## SUNMORY HH-3319-42

# SUNMORY 42-Inch Ceiling Fan with Light

Model: HH-3319-42 | User Manual

## INTRODUCTION

---

Thank you for choosing the SUNMORY 42-Inch Ceiling Fan with Light. This manual provides important information for the safe installation, operation, and maintenance of your new ceiling fan. Please read these instructions thoroughly before installation and keep them for future reference.

Image: The SUNMORY 42-inch ceiling fan, showcasing its modern design and highlighting features such as 6 speeds, timer setting, stepless dimming, reversible DC motor, and switchable color temperature, controllable via both remote and smartphone app.

## IMPORTANT SAFETY INSTRUCTIONS

---

- Always disconnect power at the main circuit breaker before installation or maintenance.
- Ensure all electrical connections comply with local codes and ordinances. If you are unfamiliar with electrical wiring, consult a qualified electrician.
- The fan must be mounted to a structurally sound ceiling joist or outlet box capable of supporting the fan's weight (approximately 10.41 lbs).
- Do not bend the blade holders during installation, balancing, or cleaning.
- Ensure there is adequate clearance between the fan blades and any obstacles.
- This fan is suitable for both indoor and outdoor use, but **do not expose to direct rain**.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning installation:

- Ceiling Fan Motor Assembly
- Fan Blades (5)

- Mounting Bracket
- Canopy
- LED Light Kit
- Lampshade
- Remote Control
- Installation Hardware Kit (screws, wire nuts, etc.)
- User Manual

## INSTALLATION GUIDE

Follow these steps for proper installation. For visual guidance, refer to the installation video provided by the seller.

1. **Prepare for Installation:** Turn off power at the circuit breaker. Ensure the mounting location is secure and can support the fan.
2. **Install Mounting Bracket:** Secure the mounting bracket to the ceiling outlet box using the provided screws. Ensure it is firmly attached.
3. **Assemble Fan Blades:** Attach the fan blades to the motor assembly. The blades are reversible, offering two different finishes.
4. **Wire the Fan:** Connect the fan's electrical wires to the household wiring according to the wiring diagram in the manual. Ensure all connections are secure with wire nuts.
5. **Mount the Fan:** Carefully lift the fan assembly and attach it to the mounting bracket. Secure it with the canopy screws.
6. **Install Light Kit and Lampshade:** Connect the LED light kit wires and secure it to the fan. Then, attach the lampshade by twisting it into place.
7. **Restore Power:** Once installation is complete, restore power at the circuit breaker.

## OPERATING INSTRUCTIONS

---

Your SUNMORY ceiling fan can be controlled via the included remote control or a smartphone application.

### Remote Control Functions

- **Power On/Off:** Turns the fan and light on or off.
- **Fan Speed:** Adjusts between 6 fan speeds.
- **Light Control:** Turns the light on/off, adjusts brightness (stepless dimming 10%-100%), and changes color temperature (3000K Warm White, 4000K Natural White, 6000K Cool White).
- **Timer:** Sets a 2-hour timer for automatic shutdown.
- **Reversible Function:** Changes the direction of fan blade rotation for summer (downward airflow) or winter (upward airflow) modes.

### App Control Functions

Download the dedicated SUNMORY app to access additional features:

- All remote control functions.
- Customizable timer settings beyond 2 hours.
- Memory function retains last used light settings and fan speed after power interruption.

# One-touch direction reversal via remote control

Image: Illustration of the fan's reversible function, demonstrating downward airflow for powerful cooling in summer and upward airflow for air circulation and energy saving in winter.

# Customizable Lights

High brightness LED light.

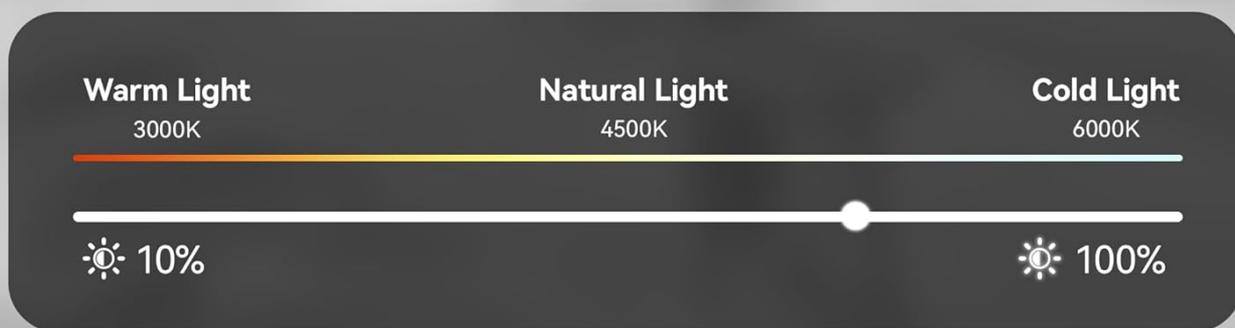

Image: Customizable LED lighting options, showing the fan light at 3000K Warm White, 4500K Natural Light, and 6000K Cold Light, with a dimming range from 10% to 100%.

## MAINTENANCE

- **Cleaning:** To clean the fan, wipe with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Blade Care:** Periodically check the fan blades for dust accumulation. Clean them gently to maintain optimal airflow.
- **Tighten Fasteners:** Check all screws and fasteners on the fan and mounting bracket periodically to ensure they are secure.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Fan does not start	No power to the fan; loose wire connections; remote control not paired or faulty.	Check circuit breaker. Ensure all wire connections are secure. Re-pair the remote control. Replace remote batteries.
Light does not work	Loose wire connection to light kit; LED light kit faulty.	Check light kit wiring. Contact customer service for replacement if LED is faulty.
Fan is noisy	Loose screws on fan blades or motor housing; fan not properly balanced.	Tighten all screws. Ensure fan blades are securely attached.
Remote control not responding	Low battery; remote not paired; interference.	Replace remote batteries. Re-pair the remote control with the fan. Ensure no obstructions between remote and fan.

## SPECIFICATIONS

---

**Brand:** SUNMORY

**Model Name:** 42 inch ceiling fan with light (HH-3319-42)

**Product Dimensions:** 42"D x 42"W x 10.2"H

**Item Weight:** 10.41 pounds (4.73 Kilograms)

**Color:** Black-2

**Electric Fan Design:** Ceiling Fan

**Power Source:** AC/DC

**Style:** Modern

**Room Type:** Bedroom, Dining Room, Kitchen, Living Room, Office, Study, Farmhouse, Decks, Porches, Gazebos, Arbors (Indoor/Outdoor use, avoid direct rain)

**Special Features:** 6-speeds, DC Motor, Reversible, Quiet ( $\leq 30\text{dB}$ ), Low Profile, LED Light, Dimmable (10%-100%), 3 Color Temperature (3000K, 4000K, 6000K), Remote Controlled, App Controlled, Reversible blades with different textures.

**Recommended Uses:** Air Circulation, Cooling, Ventilating

**Noise Level:** 30 Decibels

**Wattage:** 35 watts

**Number of Blades:** 5

**Speed:** 245 RPM

**Voltage:** 120 Volts

**Control Method:** App, Remote

**Motor Type:** Brushless DC Motor

**Installation Type:** Flush Mount

## WARRANTY AND SUPPORT

---

SUNMORY provides lifelong technical support for customers who purchase this ceiling fan. If you require installation

guidance, troubleshooting assistance, or have any questions regarding your product, please contact our professional customer service team. They are always at your service to ensure your satisfaction.

For support, please refer to the contact information provided on your product packaging or the official SUNMORY website.
