Flever Warm House

Flever Dollhouse Miniature DIY House Kit - Warm House Instruction Manual

Brand: Flever | Model: Warm House

INTRODUCTION

This manual provides detailed instructions for assembling and operating your Flever Dollhouse Miniature DIY House Kit, 'Warm House' model. This kit is designed for enthusiasts aged 14 and up, requiring patience and attention to detail. Please read all instructions carefully before beginning assembly.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - SMALL PARTS!

- This kit contains small parts and sharp tools. Keep out of reach of children under 14 years of age.
- Exercise caution when handling sharp tools such as scissors and knives.
- Ensure proper ventilation when using glue.

PACKAGE CONTENTS

The 'Warm House' kit includes the following components:

- Pre-cut MDF wooden pieces for the house structure and furniture.
- Fabric and printed paper for decorations and accessories.
- Plexiglass pieces for the dust cover (if applicable to your specific kit).
- LED light wires.
- Papery English Manual (contact seller for PDF if not included).
- Toolkit including scissors, knife, tweezers, ruler, and screwdriver.

The following items are **not included** and must be supplied by the user:

- Batteries: 3 pcs of LR44 button cells are required for the LED lights.
- Glue: Quick-dry tacky glue is recommended for assembly.

All the materials needed for assembly are included, allowing you to enjoy the fun of DIY effortlessly.

ASSEMBLY GUIDE

Assembly time typically ranges from 12-18 hours, depending on individual experience. Refer to the included paper manual for step-by-step instructions and diagrams. The following provides a general overview and visual aids.

- 1. Preparation:** Unpack all components and organize them according to the numbering in the manual. Ensure you have all necessary tools and unincluded items (batteries, glue).
- 2. Structure Assembly:** Begin by assembling the main wooden structure of the house. Follow the diagrams carefully to connect walls, floors, and the roof.
- 3. Furniture and Accessories:** Assemble the miniature furniture pieces and prepare the decorative elements using the provided fabric and paper.
- 4. Wiring LED Lights:** Install the LED light wires as indicated in the manual. This step often requires careful routing and connection.
- 5. Final Touches:** Place all furniture and accessories within the dollhouse. Secure any plexiglass dust cover if your kit includes one.

OPERATING INSTRUCTIONS

LED Lights

Once the LED light wires are correctly installed and connected to the battery pack (requires 3 LR44 button cells, not included), the lights can be turned on to illuminate the miniature house. Refer to your paper manual for the exact location of the battery compartment and switch.

LED Lights Demonstration Video

MAINTENANCE

To ensure the longevity and appearance of your miniature dollhouse, follow these maintenance guidelines:

- **Cleaning:** Gently dust the dollhouse and its components with a soft, dry brush or cloth. Avoid using water or chemical cleaners, as they may damage the materials.
- **Storage:** Store the dollhouse in a dry, cool place away from direct sunlight and extreme temperatures to prevent warping or fading of materials.
- **Handling:** Handle the assembled dollhouse with care, especially when moving it, to avoid dislodging small parts or damaging delicate structures.
- **Battery Replacement:** Replace LR44 button cells when the LED lights dim or stop working. Ensure correct polarity when inserting new batteries.

TROUBLESHOOTING

If you encounter any issues during assembly or operation, consider the following common solutions:

- **Missing Parts:** Double-check all packaging and the parts list in your paper manual. If parts are genuinely missing, contact Flever customer support.
- **Unclear Instructions:** Refer to the detailed diagrams in the paper manual. If clarification is still needed, search for official assembly videos or contact customer support.
- **LED Lights Not Working:** Ensure batteries are correctly installed and are fresh. Check all wire connections for looseness or damage.
- **Parts Not Fitting:** Verify that you are using the correct pieces as per the manual. Some parts may require gentle sanding or trimming for a perfect fit.

SPECIFICATIONS

Product Dimensions (Finished)	3.3" (Length) x 2.4" (Width) x 3.9" (Height)
Item Weight	9.1 ounces (0.6 pounds)
Scale	1:100
Recommended Age	14 years and up
Model Number	Flever-B-Dream Bottle Series
