Yaheetech Elevated Wood Raised Garden Bed Instruction Manual

Model: YT-00132559-47VC9

PRODUCT OVERVIEW

The Yaheetech Elevated Wood Raised Garden Bed is designed for convenient and efficient gardening. Constructed from durable fir wood, this planter features 8 individual growing grids, a foldable side table, and a lower storage shelf. Its elevated design reduces the need for bending, making gardening more accessible and enjoyable.

Image: The Yaheetech Elevated Wood Raised Garden Bed, fully assembled and filled with various plants, including herbs and flowers. A foldable side table is extended, holding small gardening tools. A lower slatted shelf holds a watering can and other supplies.

PACKAGE CONTENTS

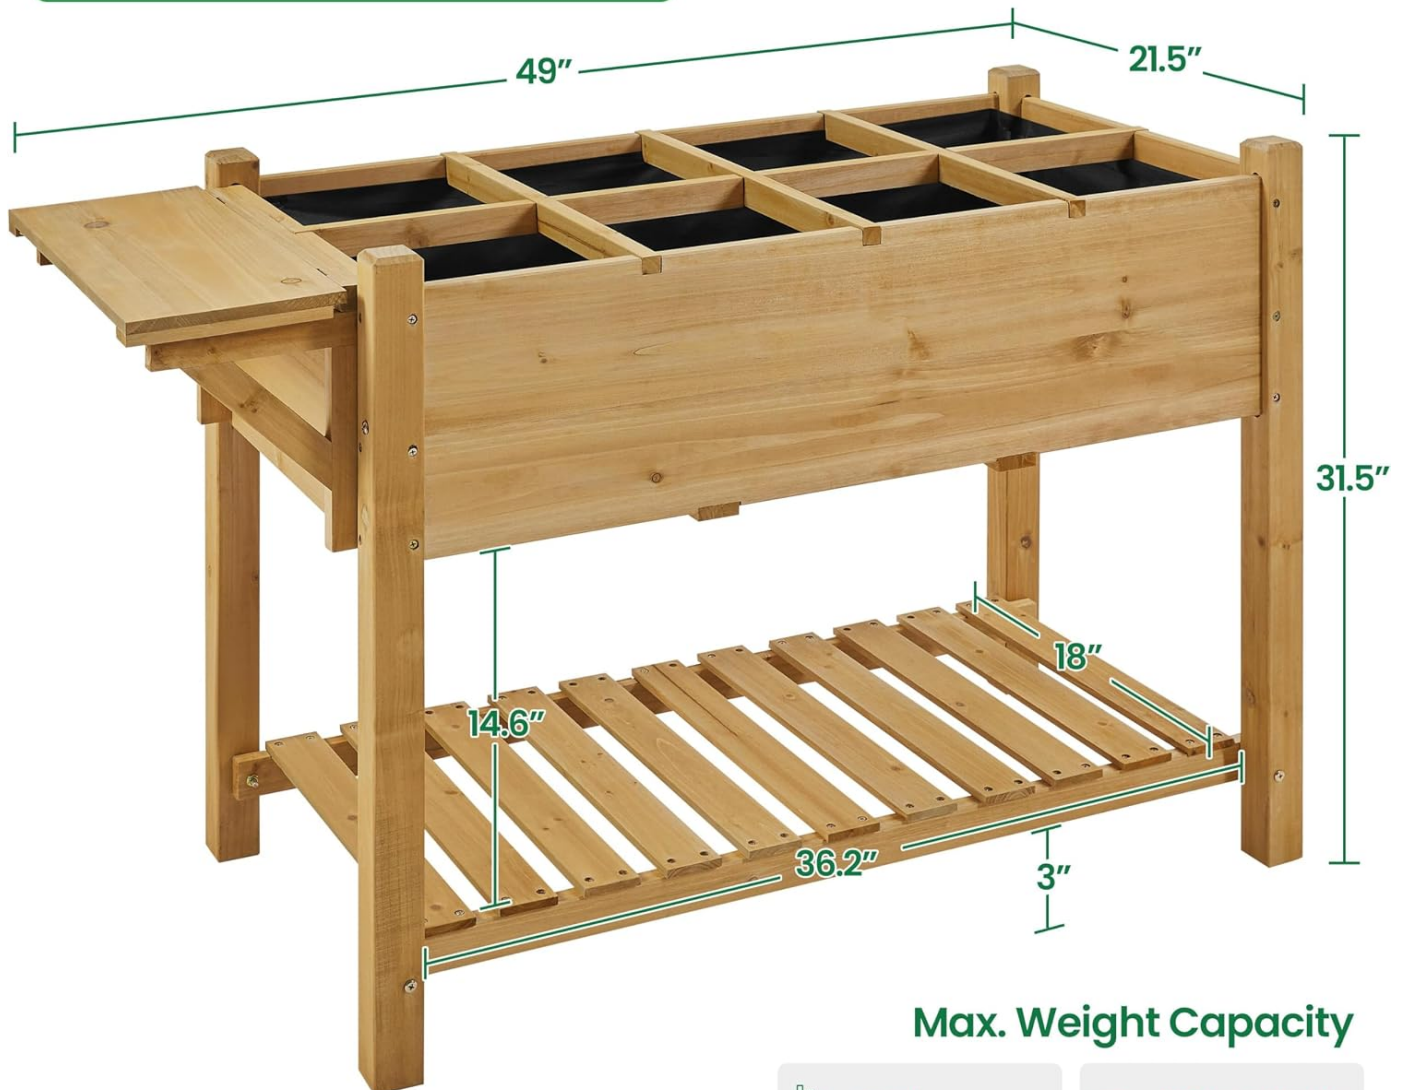

Before beginning assembly, please ensure all components are present and undamaged. Refer to the included instruction manual for a detailed parts list.

- Wooden panels for planter box (numbered for assembly)
- Wooden legs and support beams
- Foldable side table components
- Lower storage shelf slats
- Non-woven fabric liner
- 8 removable grow grid dividers
- Hardware (screws, bolts, nuts - typically labeled A, B, C, D, E)

- Assembly tools (screwdriver, wrench - may not be included, user may need to provide)

**8 GRIDS FOR GROWING
8 DIFFERENT PLANTS**

Max. Weight Capacity

• Total:

441 lb

• Bottom Shelf:

110 lb

SETUP AND ASSEMBLY

Assembly typically takes approximately 30-40 minutes with a power drill/screwdriver. Follow the numbered and lettered instructions carefully. Ensure all pieces are correctly oriented before tightening screws.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list.
2. Assemble the main frame of the planter box by attaching the side panels to the legs using the provided hardware. Pay attention to the numbered labels on each piece.
3. Attach the foldable side table mechanism to the main frame. Ensure the hinges are securely fastened.
4. Assemble the lower slatted storage shelf and attach it to the bottom supports of the main frame.
