VOWNER Vanity with Lights - Model VOWNER-297 Instruction Manual

Model: VOWNER-297

Introduction

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your VOWNER Vanity with Lights, Model VOWNER-297. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

Important Safety Warning:
This product requires assembly. Due to its heavy weight (approximately 105 pounds), it is recommended to have two people assemble and handle the product to prevent injury or damage. Always follow the assembly instructions carefully to ensure the stability and safety of the product.

Setup and Assembly

The VOWNER Vanity with Lights requires assembly. Please ensure all components are present and undamaged before beginning. It is highly recommended that two individuals perform the assembly due to the product's weight and size.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all hardware and panels are accounted for against the included parts list (not provided in this manual, refer to your product packaging).
2. **Assemble Base Structure:** Follow the step-by-step diagrams provided in your product's physical instruction manual to construct the main desk frame and drawer sections.
3. **Install Drawers:** Attach drawer slides to the desk frame and assemble the drawer boxes. Ensure slides are correctly aligned for smooth operation.
4. **Attach Mirror and Lighting Unit:** Securely fasten the mirror unit, including the integrated LED lights, to the main desk structure. Connect any necessary wiring as per the diagrams.
5. **Install Power Outlet:** Integrate the built-in power outlet unit into its designated slot, ensuring all electrical connections are secure and safe.
6. **Final Touches:** Attach crystal ball knobs to drawers and place the stool in position.

For detailed, visual assembly steps, please refer to the diagrams included with your product packaging.

Operating Instructions

A. LED Lighting System

Your vanity desk is equipped with 11 built-in LED lights offering customizable illumination for your makeup routine.

- **Power On/Off:** Locate the touch sensor or switch on the mirror frame to turn the lights on or off.
- **Color Temperature Modes:** The lights feature 3 color temperature modes: Warm White, Natural White, and Cool White. Cycle through these modes by pressing the designated button or touching the sensor repeatedly.
- **Adjustable Brightness:** To adjust the brightness, press and hold the touch sensor or button. The brightness will gradually increase or decrease. Release when the desired brightness level is reached.

Maintenance

Proper care will extend the life and appearance of your VOWNER Vanity.

- **Cleaning:** Wipe the surface with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent staining or damage to the engineered wood desktop.
- **Light Bulbs:** If an LED bulb needs replacement, consult the manufacturer for compatible replacement parts to ensure proper function and safety.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If they become stiff, a small amount of silicone lubricant can be applied.

Troubleshooting

If you encounter issues with your vanity, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lights do not turn on.	Power cord not plugged in; loose connection; faulty bulb; power outage.	Ensure the vanity is plugged into a working outlet. Check all connections. If a bulb is faulty, contact support for replacement.
Lights are not changing color or brightness.	Sensor/button malfunction; incorrect operation.	Ensure you are pressing/holding the sensor correctly. If the issue persists, contact support.
Power outlets/USB ports not working.	Vanity not plugged in; internal wiring issue; device not compatible.	Verify the vanity is plugged in. Test with another device. If still not working, contact support.
Drawers are stiff or do not close properly.	Improper assembly of drawer slides; obstruction; excessive weight.	Review assembly instructions for drawer slides. Check for any objects blocking the drawer. Reduce weight in drawers if overloaded.
