6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the figure. For stubborn dirt, a slightly damp cloth with mild soap can be used, followed by immediate drying. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the figure in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or paint fading.
- **Handling:** Always handle the figure by its main body. Avoid excessive force on joints or small parts to prevent breakage.

7. TROUBLESHOOTING

Issue	Possible Cause	Solution
Joints are stiff.	New figure, paint buildup, or cold temperature.	Gently warm the joint with warm water or a hairdryer (on low setting, from a distance) to loosen. Do not force.
Accessories do not fit.	Misalignment or slight molding variations.	Ensure correct orientation. Gently apply pressure. If still difficult, warm the figure's hand slightly.
Figure does not stand stably.	Improper posing or uneven surface.	Adjust leg and ankle articulation to find a balanced stance. Use a display stand (not included) if necessary.
