SETUP AND ASSEMBLY

The AODK Electric Standing Desk is designed for straightforward assembly. Follow the included instruction booklet carefully. Ensure all components are present before starting. It is recommended to assemble the desk in the area where it will be used to avoid unnecessary moving.

While assembly is generally easy, pay close attention to fastening all parts securely. The desk's robust frame and motor contribute to its stability once assembled correctly.

OPERATING INSTRUCTIONS

Height Adjustment

The desk's height can be adjusted electrically from 30.7 inches to 47.6 inches. Use the control panel located on the front edge of the desk to raise or lower the desktop.

- Use the **Up (^)** and **Down (v)** arrows to manually adjust the height.
- The desk features **3 height memory presets**. To save a desired height, adjust the desk to the preferred level, then press the **'S'** button followed by one of the numbered preset buttons **1, 2, or 3**.
- To recall a saved height, simply press the corresponding numbered preset button **1, 2, or 3**.

The desk's adjustable height feature, allowing seamless transitions between sitting and standing positions.

LED Lights Operation

The integrated LED lights offer 20 dynamic modes to customize your workspace ambiance. The controls for the LED lights are typically located near the power outlets or on the main control panel. Refer to the specific markings on the desk for light control buttons.

Power Outlets and USB Ports

The desk includes 3 standard AC power outlets and 2 USB ports (5V/2A) for charging your electronic devices. Simply plug your devices into the available ports. Ensure the desk is properly connected to a power source for these features to function.

MAINTENANCE

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Motor Care:** The motor is designed for long-term use. Avoid overloading the desk beyond its specified weight capacity.
- **Cable Management:** Periodically check the cable management tray to ensure cables are neatly organized and not pinched or damaged.
- **Drawer Maintenance:** The fabric drawers can be spot cleaned. Avoid overfilling to maintain their shape and functionality.
