

Kogan Q98G

Kogan 50" QLED 4K 144Hz Smart AI Google TV User Manual

Model: Q98G | KAQL50XQ98GSVA

INTRODUCTION

This manual provides essential information for the setup, operation, and maintenance of your Kogan 50" QLED 4K 144Hz Smart AI Google TV (Model Q98G). Please read this manual thoroughly before using your TV to ensure proper functionality and safety.

Your Kogan QLED TV features Quantum Dot Technology for mesmerising color reproduction, Dolby Vision for cinematic visuals, a 144Hz Variable Refresh Rate for smooth motion, and High-Dynamic Range for enhanced contrast. Powered by Google TV, it offers access to a vast array of streaming services and smart features.

PACKAGE CONTENTS

Before proceeding with the setup, ensure all components are present in the package:

- Kogan 50" QLED 4K 144Hz Smart AI Google TV
- Remote Control
- TV Stand components (legs, screws)
- Power Cable
- User Manual (this document)

SETUP

1. Unpacking and Placement

Carefully remove the TV from its packaging. It is recommended to have two people for this process to prevent damage. Place the TV on a stable, flat surface or prepare for wall mounting (wall mount not included).

Image: Front view of the Kogan 50" QLED 4K 144Hz Smart AI Google TV.

2. Attaching the Stand

If using the included stand, follow these steps:

1. Place the TV face-down on a soft, clean cloth or cushion to prevent screen damage.
2. Identify the left and right stand legs.
3. Align each stand leg with the corresponding screw holes on the bottom of the TV.
4. Secure the legs using the provided screws. Ensure they are tightened firmly.

