

HUMHOLD HDFSD-L01-WT

HUMHOLD 24-inch Bladeless Ceiling Fan with RGB Lights

Model: HDFSD-L01-WT

1. INTRODUCTION

Thank you for choosing the HUMHOLD 24-inch Bladeless Ceiling Fan with RGB Lights. This instruction manual provides essential information for the safe installation, operation, and maintenance of your new ceiling fan. Please read this manual thoroughly before installation and keep it for future reference.

2. SAFETY INFORMATION

Always follow basic safety precautions when installing and operating electrical appliances to reduce the risk of fire, electric shock, and personal injury.

- Ensure the power supply is disconnected at the circuit breaker before installation or maintenance.
- All electrical work must be performed by a qualified electrician or a person with electrical experience.
- Mounting structure must be capable of supporting the weight of the fan.
- Do not operate the fan with damaged wiring or if the fan is visibly damaged.
- Keep hands, hair, and clothing away from the fan blades during operation.
- This product is for indoor use only. Do not expose to water or excessive humidity.

3. PACKAGE CONTENTS

Carefully unpack all items and ensure all components are present and undamaged. If any items are missing or damaged, contact customer support.

- Bladeless Ceiling Fan Unit
- Remote Control
- Mounting Bracket
- Installation Hardware (screws, wire nuts, etc.)
- Instruction Manual

4. SETUP AND INSTALLATION

Follow these steps for proper installation. It is recommended to have a second person assist during installation for safety and ease.

1. **Prepare for Installation:** Turn off power at the circuit breaker. Ensure the mounting location is suitable for a flush mount ceiling fan.
2. **Install Mounting Bracket:** Secure the mounting bracket to the ceiling junction box using the provided screws. Ensure it is firmly attached.
3. **Connect Wiring:** Carefully connect the fan's electrical wires to the household wiring according to local electrical codes. Typically, this involves connecting live, neutral, and ground wires. Use the provided wire nuts to secure connections.
4. **Mount the Fan:** Lift the fan unit and align it with the mounting bracket. Twist the fan body to lock it into place. Secure the fan to the mounting bracket with the provided screws.
5. **Final Check:** Ensure all connections are secure and the fan is firmly mounted. Restore power at the circuit breaker.

SMART CEILING FAN

5. OPERATING INSTRUCTIONS

Your HUMHOLD ceiling fan offers multiple control options for convenience.

5.1 Remote Control

The included remote control allows full functionality of the fan and lights.

- **Power On/Off:** Press the power button to turn the fan and light on or off.
- **Fan Speed:** Select from 6 wind speed options (1-6) to adjust airflow.
- **Light Control:** Turn the light on/off, adjust brightness (stepless dimming), and change color temperature (2700K-6500K).
- **RGB Lights:** Activate and cycle through millions of RGB colors for mood lighting.
- **Reversible Motor:** Change the direction of fan rotation for summer (downward airflow) or winter (upward airflow) comfort.
- **Timer Function:** Set the fan to turn off automatically after a set period (e.g., 1H, 2H).

5.2 App Control (Tuya Smart App)

Download the Tuya Smart App from your smartphone's app store to control your fan from anywhere.

- **Pairing:** Follow the in-app instructions to pair your fan with the app.
- **Full Control:** Access all remote control functions, including fan speed, light brightness, color temperature, RGB colors, and timer settings.
- **Scene Modes:** Create custom scene modes for different activities (e.g., reading, sleeping, party).

5.3 Voice Control

Integrate your fan with smart home assistants like Alexa, Google Assistant, SmartThings, or IFTTT for hands-free operation.

- **Setup:** Link the Tuya Smart App with your preferred voice assistant.
- **Commands:** Use simple voice commands to control fan speed, turn lights on/off, or change light settings.

Image 5.1: The Tuya Smart App allows control of the fan and lights from anywhere, with various room settings shown.

Image 5.2: The fan supports voice control via Alexa and Google Assistant for convenient operation.

6. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your fan.

- **Cleaning:** Dust the fan and light fixture regularly with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Blade Cleaning:** The bladeless design makes cleaning easier. Wipe the internal fan components gently with a soft cloth.
- **Tighten Screws:** Periodically check and tighten all mounting screws to ensure secure operation.

7. TROUBLESHOOTING

If you encounter any issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Fan does not operate	No power supply; Loose wiring; Remote/App not paired	Check circuit breaker; Verify wiring connections; Re-pair remote/app
Light does not turn on	No power supply; Loose wiring; Light function off on remote/app	Check circuit breaker; Verify wiring connections; Activate light via remote/app
Fan makes unusual noise	Loose mounting screws; Obstruction in fan area	Tighten all mounting screws; Remove any obstructions
Remote/App not responding	Low battery; Out of range; Pairing issue	Replace remote batteries; Ensure device is within range; Re-pair remote/app

8. SPECIFICATIONS

Feature	Detail
Brand	HUMHOLD
Model Number	HDFSD-L01-WT
Product Dimensions	24"L x 24"W x 7.6"H
Item Weight	10.63 pounds
Color	White & RGB
Material	Acrylonitrile Butadiene Styrene (Shade: Acrylic)
Style	Modern
Installation Type	Flush Mount
Power Source	DC, 110 Volts
Light Source Type	LED, 48 watts
Color Temperature	2700K-6500K (Adjustable)
Special Features	Adjustable Color Temperature, Color Changing (RGB), Dimmable, Energy Efficient, Timer, Reversible Motor, Quiet Operation (<35 dB), Memory Mode
Control Method	Remote Control, Tuya Smart App, Voice Control (Alexa/Google Assistant/SmartThings/IFTTT)

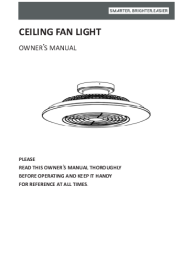

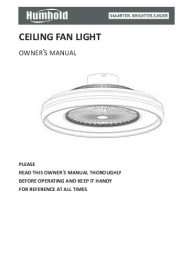

Feature	Detail
Fan Speeds	6
Assembly Required	No

9. WARRANTY AND SUPPORT

HUMHOLD products come with a limited warranty. For specific warranty details, please refer to the documentation included in your product packaging or contact HUMHOLD customer support. For technical assistance, troubleshooting, or warranty claims, please visit the official HUMHOLD website or contact their customer service department. Contact information can typically be found on the product packaging or the brand's online store.
