JEPRECO PSUP7T-RB

JEPRECO 7-Tier Vertical Plant Stand Instruction Manual

Brand: JEPRECO | Model: PSUP7T-RB

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your JEPRECO 7-Tier Vertical Plant Stand. Please read all instructions carefully before assembly and use to ensure safe and proper functionality of the product. Keep this manual for future reference.

Safety Information

- Ensure all components are securely fastened before placing items on the stand.
- Do not exceed the maximum weight capacity per shelf: 20 lbs (9 kg) for upper shelves, 40 lbs (18 kg) for the bottom shelf.
- Do not allow children to climb on the plant stand.
- Place the stand on a flat, stable surface to prevent tipping.
- Avoid exposing the stand to excessive moisture or direct sunlight for prolonged periods to prevent material degradation.

Image: This diagram illustrates the overall dimensions of the plant stand and the recommended weight limits for each shelf, with upper shelves supporting 20 lbs and the bottom shelf supporting 40 lbs.

Package Contents

Please verify that all parts are present before beginning assembly. Refer to the parts list included in your product packaging. Typical components include:

- MDF Shelves (7 pieces)
- Metal Support Tubes (various lengths)
- Screws and Fasteners
- Anti-slip Foot Pads (6 pieces)
- Assembly Tool (e.g., Allen wrench)

Image: This image highlights the quality features of the stand, showing a water-resistant MDF shelf, a powder-coated iron frame tube, and an anti-slip foot pad, which are key components for assembly.

Assembly Instructions

Assembly is required. All necessary tools are included in the package. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Foot Pads:** Secure the anti-slip foot pads to the bottom of the lowest metal support tubes.
3. **Assemble Base:** Connect the first set of metal support tubes to the bottom shelf using the provided screws and assembly tool. Ensure they are tightened securely.
4. **Build Upwards:** Continue attaching subsequent shelves and metal support tubes in a vertical sequence. Ensure each connection is firm and stable before proceeding to the next level.
5. **Final Tightening:** Once all shelves and tubes are in place, gently re-tighten all screws to ensure maximum stability. Do not overtighten.

6. **Placement:** Carefully move the assembled plant stand to its desired location.

Operating and Usage Instructions

The JEPRECO 7-Tier Vertical Plant Stand is designed for displaying various types of plants and decorative items. Consider the following for optimal use:

- **Plant Placement:** Distribute the weight evenly across the shelves. Place heavier pots on lower shelves for better stability.
- **Plant Types:** This stand accommodates small succulents, medium potted plants, trailing vines, leafy plants, and tall vases or larger planters.
- **Sunlight Exposure:** Position the stand to ensure your plants receive adequate light, considering the vertical arrangement.
- **Versatile Display:** Beyond plants, the shelves can be used to display books, photo frames, figurines, or other decorative items.

Image: This collage demonstrates how the plant stand can be styled in different indoor and outdoor environments, including a living room, balcony, entryway, and patio, highlighting its adaptability.

Maintenance

Proper care will extend the life and appearance of your plant stand:

- **Cleaning:** Wipe the shelves and frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Spills:** Promptly wipe up any water spills from plant watering to prevent water damage, despite the water-resistant properties of the MDF shelves.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Storage:** If disassembling for storage, keep all parts and hardware together in a safe place.

Troubleshooting

Problem	Possible Cause	Solution
Stand is wobbly/unstable.	Screws are loose; uneven surface; incorrect assembly.	Ensure all screws are tightened. Move to a flat, level surface. Review assembly steps.
Missing parts.	Packaging error.	Contact customer support with your purchase details and the specific missing parts.
Shelf appears uneven.	Assembly error; minor manufacturing variation.	Check that all tubes are fully inserted and screws are tightened evenly. If persistent, contact customer support.

Specifications

Model: PSUP7T-RB

Brand: JEPRECO

Material: Engineered Wood (MDF), Metal (Powder-coated Iron)

Color: Rustic Brown

Number of Tiers: 7

Overall Dimensions (W x D x H): 15.7 inches x 8.5 inches x 52.4 inches (approx. 40 cm x 21.6 cm x 133 cm)

Item Weight: 4.09 Kilograms (approx. 9 lbs)

Assembly Required: Yes

UPC: 683125551840
