1. PRODUCT OVERVIEW

The MindBox City Tea House Building Blocks Set (Model ST0018) offers an engaging construction experience, allowing users to build a detailed panda-themed tea shop. This set features 860 mini building bricks and is designed to inspire creativity and develop fine motor skills for builders aged 8 and up.

1.1 Safety Information

WARNING: Choking Hazard - Small parts. Not suitable for children under 3 years old.

Always supervise young children during assembly and play to prevent accidental ingestion of small parts. Keep all packaging materials away from children.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package should contain:

- 860 Mini Building Bricks (sorted into numbered bags)
- Detailed Step-by-Step Instruction Manual (this document)
- Brick Separator Tool (if included)
- Sticker Sheet for decorative elements

If any parts are missing, please refer to the "Warranty and Support" section for assistance.

3. ASSEMBLY INSTRUCTIONS

Follow the detailed, step-by-step instructions provided in the included manual to construct your MindBox City Tea House. The building process is designed to enhance hand-eye coordination and problem-solving skills.

3.1 General Assembly Tips

- Organize bricks by color and shape before starting each numbered bag.
- Work on a clean, flat surface to prevent losing small pieces.
- Refer to the color drawings in the manual for clear guidance on brick placement.
- Ensure all bricks are firmly pressed together for a stable structure.

3.2 Key Features During Assembly

Figure 3.1: The MindBox City Tea House model demonstrating its open and closed configurations, highlighting the modular design.

The tea house features an innovative design that allows it to be displayed in two different forms: a compact, closed structure or an expanded, open layout revealing the interior details. This dual functionality inspires spatial imagination and offers varied display options.

4. PRODUCT FEATURES AND PLAY GUIDE

The MindBox City Tea House is designed for interactive play and display, offering a rich experience for users aged 8 and up.

4.1 Interactive Play Experience

Figure 4.1: The completed MindBox City Tea House, ready for imaginative play.

Engage in imaginative role-play as a tea shop owner. The set includes various elements such as tea, ice cream, and snacks, allowing for diverse storytelling scenarios. Explore the different sections of the tea house, from the serving counter to the seating areas, and discover new ways to interact with the model.

4.2 Quality Construction

Constructed from high-quality, durable plastic, the building blocks are designed for longevity and safety. The materials are non-toxic, ensuring a safe play environment. The bricks are engineered for easy assembly and disassembly, allowing for repeated building and modification.

4.3 Educational Value

Beyond entertainment, this building set serves as an educational tool. It aids in developing fine motor skills, spatial reasoning, and problem-solving abilities through the construction process. Following the detailed instructions also helps improve comprehension of two-dimensional diagrams for three-dimensional construction.

5. CARE AND MAINTENANCE

- **Cleaning:** To clean the building blocks, wipe them gently with a damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or loose bricks in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the assembled model with care to avoid accidental breakage of smaller components.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Missing pieces	Pieces may have been overlooked during sorting or lost during assembly.	Carefully re-check all packaging and the assembly area. If still missing, contact customer support for replacement parts (refer to Section 8).
Model is unstable or parts don't fit	Bricks may not be fully pressed together, or placed in the incorrect position.	Review the instruction manual for the specific step. Ensure each brick is firmly connected. Use the brick separator tool to carefully detach and reattach incorrectly placed bricks.
Stickers not adhering properly	Surface may be dusty or oily, or sticker was not applied correctly.	Ensure the brick surface is clean and dry. Apply stickers carefully, pressing firmly from one edge to the other to avoid air bubbles.