5. Insert the non-woven fabric liner into the main planter box, ensuring it covers the bottom and sides to retain soil and

moisture.

6. Place the 8 removable grow grid dividers into the designated slots within the planter box. These can be removed for larger planting areas.
7. Secure all connections with the appropriate screws and bolts, ensuring the structure is stable.

Assembly Tips:

- Use a power drill with appropriate bits for faster and more secure assembly.
- Ensure the "minus" sign on the cam locks (if applicable) is correctly aligned for proper locking.
- When attaching the base panels, ensure the L-shaped notches align with the corners for a perfect fit.
- Some steps may require flipping the unit upside down for easier access; follow the instructions carefully.

OPERATING INSTRUCTIONS

Planting:

- Fill the fabric-lined planter box with appropriate soil for your chosen plants.
- Utilize the 8 grow grids to separate different types of herbs, vegetables, or flowers, preventing root entanglement and allowing for varied planting.
- For larger plants, remove the dividers to create a more expansive growing area.

Watering and Drainage:

- The fabric liner helps retain moisture while the 4 drainage holes at the bottom prevent waterlogging, ensuring plants can breathe freely.
- Water plants as needed, observing soil moisture levels.

Using the Foldable Side Table and Storage Shelf:

- Extend the foldable side table to hold gardening tools, seed packets, or small pots while working. Fold it down when not in use to save space.
- The lower slatted shelf provides convenient storage for larger items like watering cans, soil bags, or extra planters.

MAINTENANCE

- Regularly check the wood for any signs of wear or damage.
- Clean the planter as needed with a damp cloth. Avoid harsh chemicals.
- Ensure proper drainage to prevent wood rot.
- For prolonged outdoor use, consider applying a weather-resistant sealant to the fir wood annually.

High Quality Material

Selected fir wood and thick board panels make the planter durable even for outdoor use
