Brookstone 4-Piece Packing Cube Set

Brookstone 4-Piece Packing Cube Set Instruction Manual

Model: 4-Piece Packing Cube Set

1. PRODUCT OVERVIEW

The Brookstone 4-Piece Packing Cube Set is designed to enhance travel organization by efficiently compartmentalizing clothing and accessories within your luggage. This set includes three packing cubes of varying sizes and one dedicated shoe bag, all crafted from durable, tear-resistant polyester fabric.

Each packing cube features a mesh front for easy content identification, two-way zippers for convenient access, and integrated grab handles for effortless handling. The accompanying shoe bag provides a separate compartment for footwear, accommodating up to men's size 13.

2. SETUP AND PREPARATION

The Brookstone Packing Cube Set requires minimal setup. Upon receiving the product, remove all items from their packaging.

1. **Unpack:** Carefully remove the three packing cubes and the shoe bag from any protective wrapping.
2. **Inspect:** Check all zippers and seams for any signs of damage.
3. **Familiarize:** Identify the different sizes of the packing cubes (large, medium, small) and the dedicated shoe bag.

The cubes are ready for use immediately after unpacking.

3. OPERATING INSTRUCTIONS

Follow these steps to effectively use your packing cubes and shoe bag for travel organization:

1. **Sort Items:** Group your clothing and accessories by type, outfit, or destination. This helps in deciding which items go into which cube.
2. **Pack Cubes:** For optimal space utilization, fold or roll your clothes tightly before placing them into the cubes. Fill the cubes evenly to maintain their shape and maximize capacity. The mesh top allows you to see the contents without opening the cube.
3. **Secure Closure:** Use the two-way zippers to securely close each packing cube. Avoid overfilling to prevent strain on the zippers and fabric.
4. **Utilize Shoe Bag:** Place one pair of shoes into the dedicated shoe bag. Ensure the shoes are clean

to prevent soiling other items. The shoe bag is designed to keep footwear separate from clean clothes.

5. **Arrange in Luggage:** Place the filled packing cubes and shoe bag into your suitcase. Their rectangular shape allows for efficient stacking and arrangement, helping to maximize luggage space and keep contents compressed and organized.

Image 3.2: The shoe bag with a pair of shoes, illustrating its function for separate storage.

4. MAINTENANCE AND CARE

Proper care will extend the life of your Brookstone Packing Cube Set.

- **Cleaning:** The packing cubes and shoe bag are made of polyester. For general cleaning, spot clean with a damp cloth and mild soap. For deeper cleaning, hand wash in cold water with a gentle

detergent.

- **Drying:** Air dry completely. Do not machine wash, tumble dry, iron, or bleach, as this may damage the fabric and mesh.
- **Storage:** When not in use, store the cubes and shoe bag in a dry, cool place away from direct sunlight. They can be nested or folded for compact storage.

5. TROUBLESHOOTING

Most issues with packing cubes are minor and easily resolved.

- **Sticking Zippers:** If a zipper becomes difficult to move, apply a small amount of zipper lubricant (e.g., beeswax, graphite from a pencil) to the teeth and gently work the zipper back and forth. Ensure the fabric is not caught in the zipper path.
- **Overpacking:** Avoid forcing zippers closed if a cube is too full. Excessive pressure can lead to zipper failure or fabric tearing. Remove some items and try again, or use a larger cube if available.
- **Wrinkled Clothes:** While packing cubes help compress items, some delicate fabrics may still wrinkle. Consider rolling clothes tightly or using tissue paper between layers for wrinkle prevention.

6. SPECIFICATIONS

Feature	Detail
Brand	Brookstone
Material	Polyester
Color	Navy
Number of Items	4 (3 Packing Cubes, 1 Shoe Bag)
Closure Type	Zipper
Item Weight (Set)	8.1 ounces
