

Moimhear 29093123

Moimhear Bunk Bed Instruction Manual

Model: 29093123

Brand: Moimhear

1. INTRODUCTION

Thank you for choosing the Moimhear Bunk Bed. This manual provides essential information for the safe assembly, operation, and maintenance of your new bunk bed. Please read these instructions carefully before beginning assembly and retain them for future reference.

This bunk bed features a sturdy solid pine wood frame, a three-level design with integrated storage drawers, and a protective guardrail, combining functionality with a Scandinavian aesthetic.

Safety Warnings

- **Adult Assembly Required:** This product requires assembly by at least two adults.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 120 kg (264 lbs) per bed level.
- **Mattress Thickness:** Use a mattress with a recommended thickness of 10-20 cm (4-8 inches).
- **Guardrail Safety:** Ensure the guardrail is always properly installed and secured to prevent falls.
- **Regular Checks:** Periodically check all bolts and fasteners to ensure they are tight. Retighten as necessary.
- **No Jumping:** Do not allow jumping on the bed.
- **Ventilation:** Ensure adequate ventilation around the bed.
- **Choking Hazard:** Keep small parts away from children during assembly.

2. PACKAGE CONTENTS

The Moimhear Bunk Bed is delivered in three separate packages. Please ensure all packages have arrived before beginning assembly.

Verify that all components listed in the included installation manual are present and undamaged. If any parts are missing or damaged, please contact customer support immediately.

Components Included:

- Wooden frame components (pine wood)
- Bed slats (15 pieces)
- Guardrail sections
- Staircase components
- Two storage drawers
- Hardware kit (screws, bolts, connectors)
- Installation Manual

Note: Mattress is not included.

3. SETUP AND ASSEMBLY

Estimated assembly time: 1 hour.

Suggested number of people for assembly: 2.

Before starting, clear an adequate space for assembly and lay out all components on a soft, clean surface to prevent scratches.

Assembly Steps:

1. **Unpack Components:** Carefully unpack all three packages and identify all parts against the parts list in the separate installation manual.
2. **Assemble Main Frame:** Begin by assembling the main bed frame according to the detailed diagrams in the installation manual. Ensure all connections are secure but do not fully tighten bolts until the frame is stable.
3. **Install Bed Slats:** Once the main frame is stable, install the 15 bed slats onto the designated supports. Ensure they are evenly spaced and securely fastened.
4. **Attach Guardrail:** Securely attach the protective guardrail to the upper bed level. Confirm all fasteners are tight to ensure child safety.
5. **Assemble Staircase:** Assemble the three-level staircase. The staircase provides easy access to the upper bed and includes integrated storage.
6. **Integrate Drawers:** Insert the two storage drawers into their designated slots within the staircase structure.
7. **Final Tightening:** Once all components are assembled, go back and fully tighten all bolts and fasteners. Do not overtighten.
8. **Placement:** Position the assembled bunk bed in its desired location, ensuring it is stable and level.

- **Protective Guardrail:** A fence-like guardrail surrounds the upper bed to prevent accidental falls during sleep. The entrance is 36 cm wide for easy access.

5. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your Moimhear Bunk Bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the wood finish.
- **Dusting:** Regularly dust the bed frame to prevent buildup.
- **Hardware Check:** Periodically (e.g., every 3-6 months) inspect all bolts, screws, and fasteners. Tighten any loose hardware to maintain structural integrity and safety.
- **Avoid Moisture:** Protect the bed from excessive moisture and direct sunlight to prevent warping or fading of the wood.
- **Ventilation:** Ensure good air circulation around the mattress to prevent moisture buildup and mold.

6. TROUBLESHOOTING

If you encounter any issues with your Moimhear Bunk Bed, please refer to the following common solutions.

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose bolts or uneven placement.	Check and tighten all assembly bolts. Ensure the bed is on a flat, level surface.
Drawers do not slide smoothly.	Obstruction in the drawer runners or misaligned.	Remove drawers and check runners for debris. Realign drawers if necessary.
Squeaking noises.	Loose connections or friction between wood parts.	Tighten all bolts. Apply a small amount of furniture wax or silicone spray to friction points if needed.
Missing parts after unboxing.	Packaging error or lost during transit.	Contact Moimhear customer support with your purchase details and the specific missing parts.
