› ODK Reversible L-Shaped Corner Desk with 2 Outlets and 2 USB Ports, LED, 135x110 cm (Grey Oak) - User Manual

ODK ZJZ-TC-4D

ODK Reversible L-Shaped Corner Desk with 2 Outlets and 2 USB Ports, LED, 135x110 cm (Grey Oak)

Model: ZJZ-TC-4D

INTRODUCTION

Thank you for choosing the ODK Reversible L-Shaped Corner Desk. This manual provides comprehensive instructions for the safe assembly, proper operation, and effective maintenance of your new desk. Please read this guide thoroughly before beginning assembly or use to ensure optimal performance and longevity of your product.

SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- **Anchoring:** Ensure the desk is properly anchored to the wall using the provided anti-tip kit to prevent tipping, especially if children are present.
- **Weight Capacity:** Do not exceed the recommended weight capacity for any part of the desk. Refer to the specifications section for details.
- **Electrical Safety:** Only use the integrated power outlets and USB ports with compatible devices. Do not overload the power strip. Keep liquids away from electrical components.
- **Assembly:** Assemble the desk on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are securely tightened before use.
- **Placement:** Place the desk on a level surface to ensure stability. Avoid placing it in direct sunlight or near heat sources to prevent material degradation.

PACKAGE CONTENTS

Before assembly, please verify that all components are present and undamaged. Each part is clearly labeled to facilitate the assembly process. Refer to the detailed assembly guide included in your package for a complete list of parts and hardware.

- Desk panels (labeled A, B, C, etc.)
- Metal frame components

- Fabric drawers (4 units)
- Adjustable monitor stand
- Integrated power strip with 2 AC outlets and 2 USB ports
- LED lighting strip with remote control
- Assembly hardware (screws, bolts, Allen wrench, etc.)
- Anti-tip kit
- Instruction manual

SETUP AND ASSEMBLY

The ODK L-Shaped Corner Desk is designed for straightforward assembly. All parts are clearly labeled, and detailed instructions are provided in the included assembly guide. It is recommended to have two people for assembly to ensure stability and ease of handling larger components.

1. Reversible Design

This desk features a reversible design, allowing you to configure the L-shape to either the left or right side to best suit your space. Decide on your preferred orientation before starting assembly.

