2. SAFETY INFORMATION

To prevent injury and damage to the product, observe the following safety precautions:

- Always secure the cabinet to the wall using the provided anti-tipping kit to prevent accidental tipping.
- Keep the cabinet in a well-ventilated area to minimize exposure to formaldehyde fumes, which may be present in new furniture.
- Use caution when opening and closing doors to prevent injury from pinch points.
- Do not overload shelves. Refer to the specifications for maximum weight capacity.
- Ensure all assembly hardware is securely tightened before use. Periodically check and re-tighten as necessary.

3. PRODUCT FEATURES

The HLR 72-inch Kitchen Pantry Storage Cabinet is designed for versatile storage in various rooms. Key features include:

- **Spacious Storage:** Two double-door cabinets and a large center hutch provide ample space for small appliances and various items.
- **Door Racks:** Wooden racks on the inside of the doors offer additional storage for small tins and jars.
- **Tiered Shelving:** Features 6-tier interior shelving and 12-tier side racks behind the cupboard doors for organized storage.
- **Durable Construction:** Made from P2 grade MDF with an environmentally friendly paint finish and special waterproof coating for easy cleaning and enhanced durability.
- **Multi-purpose Design:** Suitable for use in the living room, dining room, bathroom, or kitchen.
- **Microwave Stand:** A dedicated central hutch area accommodates a microwave or other small kitchen appliances.
- **Adjustable Shelves:** Two adjustable shelves allow for customized storage configurations.
- **Magnetic Catches:** Strong magnetic catches ensure doors remain securely closed.
- **Cable Management:** A cable management hole in the microwave countertop area helps keep cords organized.

5. ASSEMBLY INSTRUCTIONS

Your HLR Kitchen Pantry Storage Cabinet requires assembly. Detailed, step-by-step instructions and all necessary accessories are included in the product packaging. Please follow these instructions carefully.

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify that all components listed in the instruction manual are present and undamaged.
2. **Prepare Workspace:** Assemble the cabinet on a clean, soft surface (e.g., a carpet or blanket) to prevent scratches.
3. **Follow Step-by-Step Guide:** Refer to the included assembly manual for specific instructions on connecting panels, installing shelves, and attaching doors.
4. **Install Anti-Tipping Kit:** Once assembled and placed in its final position, it is crucial to install the anti-tipping kit to secure the cabinet to the wall. This prevents accidental tipping and ensures safety.
5. **Adjust Shelves:** Customize the height of the adjustable shelves to suit your storage needs.

If you encounter any difficulties during assembly, please refer to the "9. Support and Contact Information" section for assistance.

6. OPERATION AND USAGE

The HLR Kitchen Pantry Storage Cabinet is designed for organized storage of various household items.

- **Upper Cabinets:** Ideal for storing plates, bowls, snacks, beverages, and other kitchen essentials. The door racks are suitable for spices and smaller jars.
- **Microwave Countertop:** The open central hutch provides a dedicated space for a microwave, toaster, coffee maker, or other small appliances. Utilize the cable management hole to keep cords organized.
- **Lower Cabinets:** Suitable for larger items such as pots, pans, small appliances, or cleaning supplies.
- **Adjustable Shelves:** Reposition the adjustable shelves within the cabinets to accommodate items of different heights.

Convenient way to store your microwave, toaster and other small appliances

7. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your cabinet:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent moisture damage.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as needed.
- **Environment:** Avoid placing the cabinet in direct sunlight or near heat sources, as this can cause fading or warping.

8. TROUBLESHOOTING

This section addresses common issues you might encounter:

Problem	Possible Cause	Solution
Cabinet feels unstable or wobbly.	Loose assembly hardware or uneven floor.	Ensure all screws are tightened. Adjust the cabinet's position or use shims under the legs to level it. Confirm the anti-tipping kit is properly installed.
Doors do not close properly.	Misaligned hinges or obstruction.	Check hinge alignment and adjust if necessary. Ensure nothing is blocking the door's path. Verify magnetic catches are correctly positioned.
Missing parts during assembly.	Packaging error.	Contact customer support immediately with your purchase details and a list of missing parts.
