

ODK B0CQYR5QS5

ODK Gaming Desk with Drawers, LED Lighting, and Adjustable Monitor Stand (120cm Width) - Instruction Manual

1. INTRODUCTION

Thank you for purchasing the ODK Gaming Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read it thoroughly before use and keep it for future reference.

This desk is designed to enhance your gaming or work setup with features like integrated storage, convenient power access, customizable LED lighting, and an ergonomic monitor stand.

2. SAFETY INFORMATION

WARNING: Improper assembly or use can lead to injury or product damage. Always follow the instructions carefully.

- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or broken.
- Assemble the desk on a soft, clean surface to prevent scratches.
- Tighten all screws and bolts securely, but do not overtighten. Periodically check and retighten fasteners as needed.
- Do not overload the desk or drawers. Refer to specifications for weight limits.
- Keep electrical components (power outlets, LED lights) away from water and moisture.
- Ensure proper cable management to prevent tripping hazards and damage to wires.
- This product is heavy. It is recommended that two people assemble and move the desk to prevent injury.
- Place the desk on a level surface to ensure stability.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are included in your package. A wrench is included, so no additional tools are required for assembly.

Component	Quantity	Description
Desktop Panel	1	Main work surface.

Component	Quantity	Description
Monitor Stand	1	Adjustable height stand for monitors.
Drawers (A4 compatible)	3	Fabric + MDF board construction.
Steel Frame Legs	Set	Durable support structure.
Power Strip Unit	1	Includes 2 AC outlets, 2 USB ports.
RGB LED Bar Light	1	With remote control for color and brightness.
Assembly Hardware	Set	Screws, bolts, and an assembly wrench.
Instruction Manual	1	This document.

4. SPECIFICATIONS

- **Overall Dimensions (W x D x H):** 120 cm x 52 cm x 75.7 cm (Desk height from floor to tabletop)
- **Monitor Stand Height Options:** 10 cm, 13 cm, 16 cm (adjustable from tabletop)
- **Tabletop Depth:** 50 cm
- **Drawer Quantity:** 3
- **Drawer Material:** Non-woven fabric + MDF board (A4 compatible)
- **Power Outlets:** 2 AC outlets (125V/15A), 2 USB ports (5V/2.1A)
- **Total Power Capacity:** Up to 1450W
- **Power Cord Length:** 1.8 m
- **LED Light:** RGB Bar Light, 10 color options, 9 brightness levels
- **Frame Material:** High-strength steel
- **Product Weight:** Approximately 16.45 kg
- **Color:** Black
- **Model Number (ASIN):** B0CQYR5QS5

5. SETUP (ASSEMBLY)

Assembly is required for this product. Please follow the included Japanese assembly instructions for detailed steps. A wrench is provided, so no additional tools are needed.

1. **Unpack and Verify:** Carefully unpack all components and compare them against the "Package Contents" list.
2. **Prepare Workspace:** Clear a spacious area and lay down a soft cloth or carpet to protect the desk components and your floor during assembly.
3. **Assemble Frame:** Attach the steel frame legs according to the diagrams in the Japanese instruction manual. Ensure all connections are secure.
4. **Attach Desktop:** Secure the desktop panel to the assembled frame.
5. **Install Drawers:** Assemble the non-woven fabric drawers by inserting the MDF board bases. Slide the assembled drawers into their designated slots under the desktop.

6. **Mount Monitor Stand:** Position the monitor stand on the desktop. You can adjust its height to 10cm, 13cm, or 16cm using the provided hardware.

Image: Diagram illustrating the three adjustable height options for the monitor stand (10cm, 13cm, 16cm).

7. **Install Power Strip:** Secure the power strip unit to the designated area on the desk.
8. **Attach LED Light:** Adhere the RGB LED bar light to the underside of the monitor stand or desktop as desired. Connect it to the power strip.
9. **Final Check:** Once assembled, gently shake the desk to ensure stability. Retighten any loose fasteners.

Note: Assembly is best performed by two people due to the size and weight of the components.

6. OPERATING INSTRUCTIONS

6.1. Power Outlets and USB Ports

The desk features an integrated power strip for convenient access to power.

- Connect the desk's main power cord to a wall outlet.
- Use the 2 AC outlets (125V/15A) for your computer, monitor, or other devices.
- Use the 2 USB ports (5V/2.1A) to charge smartphones, tablets, and other USB-powered devices.
- The total power consumption for all connected devices should not exceed 1450W.

6.2. RGB LED Bar Light

The RGB LED bar light allows you to customize the ambiance of your workspace.

- Connect the LED light to one of the USB ports on the integrated power strip.
- Use the inline remote control to:
 - **Change Color:** Cycle through 10 different color options.
 - **Adjust Brightness:** Select from 9 brightness levels to suit your preference.
 - **Power On/Off:** Turn the LED light on or off.

6.3. Adjustable Monitor Stand

The integrated monitor stand can be adjusted to three different heights to promote ergonomic posture and reduce strain on your neck and shoulders.

- To adjust the height, carefully lift the monitor stand and reposition it using the designated mounting points.
- Choose between 10cm, 13cm, or 16cm height above the main desktop surface.
- Ensure the monitor stand is securely seated at your desired height before placing any equipment on it.

Image: Illustration showing the benefit of an adjustable monitor stand for improved ergonomic posture, reducing neck and shoulder strain.

7. MAINTENANCE

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Dusting:** Regularly dust the desk, especially around electrical components and LED lights, to prevent dust buildup.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Retighten as necessary to maintain stability.
- **Drawers:** The non-woven fabric drawers can be spot cleaned with a mild detergent and water. Allow them to air dry completely before reinserting.
- **Cable Management:** Ensure cables are neatly organized and not pinched or strained. Replace any damaged power cords immediately.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk is wobbly.	Loose fasteners; uneven floor.	Check and tighten all screws and bolts. Ensure the desk is on a level surface. Adjust leveling feet if available.
Power outlets/USB ports not working.	Desk not plugged in; power strip switch off; overloaded circuit.	Ensure the desk's main power cord is securely plugged into a working wall outlet. Check if the power strip has an on/off switch and it's in the 'on' position. Reduce the number of devices if exceeding 1450W.
LED light not turning on.	LED not plugged into USB; remote control battery dead; faulty LED strip.	Ensure the LED light's USB connector is firmly plugged into a working USB port. Check the remote control battery. If still not working, contact customer support.
Drawers are difficult to open/close.	Overloaded drawer; improper assembly.	Reduce the weight in the drawer. Ensure the MDF board base is correctly inserted and the drawer is not misaligned.

9. WARRANTY AND SUPPORT

ODK is committed to providing high-quality products. If you encounter any initial defects or issues with your product upon purchase, please do not hesitate to contact us. Our customer support team is available to assist you with any questions or concerns regarding assembly, operation, or product defects.

Please refer to your purchase documentation or the ODK brand store on Amazon for specific warranty details and contact information.
