1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Lyromix 43-inch XL Dog Crate Furniture. This product is designed to offer a secure and comfortable space for your medium to large dog while also serving as a functional piece of furniture, such as an end table. Please read these instructions carefully before assembly and use to ensure proper setup and safe operation.

Figure 1.1: Lyromix 43-inch XL Dog Crate Furniture in use.

## 2. SAFETY INFORMATION

---

Always prioritize the safety of your pet and household. Adhere to the following safety guidelines:

- Ensure all components are securely fastened during assembly. Regularly check for loose parts.
- Do not allow children to climb on or play inside the dog crate.
- Place the crate on a flat, stable surface to prevent tipping.
- Do not overload the top surface of the crate. Refer to specifications for weight limits.
- This crate is designed for indoor use. Exposure to outdoor elements may compromise its structural integrity and finish.
- Ensure your dog's collar or tags cannot get caught on any part of the crate.
- Never leave a dog unattended for extended periods, especially if they exhibit anxiety or destructive chewing behavior. This crate is not designed for dogs with severe separation anxiety or extreme chewing habits, as it may

lead to injury or damage to the product.

- Keep small children and pets away from assembly area during installation.

## 3. PARTS LIST

---

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, contact customer support immediately.

### 3.1 Main Components

1. Top Panel (Particle Board)
2. Bottom Panel (Particle Board)
3. Side Panels (Iron Pipe Frame with Bars) - 2 units
4. Back Panel (Iron Pipe Frame with Bars) - 1 unit
5. Front Doors (Iron Pipe Frame with Bars) - 3 units

### 3.2 Hardware and Accessories

1. Assembly Screws (various sizes)
2. Door Latches/Locks
3. Adjustable Feet (4 units)
4. Hex Key / Allen Wrench
5. Instruction Manual

# Use Separate Dog Crates

Expansive dog crates designed for optimal pooch pleasure

Figure 3.1: Example of crate components (refer to actual parts list in packaging).

## 4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Lyromix Dog Crate Furniture. It is recommended to have two people for assembly.

### 4.1 Preparation

- Clear a spacious area for assembly.
- Lay out all parts and hardware, comparing them with the parts list.
- Keep the provided hex key and a Phillips head screwdriver handy.

### 4.2 Step-by-Step Assembly

1. **Attach Side Panels to Bottom Panel:** Position the bottom panel on a flat surface. Secure the two side panels to the bottom panel using the designated screws. Ensure the pre-drilled holes align.

2. **Install Back Panel:** Connect the back panel to the assembled side and bottom panels. Fasten securely with screws.
3. **Attach Top Panel:** Carefully place the top panel onto the assembled structure. Align the holes and secure it with screws.
4. **Install Doors:** Attach the three front doors to the designated openings using the provided hinges and screws. Ensure the doors swing freely and align correctly.
5. **Secure Latches:** Install the safety door latches on each door. Test each latch to ensure it operates smoothly and securely.
6. **Attach Adjustable Feet:** Screw the four adjustable feet into the bottom corners of the crate. Adjust them as needed to ensure the crate is level and stable on your floor.

Figure 4.1: Assembled crate with open doors, demonstrating accessibility.

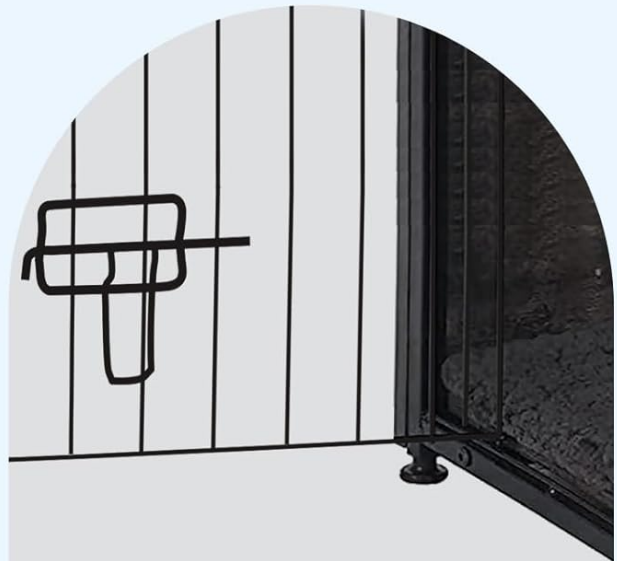

# Reinforced Iron Tubes

Provide a lasting, comfortable home for your dog

**Ours**

0.37" thick iron pipe  
Stronger and more chew-resistant

**Others**

0.15" thin wire  
Easily broken and unsafe

Figure 4.2: Detail of reinforced iron tubes for enhanced durability.

