TRIFEBLE SHST061BK

TRIFEBLE End Table with Charging Station

Model: SHST061BK

Introduction

Thank you for purchasing the TRIFEBLE End Table with Charging Station. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions thoroughly before use and retain them for future reference.

Safety Information

- Adjustable feet must be properly set to ensure stability.
- Always follow assembly instructions carefully to avoid injury.
- Do not overload the table as it may tip over.
- Ensure all electrical connections are secure and comply with local safety standards.
- Keep liquids away from the charging station to prevent electrical hazards.

Package Contents

Please verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Tabletop with Built-in Charging Station (2 AC Outlets, 2 USB Ports)
- Metal Frame Components
- Wooden Shelf Boards
- 2 Fabric Drawers
- LED Light Strip with Controller
- Adjustable Feet (4x)
- Accessory Kit (Screws, Allen Key, Screwdriver)
- Instruction Manual

Assembly Instructions

Assembly of the TRIFEBLE End Table is designed to be straightforward. Please follow the step-by-step instructions provided in the included Accessory Kit. A screwdriver and Allen key are provided for your convenience.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Attach the metal frame components using the provided screws and Allen key. Ensure all connections are tightened securely.
3. Install the wooden shelf boards into the designated slots within the frame.
4. Insert the fabric drawers into their respective compartments.
5. Affix the LED light strip to the underside of the top shelf or as indicated in the detailed manual.
6. Screw in the adjustable feet to the bottom of the table legs.
7. Connect the charging station's power cord to a wall outlet.

Product Features

1. LED Light Strip

The end table features a smart LED light strip with over 20 colors and 22 dynamic modes. It can be controlled via a manual key or a phone application to customize color, brightness, and flashing modes.

Figure 2: LED light strip showcasing multiple color options.

2. Built-in Charging Station

Equipped with 2 standard AC outlets and 2 USB ports, the charging station allows you to power multiple devices simultaneously. The integrated 4.9 ft extension cord provides flexible placement options.

Operating Instructions

LED Light Control

The LED light strip can be controlled using the inline manual key or a dedicated smartphone application. Refer to the 'LotusLantern APP Manual' included in your package for detailed instructions on app connectivity and advanced features like music sync and timing functions.

- **Manual Control:** Press the button on the inline controller to cycle through colors and dynamic modes. Long press to turn off/on.
- **App Control:** Download the 'LotusLantern' app (compatible with iOS and Android). Connect via Bluetooth to access a color wheel, brightness adjustments, and various dynamic modes.

Charging Station Use

Simply plug your devices into the available AC outlets or USB ports on the tabletop. The 4.9 ft power cord should be connected to a standard wall outlet.

Maintenance

- **Cleaning:** Wipe the wooden and metal surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fabric Drawers:** The fabric drawers can be spot cleaned with a mild detergent and air-dried. Do not machine wash.
- **Electrical Components:** Ensure the charging station and LED lights remain dry. Do not attempt to disassemble or repair electrical components yourself.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Adjust the feet as needed to maintain stability.

Troubleshooting

Problem	Possible Cause	Solution
Table is wobbly	Uneven floor; loose connections	Adjust the leveling feet; tighten all assembly screws.
LED lights not working	Power cord disconnected; faulty light strip; app connectivity issue	Check power connection; ensure app is correctly paired (refer to app manual); contact support if issue persists.
Charging station not providing power	Power cord disconnected; wall outlet issue; device compatibility	Ensure power cord is fully plugged into a working wall outlet; test with another device; check device's charging requirements.
Drawers do not slide smoothly	Improper assembly; overloaded drawer	Recheck drawer assembly; ensure drawers are not overfilled.

Specifications

Feature	Detail
Brand	TRIFEBLE
