine wash on a gentle cycle with cold water and mild detergent. Air dry completely to prevent mildew.

### Seasonal Care

- In areas with heavy snow, it is recommended to clear snow accumulation from the roof to prevent structural damage.
- During strong winds or severe weather, ensure curtains are securely tied back or removed to prevent damage.

## TROUBLESHOOTING

---

### Common Issues

- **Water Leaking from Roof:** Ensure all roof panels are correctly installed and screws are tightened. Check for any gaps or misalignments.
- **Gazebo Instability:** Verify that all columns are securely anchored to the ground using the provided stakes. Ensure all frame connections are tight.
- **Curtains/Nettings Not Sliding Smoothly:** Check the tracks for any obstructions or debris. Ensure hooks are properly inserted and not bent.

If you encounter issues not listed here, please refer to the detailed troubleshooting section in your physical manual or contact customer support.

## WARRANTY INFORMATION

---

Please refer to the warranty card included with your product packaging for specific warranty terms and conditions. Generally, YITAHOME products are covered against manufacturing defects for a specified period from the date of purchase.

## CUSTOMER SUPPORT

---

For any questions, concerns, or assistance with your YITAHOME 12x18ft Hardtop Gazebo, please contact YITAHOME customer service. Contact details can typically be found on the product packaging or the official YITAHOME website.