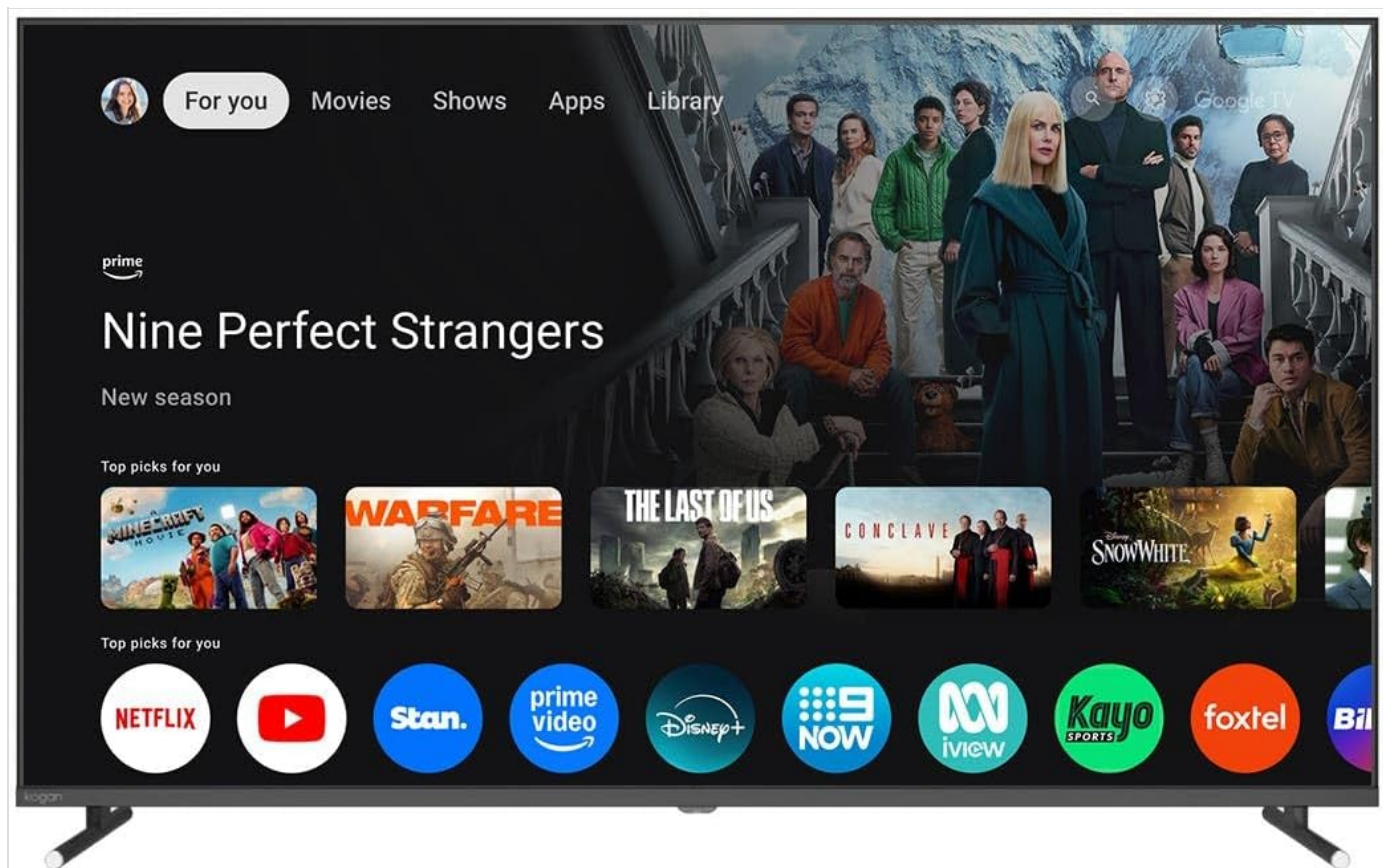

Image: The Kogan 50" QLED TV with its two stand legs securely attached, ready for placement.

3. Connecting External Devices

Your TV is equipped with multiple ports for connecting various devices:

- **HDMI Ports:** Connect gaming consoles, Blu-ray players, soundbars, or set-top boxes. The TV supports HDMI input for both audio and video.
- **USB Port:** For media playback from USB drives.
- **Antenna/Cable Input:** For connecting an antenna for free-to-air digital television (DVB-T/DVB-T2).
- **Ethernet Port:** For a wired internet connection.

Ensure all connections are secure before powering on the TV.

4. Power Connection and Initial Setup

Once all devices are connected, plug the power cable into the TV and then into a wall outlet. The TV will power on and guide you through the initial setup process, which includes:

- Language selection.
- Network connection (Wi-Fi or Ethernet).
- Google Account sign-in (required for Google TV features).
- Channel scanning (for antenna users).
- Accepting terms and conditions.

OPERATING INSTRUCTIONS

1. Using the Remote Control

The included remote control allows you to navigate the TV's interface, adjust settings, and access smart features.

Familiarize yourself with the buttons for power, volume, channel, input selection, and smart TV functions.

Note: The infrared sensor for the remote control is located in the middle of the bottom bezel of the TV. Ensure it is not obstructed for optimal remote performance.

2. Navigating Google TV

Google TV organizes your favorite streaming services and content into a personalized hub. Use the remote's directional pad and OK button to browse through recommendations, apps, and settings.

