OPERATING AND USAGE

The Dolonm King Bed Frame is designed for direct mattress placement, eliminating the need for a box spring. Its robust wooden slats provide ample support and promote mattress longevity.

- **No Box Spring Required:** Place your king-size mattress directly onto the wooden slats.
- **Noise-Free Design:** The sturdy construction and secure connections minimize noise, ensuring a quiet sleeping environment.
- **Under-Bed Storage:** Utilize the generous clearance beneath the frame for storing items like storage bins, luggage, or seasonal clothing.

Innovative design and reinforced structure eliminate squeaks and creaks, providing a peaceful night's sleep.

Made from high-quality metal and wooden slats, this bed frame offers strong support for your mattress, ensuring longevity and stability.

MAINTENANCE

- **Cleaning:** Wipe down the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.

- **Tightening Hardware:** Periodically check all bolts and screws to ensure they remain tight. Loose hardware can lead to instability and noise.
- **Ventilation:** Ensure adequate air circulation around and under the bed to prevent moisture buildup, especially if using under-bed storage.
