Keyluv Twin Upholstered LED Bed Frame with Storage Drawer

Instruction Manual - Model: FSTHGC

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Weight Capacity:** Do not load more than 800 pounds on the bed frame. Exceeding this limit may cause instability or collapse.
- **Sharp Edges:** Exercise caution when handling components with potentially sharp edges during assembly.
- **Assembly:** Follow the assembly instructions precisely to ensure the bed frame is stable and safe for use. Incorrect assembly can lead to instability or collapse.
- **LED Lights:** Use the LED lighting system as intended. Avoid direct prolonged eye exposure to the LED lights.
- **Children:** Keep small parts away from children during assembly.

2. PRODUCT OVERVIEW

The Keyluv Twin Upholstered LED Bed Frame is designed for comfort and functionality. It features a curved, button-tufted headboard upholstered in soft leather fabric, providing comfortable back support. The headboard is adorned with a crown shape and integrated LED lights, offering a customizable lighting experience.

This platform bed includes solid wooden slats for mattress support, eliminating the need for a box spring. A large storage drawer is integrated into the design, offering convenient space for clothes or toys. The bed frame also provides 7.3 inches of clearance underneath for air circulation and easy cleaning.

Key Features:

- Upholstered headboard with crystal button tufting and crown design.
- Integrated RGB LED lights with over 60,000 colors, adjustable brightness, speed, mode, and timing functions via app or remote control.
- Adjustable headboard height (50-52 inches).
- One large storage drawer with hook and loop tape closure (Twin size).
- Sturdy steel frame and 12 strong wooden slats for durability and stability.

- EVA strips to minimize noise from metal-on-wood friction.

6. MAINTENANCE

Proper care will extend the life and appearance of your bed frame.

- **Cleaning:** Wipe the upholstered surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary.
- **LED Lights:** Ensure the LED light strip and wiring are not damaged. If damage occurs, discontinue use and contact support.

7. TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common solutions:

- **Squeaking Noises:** Ensure all bolts are securely tightened. The EVA strips on the slats are designed to reduce noise; verify they are properly in place.
- **LED Lights Not Working:** Check the power connection to the LED strip. Ensure the remote control has working batteries and is pointed correctly. If using the app, verify Bluetooth connection.
- **Drawer Sticking:** Ensure the drawer is properly aligned on its wheels and that no obstructions are preventing smooth movement. Clean any debris from the drawer's path.
- **Bed Frame Instability:** Re-check all assembly steps, ensuring all components are correctly installed and tightened. Do not exceed the maximum weight capacity.
