Model: 18-26309

Introduction

Welcome to your Bburago 1:24 Ferrari Racing 499P LMH #51 die-cast model. This highly-detailed, true-to-scale replica captures the essence of the 2023 Le Mans winning car. Designed for collectors and enthusiasts, this model offers precision and quality, reflecting the iconic Ferrari 499P LMH.

Safety Information

Please read the following safety information before handling the product:

- **Choking Hazard - Small Parts:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for younger users.
- Avoid placing the model in direct sunlight or near heat sources, as this may cause damage or discoloration.
- Handle the model with care to prevent accidental breakage of delicate components.

What's Included

The package for your Bburago 1:24 Ferrari Racing 499P LMH #51 die-cast model typically includes:

- One (1) Bburago 1:24 Ferrari Racing 499P LMH #51 die-cast vehicle

Setup and Display

Your die-cast model is ready for display right out of the box. Follow these steps for optimal presentation:

1. Carefully remove the model from its packaging, ensuring not to force any parts.
2. Place the model on a stable, flat surface away from edges where it could fall.
3. Consider a display case to protect the model from dust and accidental damage.

Maintenance and Care

To ensure the longevity and pristine condition of your die-cast model, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth or a soft brush to gently remove dust from the model's surface. For stubborn dirt, lightly dampen the cloth with water; avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place, away from direct sunlight, extreme temperatures, and high humidity. Prolonged exposure to sunlight can fade paint and decals.
- **Handling:** Always handle the model by its main body. Avoid touching delicate parts like mirrors, spoilers, or antennas, as they can be fragile.

Troubleshooting

Should you encounter any minor issues with your model, consider the following:

- **Loose Parts:** If a small, non-critical part becomes loose, it may be reattached with a small amount of model-safe adhesive. Exercise caution to avoid damaging the paint finish.
- **Dust Accumulation:** Regular gentle dusting is the best prevention. For dust in crevices, use a soft brush or compressed air (held at a safe distance).
- **Scratches/Paint Chips:** Minor imperfections are generally part of the manufacturing process or can occur with handling. For significant damage, consider professional model repair if available.
