LAQUAL 20-29Gallon

LAQUAL 20-29 Gallon Aquarium Stand with Cabinet Instruction Manual

Model: 20-29Gallon

1. INTRODUCTION

The LAQUAL 20-29 Gallon Aquarium Stand with Cabinet is designed to provide a stable and functional base for your aquariums. This manual provides detailed instructions for assembly, usage, and maintenance to ensure safe and optimal performance of your stand.

This stand features a double-tier design, accommodating a 20-29 gallon fish tank on the top platform and a 10 gallon fish tank on the bottom platform. It also includes a cabinet for convenient storage of aquarium accessories.

2. SAFETY INFORMATION

- **Weight Capacity:** The top platform is designed for 20-29 gallon fish tanks, with a maximum weight capacity of 220 lbs. The bottom platform is suitable for 10 gallon fish tanks, with a maximum weight capacity of 66 lbs. Do not exceed these limits.
- **Tank Compatibility:** Ensure your fish tank's dimensions are suitable for this stand. The top platform fits tanks approximately 30"L x 12"W x 18"H. The bottom platform fits tanks approximately 20"L x 10"W x 12"H.
- **Anti-Tipping Device:** An L-shaped corner code (anti-tip kit) is included to prevent accidental tipping. It is highly recommended to install this device for enhanced stability and safety, especially in households with children or pets.
- **Level Surface:** Always place the stand on a flat, level surface. Use the adjustable table feet to compensate for any unevenness in the floor.
- **Water Exposure:** While the stand's surface is painted for water resistance, avoid prolonged exposure to standing water to prevent damage.

- **Fish Tank Not Included:** Please note that the fish tanks shown in product images are for illustration purposes only and are not included with the stand.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components
- Wooden Top Panel
- Wooden Bottom Shelf
- Cabinet Panels and Doors
- Adjustable Table Feet (4x)
- L-shaped Corner Code (Anti-tip kit)
- Assembly Hardware (screws, bolts, hinges, door handles)
- Assembly Tools (Allen key, screwdriver)

4. SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to assemble the stand on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the package contents list.
2. **Assemble Frame:** Connect the metal frame components using the provided screws and tools. Ensure all connections are secure but do not overtighten until the frame is fully assembled.
3. **Attach Panels:** Secure the wooden top panel and bottom shelf to the assembled metal frame.
4. **Install Cabinet:** Assemble the cabinet structure and attach the doors using the hinges. Install the door handles.
5. **Install Adjustable Feet:** Screw the adjustable table feet into the bottom of the stand.
6. **Level the Stand:** Place the stand in its desired location. Adjust each foot individually to ensure the stand is perfectly level. Use a spirit level for accuracy.
7. **Install Anti-Tip Kit:** Secure the L-shaped corner code to the back of the stand and to a wall stud using appropriate hardware. This step is crucial for safety.

Premium Materials & Workmanship

5. OPERATING INSTRUCTIONS

Once assembled and leveled, your LAQUAL aquarium stand is ready for use.

- **Top Platform:** Carefully place your 20-29 gallon fish tank on the top wooden panel. Ensure it is centered and stable.
- **Bottom Platform:** The bottom shelf is suitable for a 10 gallon fish tank. Place it carefully, ensuring it does not exceed the weight limit.
- **Cabinet Storage:** Utilize the integrated cabinet for storing fish food, nets, water conditioners, cleaning supplies, and other aquarium accessories. This helps maintain a tidy environment around your tanks.
- **Cable Management:** A hole is provided in the back of the cabinet to route power cables and tubing, keeping them organized and out of sight.

Perfect for 20-29 Gal & 10 Gal Fish Tank

6. MAINTENANCE

Regular maintenance will help preserve the appearance and longevity of your aquarium stand.

- **Cleaning:** Wipe the stand with a damp cloth to remove dust and spills. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Moisture Protection:** The stand's surface is painted to be water-resistant. Promptly wipe up any water spills to prevent moisture from seeping into the wood or metal.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary. Verify that the adjustable feet are still properly leveled and the anti-tip device is securely attached.

7. TROUBLESHOOTING

- **Stand is Wobbly/Uneven:**
Solution: Ensure the stand is placed on a flat surface. Adjust the individual table feet until the stand is stable and

level. Check that all assembly screws are tightened.

• **Missing Parts or Damaged Components:**

Solution: If you find any parts missing or damaged upon opening the package, do not proceed with assembly. Contact LAQUAL customer support immediately for assistance.

• **Cabinet Doors Do Not Align:**

Solution: Check the hinge installation. Loosen and readjust the hinges as needed to ensure proper door alignment.