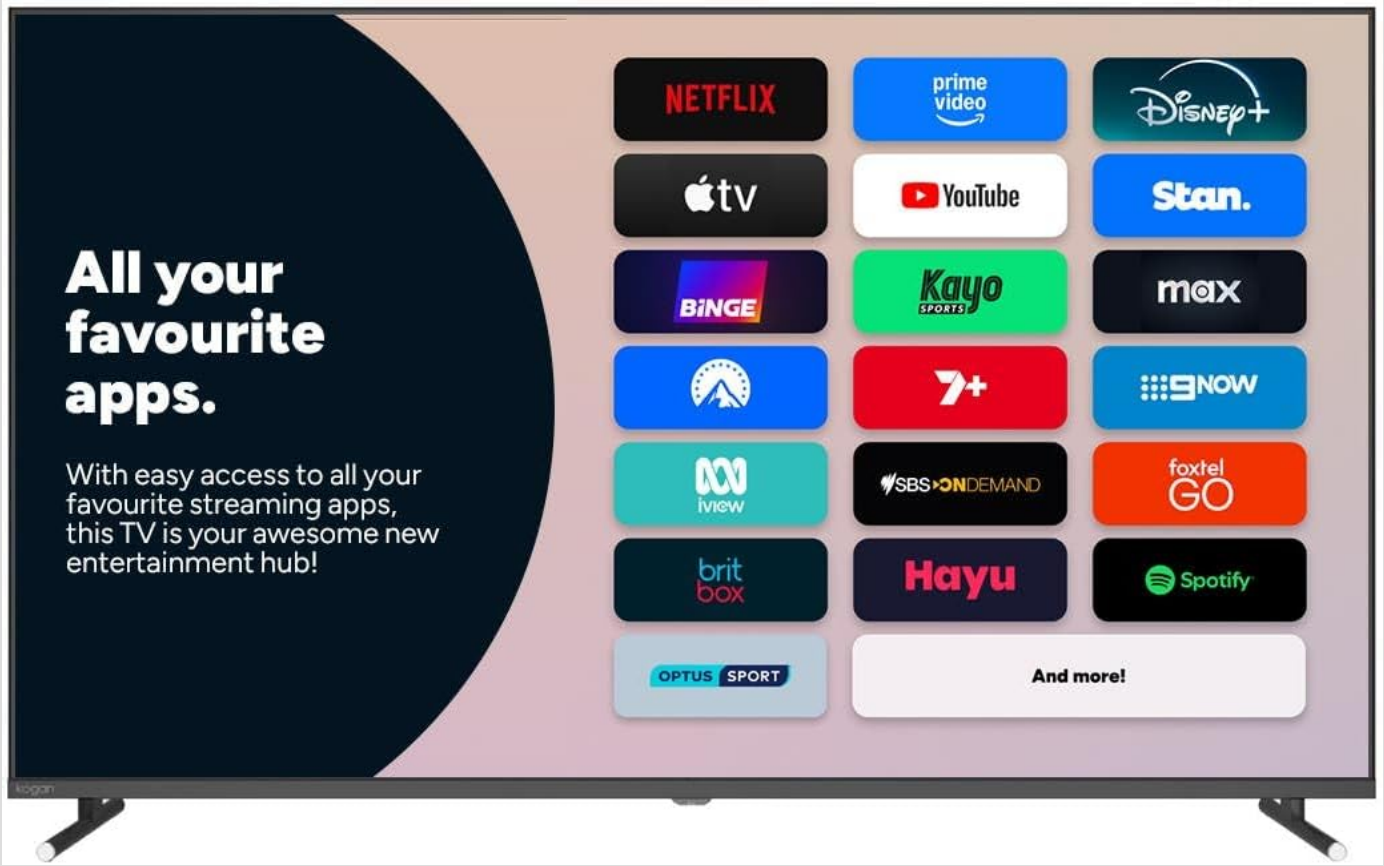

Image: The Google TV home screen displaying a wide selection of popular streaming applications.

Image: Two individuals comfortably watching the Kogan Google TV in a modern living room setting.

3. Picture and Sound Settings

Access the TV settings menu to customize your viewing and listening experience:

- **Picture Modes:** Select from various preset modes (e.g., Standard, Vivid, Movie, Game) or customize brightness, contrast, color, and sharpness.
- **QLED Technology:** Experience vibrant and accurate colors thanks to Quantum Dot technology.
- **Dolby Vision™:** For enhanced dynamic range and color accuracy in compatible content.
- **4K Resolution:** Enjoy stunning clarity with 3840 x 2160 pixels.

