EBELLO Loveseat 61

EBELLO Faux Leather Power Loveseat Recliner

MODEL: LOVESEAT 61

1. Introduction

Thank you for choosing the EBELLO Faux Leather Power Loveseat Recliner. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read it thoroughly before use and retain it for future reference.

2. Important Safety Information

- **Maximum Weight Recommendation:** This loveseat has a maximum weight recommendation of 700 pounds. Do not exceed this limit.
- **Proper Assembly:** Ensure all parts are correctly assembled according to the instructions. Improper assembly can lead to instability and injury.
- **Electric Reclining Mechanism:** Read and follow all instructions for the safe operation of the electric reclining mechanism. Keep hands and feet clear of moving parts.
- **Clearance:** Ensure adequate clearance around the loveseat when reclining to prevent obstruction or damage.
- **Children and Pets:** Keep children and pets away from the reclining mechanism to prevent injury.

3. Package Contents

Your EBELLO Loveseat 61 is delivered in multiple boxes. Please ensure all components are present before beginning assembly. The main components typically include:

- Loveseat Base Sections (2)
- Backrests (2)
- Armrests (2)
- Power Adapter and Cables
- Assembly Hardware (if applicable)

4. Setup and Assembly

Assembly of your EBELLO Loveseat 61 is designed to be straightforward. It is recommended to have two people for easier assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Avoid using sharp objects that could damage the upholstery.
2. **Connect Base Sections:** Align the two loveseat base sections. Slide the metal connectors on each side until they securely interlock.
3. **Attach Backrests:** Slide the backrests onto the metal posts located on the rear of each base section. Push down firmly until they click into place.
4. **Attach Armrests:** If detachable, slide the armrests onto their designated slots on the sides of the base.
5. **Connect Power:** Connect the power adapter to the loveseat's power input and then plug it into a wall outlet.

7. Maintenance

To maintain the appearance and longevity of your EBELLO Loveseat 61:

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the faux leather.

- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Regular Inspection:** Periodically check all connections and hardware to ensure they remain tight.

8. Troubleshooting

If you encounter any issues with your loveseat, please refer to the following common solutions:

- **Reclining Mechanism Not Working:** Ensure the power cord is securely plugged into both the loveseat and a functional wall outlet. Check for any obstructions around the mechanism.
- **Unstable Seating:** Verify that all assembly connections are tight and correctly aligned.
