User Manual

68" TALL FARMHOUSE CORNER CABINET

Brand: Hivelood | Model: SQL 63

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Hivelood 68" Tall Farmhouse Corner Cabinet. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of the product. Keep this manual for future reference.

Image: The 68-inch tall farmhouse corner cabinet in rustic white, featuring barn doors and a multi-tiered design, positioned in a room corner.

Safety Information

- **Anti-Tipping Device:** Always install the included anti-tipping device to secure the cabinet to the wall. This prevents accidental tipping, especially important in households with children or pets.
- **Weight Distribution:** Distribute weight evenly across shelves. Avoid placing heavy items on upper shelves exclusively.
- **Assembly:** Follow all assembly instructions carefully. Do not skip steps or use unauthorized parts.
- **Placement:** Place the cabinet on a flat, stable surface. Avoid uneven flooring that could cause instability.

Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 1 x Farmhouse Tall Corner Cabinet (disassembled components)
- All necessary hardware (screws, dowels, hinges, handles, anti-tipping kit)
- Step-by-step instruction manual

Setup and Assembly

Assembly is required for this product. It is recommended to have two people for assembly. Please ensure you have adequate space and the necessary tools (e.g., screwdriver) before starting.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out. Refer to the included parts list

and diagrams to identify each piece. All parts and accessories are labeled.

2. **Assemble Frame:** Follow the step-by-step instructions provided in the separate manual to construct the main frame of the cabinet. Ensure all connections are secure.
3. **Install Shelves:** Insert the adjustable shelves into your desired positions. The cabinet features 3-position adjustable shelves, allowing customization of storage space.
4. **Attach Doors:** Secure the barn doors using the provided hinges and metal decorations. Install the convenient metal handles.
5. **Secure to Wall:** Attach the anti-tipping device to the top rear of the cabinet and secure it to a wall stud using appropriate hardware. This step is crucial for stability.

Operating and Usage

The Hlivelood Farmhouse Corner Cabinet is designed for versatile storage in various rooms.

- **Adjustable Shelves:** The cabinet includes 1 open display storage space and 2 closed storage spaces. Three of these spaces feature adjustable and detachable shelves. To adjust, remove the shelf, reposition the shelf pins to the desired height, and reinsert the shelf.
- **Multi-functional Design:** This cabinet can be utilized as a bathroom corner storage cabinet, kitchen pantry corner cabinet, or a living room tall corner cabinet. Its design maximizes underutilized corner spaces.
- **Storage Capacity:** Ideal for organizing decorations, books, kitchen items, bathroom essentials, and other household goods.

Maintenance

- **Cleaning:** The bathroom corner cabinet features a waterproof surface and anti-rust coating. Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Promptly clean any spills to prevent staining or water damage.
- **Inspection:** Periodically check all hardware and connections to ensure they remain tight and secure. Retighten as necessary.

Troubleshooting

| Problem | Possible Cause | Solution |
|--|--|--|
| Cabinet feels wobbly or unstable. | Not properly secured to the wall; uneven floor; loose hardware. | Ensure the anti-tipping device is correctly installed and anchored to a wall stud. Check that the cabinet is on a level surface. Tighten all assembly hardware. |
| Doors do not close properly or pop open. | Hinges misaligned; magnetic catch not engaging; items obstructing closure. | Adjust hinges to ensure proper door alignment. Verify that the magnetic catch is securely installed and aligned with the metal plate on the door. Ensure no items inside are preventing the door from closing fully. |
| Difficulty during assembly. | Incorrect part identification; holes not aligning. | Double-check part labels against the instruction manual diagrams. Ensure pieces are oriented correctly. If holes do not align, gently adjust the position of the connecting pieces. Do not force screws. |

Specifications

- **Brand:** Hlivelood
- **Model Name:** SQL 63
- **Color:** Rustic White
- **Product Dimensions:** 16.7"D x 23.6"W x 68"H