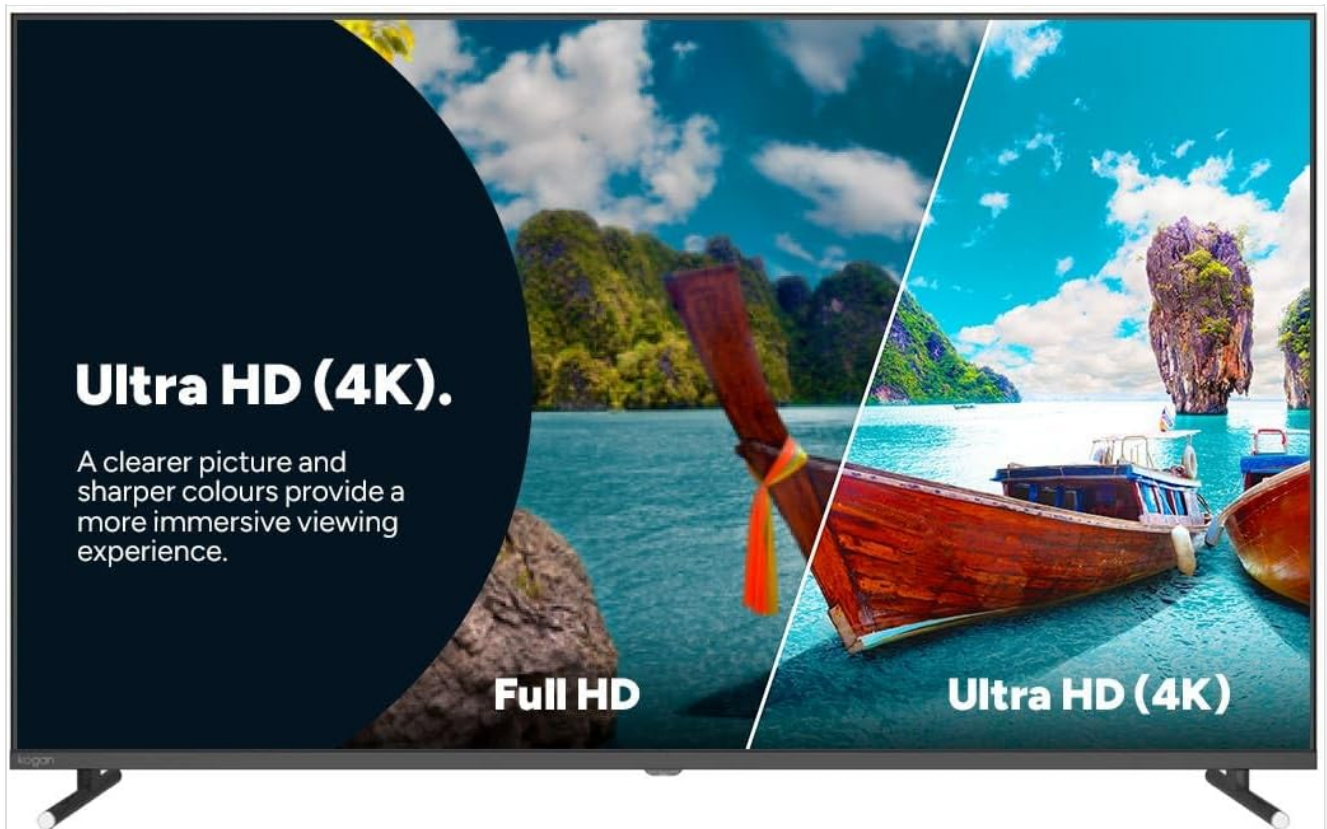

Image: A visual comparison demonstrating the superior clarity and detail of Ultra HD (4K) resolution over Full HD on the Kogan TV.

- **144Hz Variable Refresh Rate (VRR):** Provides smoother, tear-free visuals, especially beneficial for gaming and fast-paced sports.

Image: A split-screen comparison illustrating the smoother motion and reduced tearing with 144Hz Variable Refresh Rate enabled versus disabled.

- **Motion Estimation & Motion Compensation (MEMC):** Improves clarity and reduces blur in fast-moving scenes.