## Waterproof Surface

Shielding your tabletops,  
worry-free

## Safety Door Lock

Ensuring premium  
locking solutions for  
your peace of mind

## Stability in Style

Fine-Tune your furnishings  
with adjustable feet

Figure 4.3: Key features: waterproof surface, secure door lock, and adjustable feet for stability.

## 5. OPERATING INSTRUCTIONS

### 5.1 Door Operation

The Lyromix Dog Crate features three doors for convenient access. To open a door, slide the latch mechanism and pull the door outwards. To close, push the door firmly into place and engage the latch until it clicks securely.

# Product Dimention

Internal dimensions: 41.57"W×28.43"D×31.89"H

Figure 5.1: Three-door design for versatile access.

## 5.2 Combination Options

This modular dog crate can be used as a single unit or combined with other Lyromix units to create larger or multi-level configurations. Ensure all combined units are securely connected and stable before use.

- **Single Crate:** Use as a standalone unit.
- **Stackable Crates:** Stack two units vertically for multiple dogs or to save floor space. Ensure the bottom unit is stable and the top unit is securely placed.
- **Large TV Dog Crate:** Combine two units horizontally to form a wider enclosure, suitable for larger dogs or as a TV stand.
- **L-shaped Corner Crate:** Arrange multiple units to fit into a corner space, optimizing room layout.

Figure 5.2: Versatile combination options for different needs.

### 5.3 Sizing Your Dog

To ensure your dog's comfort, measure your dog accurately before placing them in the crate. Add 4 inches to both length and height measurements to allow for adequate space.

- **Length:** Measure your dog from the tip of the nose to the base of the tail while standing. Add 4 inches.
- **Height:** Measure your dog from the top of the head (or ears, if taller) to the floor while sitting. Add 4 inches.
- For dogs that prefer to sprawl, ensure the crate dimensions accommodate their full stretched-out length and width.

