QMAN K28013 Hot Pot Restaurant Building Toy Set

Instruction Manual

1. PRODUCT OVERVIEW

The QMAN K28013 Hot Pot Restaurant Building Toy Set is designed to provide an engaging and educational building experience. This multi-colored construction set allows children to build a detailed hot pot restaurant model, fostering creativity and developing essential skills.

Key benefits include:

- Enhances fine motor skills.
- Improves creative thinking abilities.
- Develops color and shape recognition.
- Promotes hand-eye coordination.
- Helps young children understand real-life concepts through play.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. This toy contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play to prevent accidental ingestion of small pieces.

- Keep all packaging materials away from children to avoid suffocation risks.
- Inspect all pieces before assembly for any damage. Do not use damaged parts.
- Ensure all connections are secure during assembly to prevent parts from detaching during play.
- This product is made of plastic. Avoid exposing it to extreme heat or open flames.

3. SETUP AND ASSEMBLY

The QMAN K28013 Hot Pot Restaurant Building Toy Set does not require pre-assembly of components. The entire set is designed for construction by the user following the included visual instructions (not provided in this manual). Please refer to the separate building guide for step-by-step assembly instructions.

Getting Started:

1. Unpack all components from the box.
2. Verify that all pieces are present according to the parts list in the separate building guide.
3. Begin construction by following the numbered steps in the building guide.
4. Ensure pieces are firmly connected to create a stable structure.

4. OPERATING INSTRUCTIONS (PLAY)

Once the QMAN K28013 Hot Pot Restaurant is fully assembled, it is ready for imaginative play. The set features multi-colored toy pieces that provide a fun and realistic experience for young children.

- Encourage children to create their own stories and scenarios around the hot pot restaurant theme.
- The set is designed for open-ended play, allowing for various interactions with the built structure.
- Combine with other building block sets for expanded play possibilities.

5. MAINTENANCE

Proper care will ensure the longevity of your QMAN K28013 building toy set.

- **Cleaning:** To clean the plastic pieces, wipe them gently with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly with water. Allow all pieces to air dry completely before storing.
- **Storage:** Store the toy set in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or color fading. Keep all small pieces in a designated container to avoid loss.
- **Inspection:** Periodically inspect all pieces for wear and tear. Replace any broken or severely damaged parts to maintain safety and play quality.

6. TROUBLESHOOTING

If you encounter any issues with your QMAN K28013 Hot Pot Restaurant Building Toy Set, please refer to the following common solutions:

- **Missing Pieces:** If you find any pieces missing upon opening the box, please contact the retailer or manufacturer's customer service for assistance.
- **Difficulty Connecting Pieces:** Ensure that pieces are aligned correctly and apply gentle, even pressure. Avoid forcing pieces together, as this can cause damage.
- **Loose Connections:** Double-check that all studs and holes are fully engaged. If a piece consistently feels loose, it may be slightly warped or damaged and might need replacement.