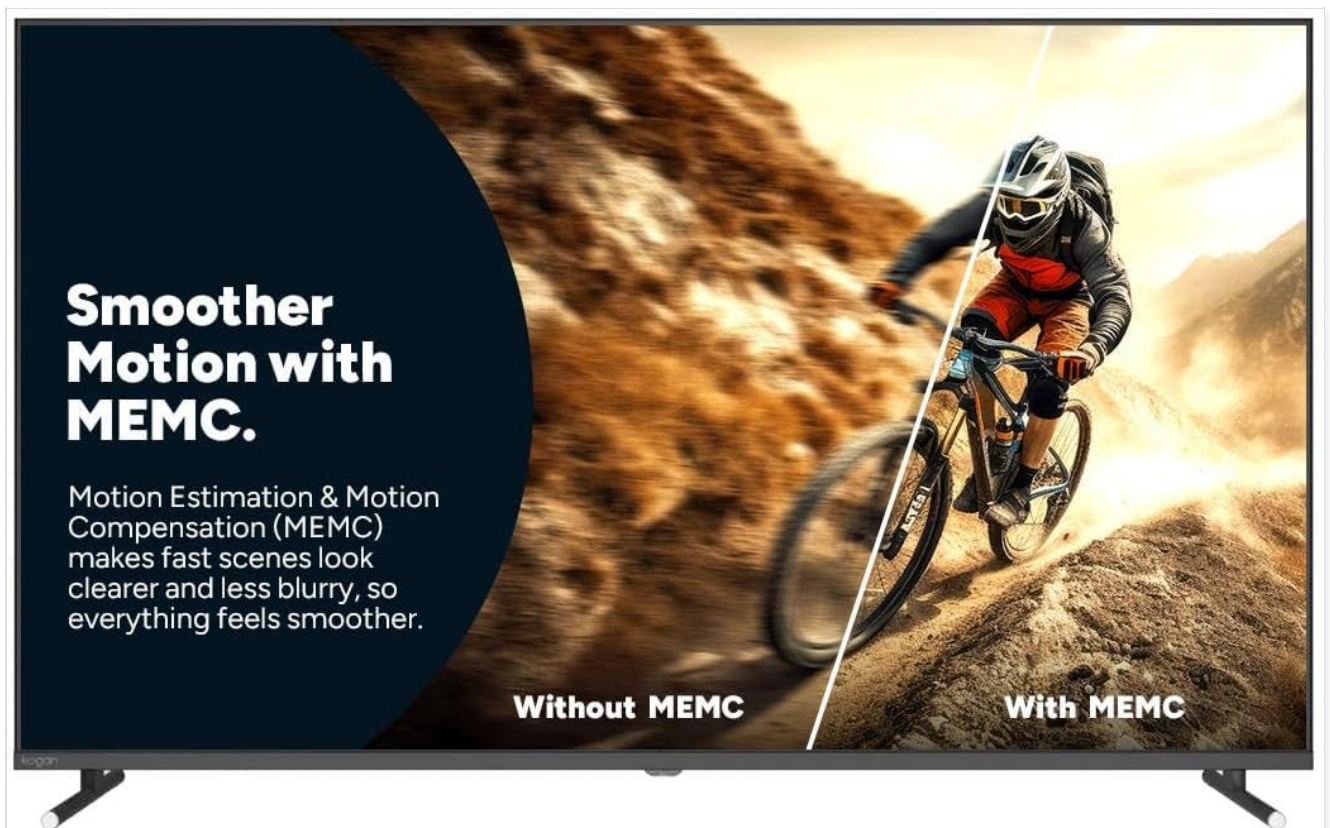

Image: A visual demonstration showing the enhanced smoothness and reduced blur in motion with MEMC technology activated.

- **Sound Modes:** Choose from presets like Standard, Music, Movie, or customize equalizer settings.

4. Smart Features

- **Google Play Store:** Download and install a wide range of applications and games.
- **Built-in Google Chromecast:** Stream content directly from your smartphone, tablet, or computer to the TV.
- **Google Assistant:** Use voice commands via the remote control to search for content, control smart home devices, and get information.

MAINTENANCE

1. Cleaning the TV

- **Screen:** Gently wipe the screen with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a screen-cleaning solution specifically designed for TVs. Do not spray liquid directly onto the screen.
- **Body:** Use a soft, dry cloth to wipe the TV's frame and stand. Avoid using abrasive cleaners or solvents.
- Always unplug the TV from the power outlet before cleaning.

2. Software Updates

Your Kogan Google TV may receive periodic software updates to improve performance and add new features. Ensure your TV is connected to the internet to receive these updates automatically or check for them manually in the settings menu.

TROUBLESHOOTING

If you encounter issues with your TV, refer to the following common problems and solutions:

Problem	Possible Solution
No Power	Check if the power cable is securely plugged into both the TV and the wall outlet. Try a different power outlet. Ensure the power indicator light on the TV is on.
No Picture / Black Screen	Verify the correct input source is selected (e.g., HDMI 1, TV). Check cable connections to external devices. Try restarting the TV and connected devices.
No Sound	Check the volume level and ensure the TV is not muted. If using external audio devices, check their connections and volume. Ensure the TV's audio output settings are correct.
Remote Control Not Working	Replace the batteries in the remote. Ensure there are no obstructions between the remote and the TV's IR sensor (located at the bottom center). Try re-pairing the remote if it's a Bluetooth remote.
Cannot Connect to Wi-Fi	Check your router and modem. Restart your router. Ensure you are entering the correct Wi-Fi password. Move the TV closer to the router if possible.
Picture Quality Issues (Blurry, Pixelated)	Check the resolution of the content being played. Ensure cables are securely connected. Adjust picture settings (e.g., sharpness, noise reduction). For broadcast TV, check antenna signal strength.

If the problem persists after trying these solutions, please contact Kogan customer support.

