SAFETY INFORMATION

Important: The maximum recommended weight capacity for this chair is 150 kilograms (approximately 330 lbs). Do not exceed this limit to ensure the safety and stability of the chair. Always ensure all components are securely fastened before use.

SETUP AND ASSEMBLY

The naspaluro K035 office chair requires assembly. All necessary tools and clear installation instructions are provided to facilitate a quick and easy setup, typically completed by one person within 15-20 minutes.

Assembly Steps:

1. Unpack all components and verify against the parts list in the included manual.

2. Attach the chair base to the gas lift cylinder.
3. Secure the wheels to the chair base.
4. Connect the seat and backrest components as per the diagram.
5. Attach the armrests to the seat.
6. Ensure all screws and bolts are tightened securely.

Respaldo Ajustable 90°-130°

Para descansar el cuerpo o echarse una siesta

OPERATING INSTRUCTIONS

The naspaluro K035 chair offers multiple adjustment features for personalized comfort.

Height Adjustment:

- To raise the seat: While seated, pull the lever located under the seat upwards. Lift your weight slightly off the seat to allow it to rise.

- To lower the seat: While seated, pull the lever upwards and apply pressure to the seat. The seat will lower.
- The total height of the chair can be adjusted approximately 10 cm (from 105 cm to 115 cm) to match your desk height and body shape.

Recline Function:

- To recline the backrest: Pull the recline lever (usually the second lever) upwards. Lean back to the desired angle (up to 130°).
- To lock the backrest: Once at the desired recline angle, push the recline lever downwards to lock the position.
- The chair offers two main recline positions: an upright working position (90°) and a relaxed resting position (up to 130°).

Swivel and Mobility:

- The chair features a 360° swivel base for easy rotation.
- Flexible wheels allow for smooth movement across various floor surfaces.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your naspaluro K035 office chair, follow these maintenance guidelines:

- **Cleaning the PU Leather:** The premium wear-resistant PU leather surface is easy to clean. Use a soft, damp cloth with mild soap and water to wipe down the surface. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the material.
- **Checking Fasteners:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability and safety.
- **Wheel Care:** Keep the wheels free of debris (hair, dust, etc.) to ensure smooth movement. Clean with a soft brush or cloth if needed.
- **Avoid Overloading:** Do not exceed the maximum weight capacity of 150 kg.

TROUBLESHOOTING

If you encounter any issues with your naspaluro K035 office chair, please refer to the following common solutions:

- **Chair Squeaks:** Check all bolts and screws and tighten them. Apply a small amount of silicone lubricant to moving parts if the squeaking persists.
- **Difficulty Adjusting Height:** Ensure the gas lift lever is fully engaged. If the issue continues, the gas lift cylinder may need replacement.
- **Chair Wobbles:** Verify that all connections are secure and that the base is properly assembled. Ensure the floor surface is even.
- **Wheels Not Rolling Smoothly:** Clean any debris from the wheels. If wheels are damaged, they may need to be replaced.

SPECIFICATIONS

Brand	naspaluro
Model Number	K035
Color	Black
Material	Synthetic Leather (PU)
Filling Material	Sponge
Product Dimensions (D x W x H)	52 cm x 52 cm x 115 cm
