Bonnlo 3x6m Blue (B0CQXD5N8M)

Bonnlo Pop Up Gazebo User Manual

Model: 3x6m Blue (ASIN: B0CQXD5N8M)

1. Introduction

Thank you for choosing the Bonnlo Pop Up Gazebo. This versatile and convenient outdoor shelter solution is designed for quick setup and takedown, making it ideal for various outdoor events such as picnics, parties, trade shows, and family gatherings. This manual provides essential information for the safe and effective use, setup, operation, and maintenance of your gazebo.

Please read this manual thoroughly before assembly and retain it for future reference.

2. Safety Information

WARNING: Failure to follow these safety instructions could result in injury or damage to the product.

- Always ensure the gazebo is securely anchored to the ground before use. Use all provided ropes and stakes.
- Do not use in windy conditions or when the ground is wet. High winds can cause the gazebo to lift and become a hazard.
- Inspect the gazebo before each use for any damage or wear and tear, especially to the frame, fabric, ropes, and stakes. Do not use if damaged.
- Always follow the assembly and disassembly instructions carefully to avoid injury. Two or more people are recommended for setup.
- Keep children and pets away from the gazebo during setup and takedown.
- Do not use open flames or heating appliances inside or near the gazebo. The fabric is not fireproof.
- Remove any accumulated water or snow from the canopy to prevent collapse.
- Store the gazebo in a dry place when not in use to prevent mold and mildew.

3. Product Overview

The Bonnlo Pop Up Gazebo is designed for versatility and ease of use. It features a sturdy frame and durable fabric, providing protection from sun and light rain. The included sidewalls offer additional privacy and protection from the elements.

Key Features:

- **Detachable Sides and Adjustable Height:** Equipped with four detachable sides and three adjustable height settings, this event shelter can be customized to meet your specific needs.
- **Easy to Use:** Portable and easy to set up, this party tent is designed for convenience. It comes with a carry bag for hassle-free storage and transportation, making it perfect for any outdoor adventure.
- **Sturdy Construction:** Engineered with powder-coated iron pipes, the metal frame is lightweight yet incredibly durable, ensuring long-lasting performance. Rust-resistant and built for stability, it withstands the test of time.
- **Waterproof and UV Protection:** Portable canopy features PA-coated polyethylene fabric, offering tear resistance, waterproofing, and UV protection. Designed for all-weather use, keeps you dry in the rain and shaded in the sun, providing optimal comfort.
- **Versatile Applications:** Ideal for outdoors, including performances, weddings, parties, barbecues, and market stalls. Or just set it up in garden to create spacious shaded area for your family and guests, enhancing your outdoor experience.

Product Dimensions:

Image: Diagram showing the dimensions of the 3x6m (10x20 ft) gazebo, with a height range of 8.2 ft to 8.8 ft. Also shows the packed size of the frame and bag as 46.4" x 9" x 20.5".

The 3x6m (approximately 10x20 ft) gazebo offers ample space. The height is adjustable, typically ranging from 8.2 ft to 8.8 ft. When packed, the frame and bag dimensions are approximately 46.4 inches long, 9 inches wide, and 20.5 inches high, allowing for convenient storage and transport.

4. Package Contents

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 1 x Top Canopy
- 6 x Sidewalls (detachable)
- 1 x Folding Frame (Alloy Steel)
- 1 x Carry Bag
- 12 x Ropes
- 18 x Stakes

5. Setup Instructions

Setting up your Bonnlo Pop Up Gazebo is a straightforward process, ideally performed by two or more people. Follow these steps for quick and easy assembly:

1. **Unpack and Position:** Remove all components from the carry bag. Place the folded frame in the desired setup location.
2. **Expand the Frame:** With a person at each end, gently pull the frame outwards until it is partially expanded. Do

not fully extend yet.

3. **Attach the Canopy:** Drape the top canopy fabric over the partially expanded frame. Secure the canopy to the frame corners and velcro straps as instructed by the canopy design.
4. **Fully Extend the Frame:** Continue to pull the frame outwards until it is fully extended and the canopy is taut. Ensure all locking mechanisms on the frame legs click into place.
5. **Adjust Height:** Press the push-button sliders on each leg to adjust the height to your desired setting. Ensure all legs are set to the same height for stability.
6. **Attach Sidewalls (Optional):** If desired, attach the sidewalls using the velcro straps and zippers provided. The sidewalls can be rolled up or removed as needed.
7. **Secure the Gazebo:** Use the provided ropes and stakes to anchor the gazebo securely to the ground. Attach ropes to the canopy corners and stake them firmly into the ground at an angle. This is crucial for stability, especially in light winds.

6. Operating Instructions

Once assembled, your Bonnlo Pop Up Gazebo is ready for use. Here are some operational guidelines:

- **Adjusting Height:** To change the height, locate the push-button sliders on each leg. Press the button and slide the inner leg up or down to the desired height setting. Ensure all legs are locked at the same height for stability.
- **Using Sidewalls:** The sidewalls can be attached or removed as needed. Use the velcro straps to secure them to the frame. Zippers allow for easy entry/exit and can be used to connect multiple sidewalls. Roll up and secure sidewalls with ties when not needed.
- **Weather Conditions:** While the gazebo offers UV protection and water resistance, it is not designed for heavy rain, strong winds, or snow. Always take down the gazebo in adverse weather conditions to prevent damage and ensure safety.
- **Disassembly:** To disassemble, reverse the setup steps. Unlock the legs, collapse the frame, remove the canopy and sidewalls, and pack all components into the carry bag.

7. Maintenance

Proper maintenance will extend the life of your Bonnlo Pop Up Gazebo:

- **Cleaning:** Clean the canopy and sidewalls with mild soap and water. Do not use harsh chemicals or abrasive cleaners. Rinse thoroughly and allow to air dry completely before storage.
- **Frame Care:** Wipe down the metal frame with a damp cloth. If any rust appears, clean it and apply a rust-inhibiting paint. Ensure all moving parts are clean and operate smoothly.
- **Storage:** Always ensure the canopy and sidewalls are completely dry before folding and storing them in the carry bag. Store the gazebo in a cool, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Regularly inspect all components for signs of wear, tear, or damage. Pay close attention to fabric integrity, frame joints, ropes, and stakes. Replace damaged parts immediately.

8. Troubleshooting

Here are some common issues and their potential solutions:

Problem	Possible Cause	Solution
Gazebo is unstable or wobbly.	Not properly anchored; legs not fully extended/locked; uneven ground.	Ensure all ropes and stakes are securely fastened. Check that all frame legs are fully extended and locked at the same height. Move to a level surface if possible.
Water pooling on canopy.	Insufficient tension in canopy; heavy rain.	Ensure canopy is taut and properly secured to the frame. Gently push up on the underside of the canopy to remove accumulated water. Take down in heavy rain.

Problem	Possible Cause	Solution
Difficulty folding the frame.	Legs not unlocked; frame joints stiff.	Ensure all leg height adjustment buttons are pressed and legs are unlocked. Gently push the frame inwards from the center. Apply a silicone lubricant to stiff joints if necessary.
Sidewalls do not fit correctly.	Incorrect orientation; frame not fully extended.	Ensure sidewalls are oriented correctly (e.g., window panels facing out). Verify the frame is fully extended and locked.

9. Specifications

Feature	Value
Brand	Bonnlo
Model	3x6m Blue (B0CQXD5N8M)
Material (Canopy)	PA-coated Polyethylene Fabric (210D Oxford Fabric)
Material (Frame)	Powder-coated Alloy Steel
Color	Blue