SPECIFICATIONS

Feature	Detail
Brand	Kogan
Model	Q98G
Screen Size	50 Inches
Display Technology	QLED
Resolution	4K (3840 x 2160)
Refresh Rate	144 Hz
Operating System	Android (Google TV)
Special Features	Chromecast, Google Assistant, Dolby Vision, HDR, MEMC, VRR
Connectivity	USB, HDMI, Wi-Fi, Ethernet
Total USB Ports	1
Aspect Ratio	16:9
Item Weight	14.9 kg
Package Dimensions	122 x 75.2 x 14.3 cm

WARRANTY AND SUPPORT

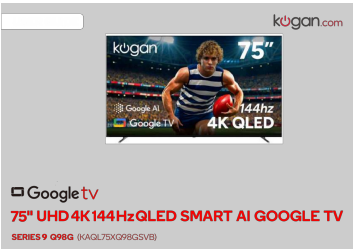

For warranty information and customer support, please refer to the documentation provided with your purchase or visit the official Kogan website. Kogan is the manufacturer and seller of this product.
For further assistance, you may contact Kogan customer service directly.

Promotion Terms and Conditions – Kogan Australia Pty Ltd

KOGAN FIRST: Competition Terms and Conditions

Last updated 29 April 2025

PART A:

1. **Competition/Promotion Name:** Kogan First Competitions Jan-Apr 2025.

2. **Promoter:** Kogan Australia Pty Ltd (ABN 62 005 251 555) (ABN 62 005 251 555) (Promoter) at 188 Gladstone Street, South Melbourne VIC 3205 (Contact email: sales@kogan.com) (Website).

3. **Entry Requirements:** Entering requires at least 18 years of age, that you are Australian resident or citizen residing in the Territories or if residing overseas, the Entrant is responsible for checking their local legal requirements, to ensure eligibility in accordance with Item 11, and must have a valid FIRST membership during the Promotion Period as set out in Item 7 below.

A FIRST membership provides the following non-exhaustive list of benefits to FIRST members:

- (a) exclusive prices and discounts on products on www.kogan.com and www.dockandd.com.au;
- (b) automatic earning of 1% in Kogan Rewards Credit each time an eligible product is purchased at Kogan.com, which is **redeemable in the Territories and overseas**;
- (c) a further 10% off Family and Member products from a huge range of brands, as mentioned on www.kogan.com/au/entry-requirements. For the avoidance of doubt, this discount is in addition to any Kogan FIRST Exclusive available on the product;
- (d) free shipping on eligible products or free Express Shipping (in the circumstances where free shipping is already offered on the product);
- (e) priority queue assistance for Kogan customer service; and
- (f) Current Points, where FIRST Members who use their Kogan FIRST and Games Frequent Flyer accounts will earn 1 Game Point for every \$1 spent at Kogan.com.

For the avoidance of doubt, a FIRST membership includes a free 14-day trial membership. Entrants will receive entries into the draw even if their FIRST membership is terminated during the Promotion Period, and those entries will be valid for all draws as set out in the Announcements.

All entries are eligible for all draws in the Promotion and/or set out in the Announcements, for example, a winner of a weekly draw is also eligible to win a monthly draw.

Entrants whose FIRST membership has been continuously active throughout the Competition will receive entries into each draw depending on their period of continuous membership, as follows:

- (a) Between 0-14 days of continuous membership, 5 entries;
- (b) Between 15-30 days of continuous membership, 10 additional entries;
- (c) Between 31-60 days of continuous membership, 20 additional entries; and
- (d) For every Month or part thereof after 60 days, 10 additional entries will be applied.

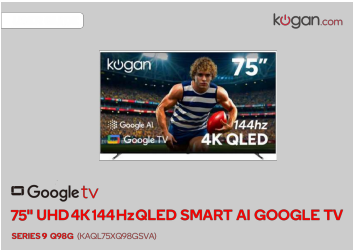

For the avoidance of doubt, a Month is defined as every 30 calendar days. The duration of your membership will include if you were a member of FIRST before the date of the promotion.

An Entrant may only earn additional entries on their membership for the period prior to the cancellation or termination of a FIRST membership during the Promotion Period. For example, if a FIRST membership is valid for 14 days the Entrant will receive 5 entries. If that membership is cancelled by 1 month and then reinstated during the Promotion Period, the member will only earn entries on the first part of the Promotion Period during which their membership was active (i.e. the Entrant will only have 5 entries, not being the number of entries earned during the full period of active membership).

The Promoter reserves the right to offer opportunities for Entrants to gain additional entries into single or multiple draws by purchasing specific FIRST membership, after an on Website Offer. The number of entries awarded for purchasing such Offers will be set out on the Website. The Offers are not available in South Australia and South Australian residents are not eligible to purchase the Offers.