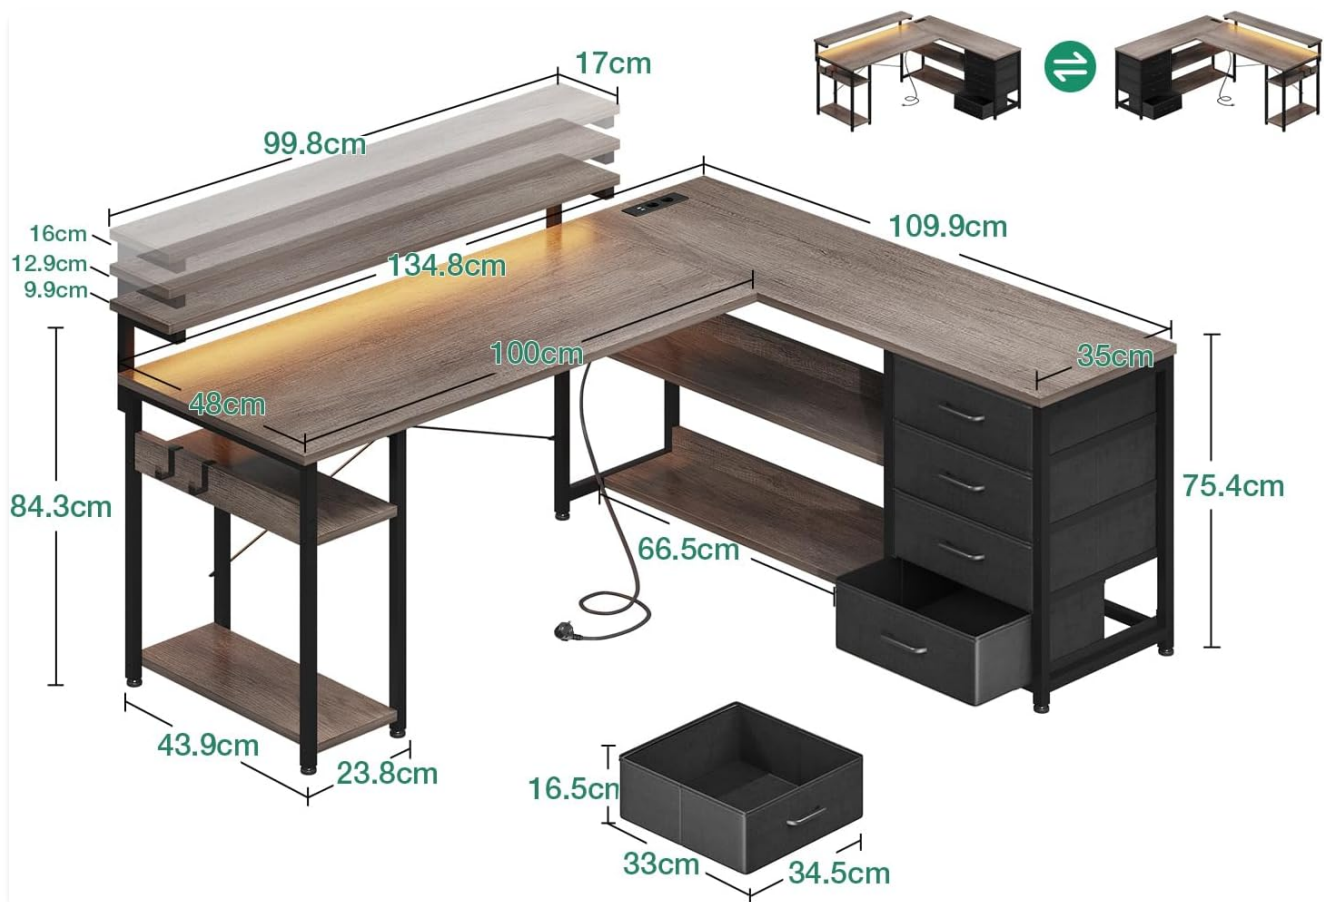

Image: Desk dimensions and illustration of the reversible L-shaped configuration.

2. Monitor Stand Assembly

The ergonomic monitor stand is adjustable in height to help reduce strain on your back and neck. Attach the monitor stand according to the assembly guide, selecting one of the three available height settings (10cm, 13cm, 16cm) during installation.

3. Storage Features

The desk includes ample storage solutions to keep your workspace organized:

- **4 Fabric Drawers:** Assemble the fabric drawers and insert them into the designated compartments. These provide enclosed storage for office supplies, documents, and personal items.
- **2 Open Shelves:** Utilize the open shelves for easy access to books, files, or decorative items.
- **Iron Hook:** Attach the iron hook to the side of the desk for hanging headphones, bags, or other accessories.
- **CPU Stand:** A dedicated space is provided for your computer tower, keeping it off the floor and easily accessible.

OPERATING INSTRUCTIONS

1. LED Lighting

The integrated LED lighting strip offers 10 colors and 10 lighting modes to customize your workspace ambiance. Connect the LED strip to a power source and use the included remote control to select your desired color and mode. The LED strip features a memory function, retaining your last setting when powered off and on.

2. Power Outlets and USB Ports

The desk is equipped with 2 standard power outlets (220-250V/15A) and 2 USB charging ports (5V/2.1A) for convenient access to power. Simply plug your devices into the integrated power strip. Ensure the desk's main power cable is connected to a wall outlet.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your ODK desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. For the fabric drawers, spot clean with a mild detergent and allow to air dry.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **Electrical Components:** Keep the power outlets and USB ports free from dust and debris. Do not attempt to repair electrical components yourself.
- **LED Strip:** Handle the LED strip gently. If it becomes dirty, wipe with a dry, soft cloth.

TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common troubleshooting steps:

- **Desk is unstable/wobbly:**
 - Ensure all assembly screws are fully tightened.
 - Verify the desk is placed on a level surface. Adjust floor glides if available.
- **LED lighting not working:**
 - Check if the LED strip is securely connected to its power source.
 - Ensure the main power cable for the desk is plugged into a functional wall outlet.
 - Replace the remote control battery if necessary.
- **Power outlets/USB ports not functioning:**
 - Confirm the desk's main power cable is securely plugged into a working wall outlet.
 - Test the wall outlet with another device to ensure it has power.
 - Check if the power strip has a reset button (if applicable) and press it.
 - Ensure devices are properly inserted into the outlets/ports.
- **Missing or damaged parts during assembly:**
 - Refer to the package contents list and assembly guide to confirm all parts.

- Contact ODK customer support for assistance with replacement parts.
