

VIVOSUN TO-0002

VIVOSUN Garden Tool Organizer (Model TO-0002) Instruction Manual

Heavy Duty Steel Tool Rack for Garage, Shed, Home, and Outdoor Use

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your VIVOSUN Garden Tool Organizer, Model TO-0002. This heavy-duty steel tool rack is designed to efficiently store up to 35 long-handled tools and other gardening or household items, helping to organize your garage, shed, home, or outdoor spaces.

2. SAFETY INFORMATION

- Always assemble the organizer on a flat, stable surface.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload the organizer beyond its stated capacity of 35 tools.
- Utilize the provided PE cable ties to anchor the rack to a wall for enhanced stability and to prevent tipping, especially in areas with uneven ground or high traffic.
- Keep small parts away from children during assembly.
- Avoid placing sharp or heavy objects in a manner that could cause injury or damage if they fall.

3. SETUP AND ASSEMBLY

Follow these steps to assemble your VIVOSUN Garden Tool Organizer. Refer to the included hardware and the specifications diagram for component identification.

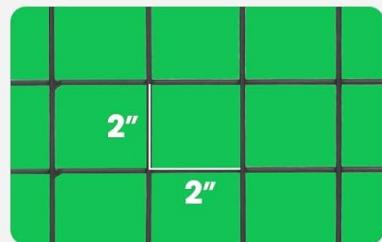

3.1. Components Overview

Specifications

Material: Coated Steel

Dimensions: 17" x 12" x 29.8"

Max. Capacity: 35 Tools

Mesh Opening Dimensions

3.2. Assembly Steps

1. Attach the height-adjustable feet to the bottom of the main frame pieces. Ensure they are securely threaded.
2. Connect the horizontal bars to form the base and top frames using the provided screws and hex key.
3. Insert the mesh shelves into the designated slots on the frame. Secure them with screws.
4. Once the main structure is assembled, adjust the height-adjustable feet to ensure the organizer stands level and stable on your chosen surface.
5. For maximum stability, especially on uneven surfaces or if storing many tools, use the PE cable ties to anchor the top of the organizer to a nearby wall.

3.3. Assembly Video Guide

For a visual guide on the assembly process, please watch the official VIVOSUN installation video below:

4. OPERATING INSTRUCTIONS

The VIVOSUN Garden Tool Organizer is designed for versatile storage of various tools. Its triple-tier steel structure and 35 tool holding grids allow for efficient organization.

4.1. Tool Placement

- Utilize the top grids for long-handled tools such as shovels, rakes, brooms, and mops. The grids help keep tools upright and separated.
- The middle and bottom shelves can accommodate smaller tools, gardening supplies, cleaning products, or other items.
- The durable steel mat on the bottom shelf helps protect tool heads and captures debris, keeping your storage area cleaner.

4.2. Capacity

The organizer can hold up to 35 tools, depending on their size and shape. Distribute the weight evenly to maintain stability.

5. MAINTENANCE

- **Cleaning:** Wipe down the steel frame and shelves with a damp cloth as needed. For stubborn dirt, a mild soap solution can be used. Dry thoroughly to prevent rust.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Rust Prevention:** The organizer is made from coated steel for rust resistance. However, prolonged exposure to harsh outdoor elements may affect its finish. Consider placing it in a covered area if used outdoors.

6. TROUBLESHOOTING

- **Organizer is wobbly:** Ensure all assembly screws are fully tightened. Adjust the height-adjustable feet to compensate for uneven floor surfaces. If possible, anchor the rack to a wall using the provided PE cable ties for maximum stability.
- **Tools do not fit into grids:** The grids are designed for standard long-handled tools. Tools with unusually thick or oversized handles may not fit. Consider placing such tools on the lower shelves or hanging them if they have appropriate loops.
- **Difficulty with assembly:** Review the assembly video and instructions carefully. Ensure all parts are correctly oriented before tightening screws. Do not force components together. If issues persist, contact customer support.

7. SPECIFICATIONS

Feature	Detail
Model Number	TO-0002
Material	Alloy Steel
Color	Black
Product Dimensions (D x W x H)	11.8" x 16.9" x 28.7"

Feature	Detail
Item Weight	2.57 pounds (1.17 Kilograms)
Special Feature	Rust Resistant
Finish Type	Powder Coated
Number of Shelves	3
Mounting Type	Floor Mount (Wall anchor optional)
Assembly Required	Yes
Max. Tool Capacity	Up to 35 tools