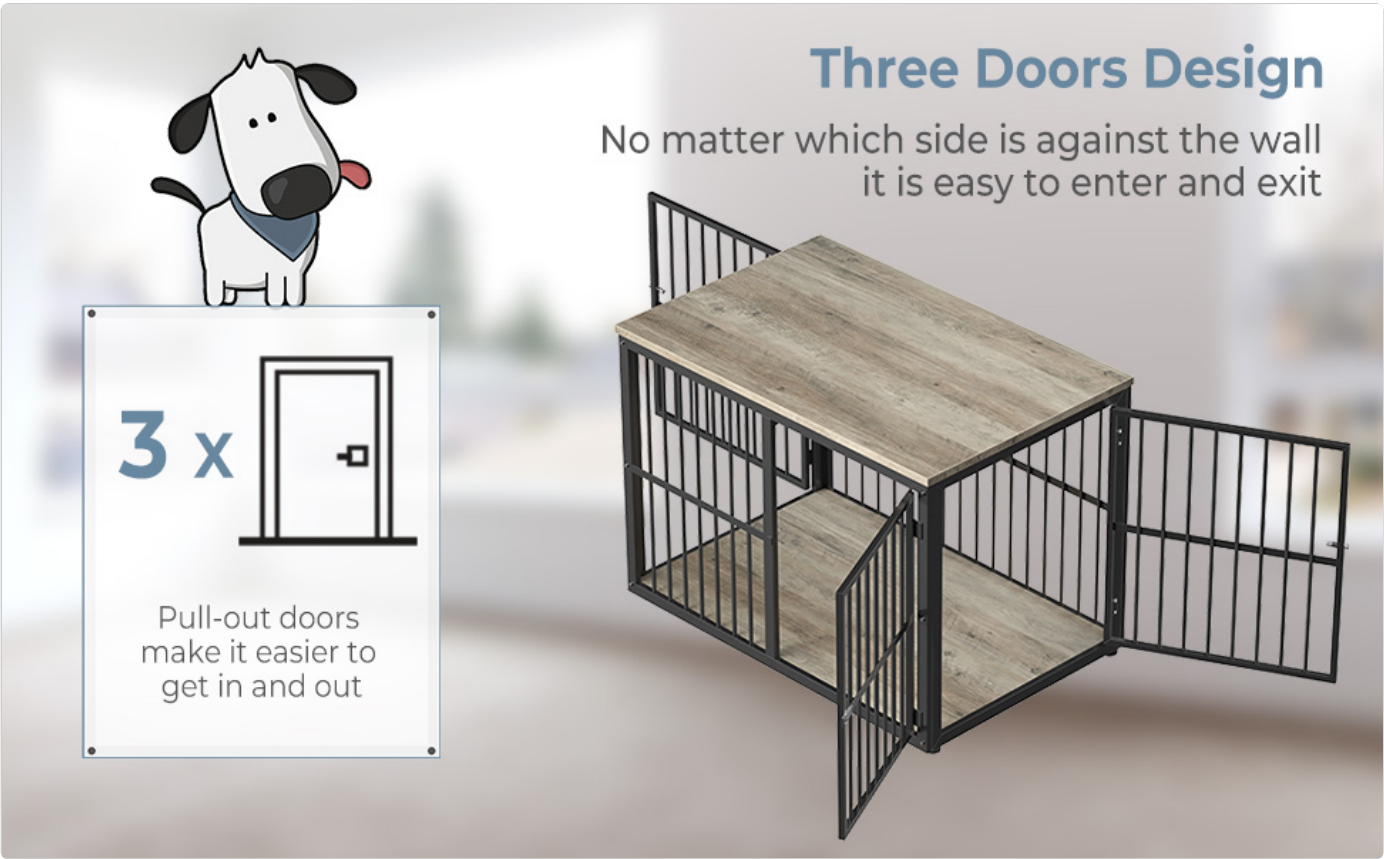

Figure 5.3: Guide to measuring your dog for optimal crate fit.

## 6. MAINTENANCE

### 6.1 Cleaning

- Wipe down the particle board surfaces with a damp cloth and mild, pet-safe cleaner. Avoid abrasive cleaners.
- The iron pipe bars can be cleaned with a damp cloth. Dry thoroughly to prevent rust.
- For spills on the top surface, wipe immediately due to its waterproof properties to prevent liquid from seeping into seams.

### 6.2 Regular Checks

- Periodically inspect all screws and connections to ensure they remain tight. Tighten any loose fasteners.
- Check door latches for proper function and wear.
- Examine the crate for any signs of damage, especially if your dog is a chewer. Replace damaged parts if necessary.

## 7. TROUBLESHOOTING

This section addresses common issues you might encounter with your Lyromix Dog Crate Furniture.

| Problem                            | Possible Cause  | Solution   |
|------------------------------------|---|--|
| Crate feels wobbly after assembly. | Screws are not fully tightened; adjustable feet are uneven. | Ensure all assembly screws are tightened. Adjust the leveling feet on the bottom of the crate until it is stable on the floor. |

| Problem                                   | Possible Cause  | Solution  |
|---|---|---|
| Doors do not close or latch properly.     | Hinges or latches are misaligned; obstruction.                      | Check that hinges are correctly installed and tightened. Ensure no debris is obstructing the latch mechanism. Re-align doors if necessary.  |
| Dog attempts to chew on crate components. | Anxiety; lack of appropriate chew toys; insufficient training.      | Provide durable chew toys. Consult a professional dog trainer for anxiety or destructive behavior. This crate is not suitable for severe chewers.                                 |
| Difficulty combining multiple units.      | Incorrect orientation; missing connection hardware (if applicable). | Refer to the combination diagrams in the operation section. Ensure units are oriented correctly. If specific connection hardware is required for combinations, ensure it is used. |

## 8. PRODUCT SPECIFICATIONS
