ODK ZJZ-U-1005

ODK Reversible L-Shaped Desk User Manual

Model: ZJZ-U-1005

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your ODK Reversible L-Shaped Desk, Model ZJZ-U-1005. Please read this manual thoroughly before beginning assembly or use to ensure proper setup and safe operation.

2. SAFETY INFORMATION

- Exercise caution during assembly to prevent personal injury.
- Ensure all connections are securely fastened and the desk is stable before use.
- Do not overload the desk or shelves beyond their stated weight capacity.
- Keep electrical components (power strip, LED lights) away from liquids.
- Periodically check all screws and connections to ensure they remain tight.

3. PACKAGE CONTENTS

Verify that all components listed below are present before starting assembly. If any parts are missing or damaged, please contact customer support.

- Desk Panels (various sizes)
- Metal Frame Components (legs, support bars)
- Fabric Drawers (4 units)
- Adjustable Monitor Stand
- Integrated Power Strip with 2 AC Outlets and 2 USB Ports
- LED Light Strip
- Assembly Hardware (screws, bolts, Allen wrench)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires two people. Follow the numbered steps carefully. The desk features a reversible design, allowing the drawer and shelf sections to be configured on either the left or right side to suit your preference.

4.1. Preparation

1. Clear a spacious area for assembly.
2. Unpack all components and lay them out, comparing them with the package contents list.
3. Identify all hardware and separate them for easy access.

4.2. Frame Assembly

1. Attach the main desk legs to the support bars using the provided screws. Do not fully tighten screws until all components are aligned.
2. Assemble the frame for the side sections (drawer unit and shelf unit). Decide on your preferred left or right configuration at this stage.

4.3. Panel Installation

1. Carefully place the main desk panels onto the assembled frame, aligning screw holes. Secure with screws.
2. Attach the side desk panels to their respective frames.

4.4. Drawer and Shelf Installation

1. Insert the fabric drawers into the designated slots in the drawer unit.
2. Install the metal shelves into the shelf unit.

4.5. Monitor Stand, LED, and Power Strip Installation

1. Attach the adjustable monitor stand to the main desk panel. Ensure it is securely fastened.
2. Install the LED light strip along the underside of the monitor stand or main desk as desired. Connect it to a power source.
3. Integrate the power strip into its designated cutout on the desk surface. Connect its power cord to a wall outlet.

4.6. Final Tightening

Once all components are in place and aligned, fully tighten all screws and bolts. Ensure the desk is level and stable.

5. OPERATING INSTRUCTIONS

5.1. LED Lighting System

The integrated LED light strip offers customizable ambience for your workspace.

- **Power On/Off:** Use the inline controller or remote (if included) to turn the lights on or off.
- **Color Selection:** Choose from 10 distinct colors to match your preference.

- **Lighting Modes:** Select from 10 different lighting modes, including static colors, fades, and flashes.
- **Memory Function:** The LED system retains the last selected color and mode when powered off and on again.

Figure 4: Visual representation of the RGB LED strips, highlighting the 10 available lighting modes and color options.

5.2. Integrated Power Strip

The desk includes a built-in power strip for convenient access to power for your devices.

- **AC Outlets:** Two (2) 220-250V/15A AC outlets are available for powering computers, monitors, and other electronics.

- **USB Charging Ports:** Two (2) 5V/2.1A USB ports are provided for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The power strip is connected via a 200cm power cord. Ensure it is plugged into a grounded wall outlet.

Figure 5: The integrated power strip with a smartphone connected to a USB port for charging, demonstrating its utility.

5.3. Adjustable Monitor Stand

The monitor stand is designed to provide an ergonomic viewing height.

- **Height Adjustment:** The monitor stand can be adjusted to different heights to achieve an optimal viewing angle, reducing neck and back strain. Refer to the assembly diagram for specific adjustment points.

6. MAINTENANCE

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically inspect all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability.
- **Electrical Components:** Keep the power strip and LED lights free from dust and debris. Do not attempt to disassemble or repair electrical components yourself.

7. TROUBLESHOOTING

7.1. Desk Instability

- **Issue:** Desk wobbles or feels unstable.
- **Solution:** Check all assembly screws and bolts. Ensure they are fully tightened. Verify that the desk is placed on a level surface.

7.2. LED Lights Not Working

- **Issue:** LED lights do not turn on or flicker.
- **Solution:** Ensure the LED strip is properly connected to its power source and the power source is plugged into a functional outlet. Check the inline controller for any damage.

7.3. Power Outlets/USB Ports Not Functioning

- **Issue:** Devices plugged into the power strip do not receive power.
- **Solution:** Verify that the power strip's main cord is securely plugged into a live wall outlet. Test the wall outlet with another device. Ensure devices are correctly inserted into the outlets/ports.

7.4. Drawers Not Sliding Smoothly

- **Issue:** Fabric drawers are difficult to open or close.
- **Solution:** Check for any obstructions inside the drawer slots. Ensure the drawer unit frame is assembled correctly and not warped.

8. SPECIFICATIONS

Feature	Detail
Brand	ODK
Model Number	ZJZ-U-1005
Color	Black
Dimensions (L x W x H)	167 cm x 102 cm x 89 cm
Item Weight	27.7 Kilograms
Material	Engineered Wood, Metal Frame, Fabric Drawers
