Soundcore A3955

Soundcore P40i Wireless Earbuds User Manual

Model: A3955 | Brand: Soundcore

Introduction

The Soundcore P40i by Anker are advanced noise-cancelling wireless earbuds designed for an immersive audio experience. Featuring adaptive noise cancelling, powerful bass, extended playtime, and a versatile 2-in-1 charging case that doubles as a phone stand, these earbuds are built for convenience and high-quality sound on the go.

Setup

What's in the Box

- Soundcore P40i Earbuds
- Charging Case
- USB-C Charging Cable
- XS/S/L/XL Ear Tips (M size pre-installed)

Image: All items included in the Soundcore P40i package: earbuds, charging case, USB-C cable, and various ear tip sizes.

Charging

Before first use, fully charge the earbuds and the charging case. The case supports both USB-C cable charging and wireless charging for convenience.

- Connect the USB-C cable to the charging case and a power source.
- For wireless charging, place the case on a compatible wireless charging pad.
- A full charge takes approximately 2.4 hours.

Pairing

The Soundcore P40i earbuds offer fast and stable Bluetooth 5.3 connectivity with multipoint connection capabilities.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth and select "Soundcore P40i" from the list of available devices.
3. For Android devices, Fast Pair enables quick, effortless pairing.
4. Multipoint connection allows seamless switching between two paired devices.

Ear Tip Fit

For optimal sound quality and noise cancellation, selecting the correct ear tip size is crucial. The Soundcore P40i comes

with XS, S, L, and XL ear tips, with M size pre-installed.

- Try different sizes to find the most comfortable and secure fit.
- A good seal in your ear canal is essential for effective noise cancelling and bass response.
- Use the Soundcore app's "Hearing Test" feature to find your perfect sound profile and fit.

Operating Instructions

Controls

The Soundcore P40i earbuds feature intuitive touch controls for managing playback, calls, and modes. The raised dot on the earbuds guides you for easy touch control.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap right earbud.
- **Previous Track:** Double tap left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud.
- **Volume Control:** Customizable via the Soundcore app.
- **Switch Noise Cancelling Modes:** Press and hold either earbud (customizable).

Noise Cancelling

The P40i features Smart Noise Cancelling with Adaptive ANC, which automatically detects ambient noise and adjusts cancellation levels for optimal peace and tranquility.

- **Adaptive ANC:** Automatically adjusts noise cancellation based on your environment.
- **Manual Mode:** Customize noise cancelling with five levels and three modes for tailored sound control via the Soundcore app.
- The advanced noise cancelling system, combining noise isolation and sound sensors, reduces noise by up to 45dB.

2-in-1 Charging Case and Phone Stand

The unique charging case for the Soundcore P40i doubles as a convenient phone stand, allowing for hands-free viewing of content.

- Simply open the case and position your phone in the designated slot.
- Ideal for watching videos or making video calls on the go.
- Note: Phone stand only supports horizontal orientation. Foldable screens or thick phone cases may not be compatible. Earbuds must be removed while using the case as a phone stand.

Soundcore App Customization

Personalize your listening experience with the Soundcore app. The app allows you to customize EQ settings, find your device, and more.

- Adjust sound profiles with the custom EQ feature.
- Change control settings to suit your preferences.
- Access various listening modes, including Adaptive ANC and Transparency Mode.

Gaming and Movie Modes

Enhance your entertainment with specialized audio modes:

- **Gaming Mode:** Enhances the sound of footsteps and other in-game audio for a more immersive gaming experience.
- **Movie Mode:** Places you as part of the story with 3D sound effects.

Maintenance

Water Resistance

The Soundcore P40i earbuds have an IPX5 water resistance rating, protecting them from water splashes.

- Avoid submerging the earbuds in water.
- Wipe them dry with a clean cloth if they get wet.

Image: Soundcore P40i earbuds being splashed with water, visually representing their IPX5 water-resistant capabilities.

Cleaning

Regular cleaning helps maintain optimal performance and hygiene.

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water, then dry thoroughly before reattaching.
- Use a dry cotton swab to clean the charging contacts on both the earbuds and the case.

Troubleshooting

If you encounter issues with your Soundcore P40i earbuds, try the following steps:

- **No Sound/Connectivity Issues:**
  - Ensure earbuds are charged.
  - Verify Bluetooth is enabled on your device and the earbuds are selected.
  - Try unpairing and re-pairing the earbuds.
  - Reset the earbuds (refer to the Soundcore app or online support for specific instructions).
- **Poor Sound Quality:**
  - Check ear tip fit for a proper seal.
  - Clean ear tips and earbud grilles.
  - Adjust EQ settings in the Soundcore app.
- **Noise Cancelling Not Effective:**
  - Ensure ear tips provide a tight seal.
  - Check noise cancelling mode settings in the Soundcore app.
