Spigen PA2303

Spigen ArcPack 30000mAh Power Bank PA2303 User Manual

Model: PA2303

INTRODUCTION

Thank you for choosing the Spigen ArcPack 30000mAh Power Bank. This device is designed to provide reliable and fast charging for your electronic devices on the go. Please read this manual carefully before using the product to ensure safe and optimal performance.

SAFETY INFORMATION

- Do not expose the power bank to extreme temperatures, direct sunlight, or fire.
- Avoid dropping, hitting, or disassembling the device.
- Keep away from water and other liquids.
- Do not use if the power bank is damaged or swollen.
- Keep out of reach of children.
- Dispose of the power bank according to local regulations.

PACKAGE CONTENTS

The Spigen ArcPack 30000mAh Power Bank package includes:

- 1 x Spigen ArcPack 30000mAh Power Bank
- 1 x Type-C to C Cable (1m)
- 1 x Pouch
- 1 x User Manual

PRODUCT OVERVIEW AND SETUP

Familiarize yourself with the ports and indicators on your power bank.

Max 22.5W, Triple Output.

22.5W

Front view of the Spigen ArcPack Power Bank showing the two USB-C ports (Input/Output) and one USB-A port (Output), with their respective maximum wattages.

Ports:

- **USB-C Ports (x2):** These ports support both input (charging the power bank) and output (charging devices) with up to 20W PD3.0.
- **USB-A Port (x1):** This port supports output (charging devices) with up to 22.5W QC3.0.

LED Indicators:

The power bank features LED indicator lights to show the remaining battery level and charging status.

OPERATING INSTRUCTIONS

Charging the Power Bank

1. Connect the included Type-C to C cable to one of the USB-C ports on the power bank.
2. Connect the other end of the cable to a compatible USB wall charger (not included).
3. The LED indicators will illuminate to show the charging progress. When all LEDs are solid, the power bank is fully charged.

Charging Your Devices

The Spigen ArcPack Power Bank can charge up to three devices simultaneously.

The Spigen ArcPack Power Bank connected via a USB-C cable to charge a smartphone, demonstrating its charging function.

1. Connect your device's charging cable to the appropriate output port on the power bank (USB-A or

USB-C).

2. Connect the other end of the cable to your device.
3. The power bank will automatically begin charging your device. The LED indicators will show the remaining battery level.
4. For optimal fast charging, use a compatible cable and ensure your device supports PD3.0 or QC3.0.

Smooth and Safe Charge.

MAINTENANCE

- Clean the power bank with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Store the power bank in a cool, dry place when not in use.
- To prolong battery life, fully charge the power bank at least once every three months if it is not used regularly.
- Use the included shock-proof pouch for protection during transport.
