## MAINTENANCE

- **Cleaning:** To clean the glass dome and wooden base, gently wipe with a soft, dry cloth. Do not use abrasive cleaners or immerse the lamp in water.
- **Battery Replacement:** When the light dims or stops working, replace the batteries in the compartment on the underside of the base. Always use new batteries of the specified type and dispose of old batteries responsibly.
- **Storage:** If storing the lamp for an extended period, remove the batteries to prevent leakage.

## TROUBLESHOOTING

- **Lamp does not turn on:**
  - Check if the batteries are inserted correctly with the right polarity.
  - Replace old batteries with new ones.

- Ensure the On-Off switch is in the 'On' position.
- **Light is dim:**
  - Batteries may be low. Replace them with new ones.
- **Glass dome appears hazy or dirty internally:**
  - The glass dome is sealed and not designed for removal or internal cleaning.
