## VASAGLE B0CR3TDBFS

# VASAGLE 30.1" Bar Height Stools with Rattan Back and Leather Upholstery (Set of 2) - Instruction Manual

Model: B0CR3TDBFS

## INTRODUCTION

Thank you for choosing the VASAGLE 30.1" Bar Height Stools. This set of two modern barstools features a stylish rattan back, durable metal legs, and comfortable leather upholstery, designed to complement various home decors. This manual provides essential information for safe assembly, operation, and maintenance of your new bar stools.

## SAFETY INFORMATION

For safe use, do not exceed the maximum static load capacity of 265 pounds (120 kg) per stool. Ensure the stools are placed on a stable, level surface. Use the swivel leveling feet to adjust for balance on various flooring types. Follow all assembly instructions carefully to ensure safe handling and placement of the stools. Keep small parts away from children during assembly.

## PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Upholstered Seats (2)
- Rattan Backrests (2)
- Leg Frames (2 sets)
- Connecting Bars (2 sets)
- Assembly Hardware (screws, washers, Allen key)

## SETUP AND ASSEMBLY

Assembly is required for these bar stools. Please follow the steps below carefully. An Allen key is provided for your convenience.

- 1. Prepare the Leg Frames:** Connect the individual leg pieces using the provided screws and the Allen key to form the base for each stool. Ensure all connections are secure but do not fully tighten yet.
- 2. Attach the Seat:** Align the pre-drilled holes on the underside of the upholstered seat with the attachment points on the assembled leg frame. Secure the seat to the frame using the appropriate screws.
- 3. Install the Backrest:** Position the rattan backrest onto the designated slots on the upper part of the leg frame. Fasten it securely with the remaining screws.
- 4. Final Tightening:** Once all components are loosely assembled, place the stool on a flat surface. Apply even pressure to the seat and then fully tighten all screws to ensure stability.

## OPERATING INSTRUCTIONS

Your VASAGLE bar stools are designed for comfort and stability.

- Ergonomic Support:** The backrest features double curves that cradle your lower back, providing optimal comfort for extended periods.
- Stable Positioning:** Each stool is equipped with swivel leveling feet. Adjust these feet as needed to ensure the stool remains stable and balanced on various floor surfaces, including hard floors and soft rugs.
- Ventilated Design:** The woven rattan backrest allows for air circulation, providing a refreshing seating experience, especially in warmer environments.

## MAINTENANCE

To keep your bar stools in optimal condition, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the upholstered seat and metal frame with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if any looseness or wobbling is detected to maintain stability and safety.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause the upholstery to fade over time.

## TROUBLESHOOTING

If you encounter any issues with your bar stools, consider the following:

- **Wobbling Stool:** If the stool wobbles, ensure all screws are fully tightened. Adjust the swivel leveling feet on the bottom of the legs to compensate for uneven floor surfaces.
- **Difficulty in Assembly:** Review the assembly instructions carefully, paying close attention to the orientation of each part. Ensure you are using the correct screws for each step.

## SPECIFICATIONS

Product Dimensions	19"D x 18"W x 41.2"H
Color	Caramel Brown
Brand	VASAGLE
Size	30.1" Bar Height
Style	Boho
Furniture Finish	Caramel Brown
Leg Style	Steel
Maximum Weight Recommendation	265 Pounds (120 kg)
Assembly Required	Yes
Number of Pieces	2
Item Weight	26.4 pounds
Frame Material	Metal
