BBURAGO Sian FKP37 1:18

BBURAGO Lamborghini Sian FKP37 1:18 Model Instruction Manual

1. Introduction

Welcome to the instruction manual for your BBURAGO Lamborghini Sian FKP37 1:18 scale model. This highly detailed diecast replica is designed for display and appreciation by collectors aged 16 and above. Please read this manual carefully to understand the features and proper handling of your model.

2. Product Overview and Features

The BBURAGO Lamborghini Sian FKP37 is a meticulously crafted 1:18 scale model, featuring a diecast metal body with intricate ABS plastic details. It arrives pre-built and pre-painted, ready for display.

Key features include:

- **Scale:** 1:18
- **Material:** Diecast metal body with ABS plastic components.
- **Dimensions:** Approximately 27.6 cm (10.76 inches) in length and 12.65 cm (4.93 inches) in width.
- **Functional Elements:** The model features opening front and rear covers, opening doors, steerable front wheels, and free-rolling wheels.

3. Setup

Unboxing: Carefully remove the model from its packaging. It is recommended to retain the original packaging for future storage or transport.

Placement: Place the model on a flat, stable surface away from direct sunlight, excessive heat, or humidity to prevent material degradation or paint fading. Avoid areas where it might be easily knocked over.

4. Operating the Model's Features

This model includes several interactive features designed to showcase its intricate details. Handle all movable parts gently to prevent damage.

Opening Doors: The doors are designed to open upwards, mimicking the scissor doors of the actual Lamborghini Sian. Gently lift the doors from their lower edge until they are fully open. Do not force them beyond their natural stopping point.

Image: Side view of the model with both scissor doors open, revealing the interior.

Image: Front-side view of the model with both doors and the front hood open, showcasing multiple functional elements.

Opening Front Cover (Hood): To reveal the front compartment, gently lift the front cover. It may have a small latch or simply lift upwards.

Steering: The front wheels can be gently turned left and right to simulate steering. Avoid excessive force.

Rolling Wheels: All four wheels are designed to roll freely, allowing the model to be moved smoothly across a flat surface. This model is not designed for high-speed play.

5. Maintenance

Cleaning: To maintain the model's appearance, dust it regularly with a soft, dry, lint-free cloth or a soft brush. For more stubborn marks, lightly dampen a cloth with water and gently wipe the affected area. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the paint and plastic components.

Storage: When not on display, store the model in its original packaging or a protective display case to shield it from dust and accidental damage.

6. Troubleshooting

Stiff Moving Parts: If a door or cover feels stiff, apply gentle, even pressure. Do not force any part, as this can cause breakage. Ensure no debris is obstructing the movement.

Loose Parts: In the rare event of a small part becoming loose, it may be reattached using a small amount of model-safe

adhesive. If the issue persists or involves a critical component, contact the seller for assistance.

Paint or Finish Issues: Minor imperfections are sometimes inherent in manufacturing. For significant concerns, refer to the warranty and support section.

7. Specifications

- **Model:** Lamborghini Sian FKP37
- **Manufacturer:** BBURAGO
- **Scale:** 1:18
- **Material:** Diecast metal, ABS plastic
- **Approximate Dimensions (L x W):** 27.6 cm x 12.65 cm (10.76 in x 4.93 in)
