Redragon M995

Redragon M995 Pro Wireless Gaming Mouse User Manual

Model: M995 Pro | Brand: Redragon

1. Product Overview

The Redragon M995 Pro is a versatile wireless gaming mouse designed for performance and flexibility. It offers multiple connectivity options, a high-precision sensor, and customizable buttons to enhance your computing experience.

Image 1.1: The Redragon M995 Pro wireless gaming mouse shown with its USB receiver.

Key Features:

- **Three Connectivity Modes:** Supports Bluetooth, 2.4GHz wireless via USB receiver, and wired USB-C connection.
- **High Precision Sensor:** Equipped with a PAW3395 Optical Pixart sensor, offering up to 26000 DPI.
- **Adjustable DPI:** Five on-board DPI levels (1000/2000/4000/8000/26000) with software customization.
- **Programmable Buttons:** Six customizable buttons for macros and keybinds.
- **Ultra Lightweight Design:** Weighs approximately 51 grams for comfortable use.
- **Efficient Power Management:** Features a 1000Hz polling rate and automatic sleep mode to conserve battery.

2. Package Contents

- Redragon M995 Pro Wireless Gaming Mouse
- USB-C to USB-A Cable
- 2.4GHz USB Receiver

- User Manual (this document)

3. Setup and Connectivity

3.1 Charging the Mouse

Before first use, it is recommended to fully charge the mouse. Connect the supplied USB-C cable to the mouse and the USB-A end to a powered USB port on your computer or a USB wall adapter. The mouse's LED indicator will show charging status.

3.2 Connection Modes

The M995 Pro offers three ways to connect to your device:

Image 3.1: The Redragon M995 Pro supports 2.4G wireless, Bluetooth, and wired connections.

1. **2.4GHz Wireless Mode:**

- Locate the 2.4GHz USB receiver (dongle) in the mouse's storage compartment or in the packaging.
- Plug the USB receiver into an available USB-A port on your computer.
- Turn on the mouse and select the 2.4GHz mode (usually indicated by a switch on the bottom of the mouse). The mouse should connect automatically.

2. **Bluetooth (BT) Mode:**
   - Turn on the mouse and select the Bluetooth mode.
   - On your computer or device, open Bluetooth settings and search for new devices.
   - Select "Redragon M995 Pro" (or similar) from the list of available devices to pair.
3. **Wired Mode:**
   - Connect the supplied USB-C cable to the mouse and the USB-A end to your computer.
   - The mouse will automatically switch to wired mode and begin charging.

4. Operating Instructions

4.1 DPI Adjustment

The M995 Pro features a dedicated DPI button, typically located behind the scroll wheel, allowing you to cycle through preset DPI levels. The default on-board DPI levels are 1000, 2000, 4000, 8000, and 26000. An indicator light may change color or flash to show the current DPI setting.

4.2 Programmable Buttons and Macros

The mouse is equipped with 6 programmable buttons. These buttons can be customized using the Redragon Pro software to assign specific functions, macros, or keybinds. This allows for personalized control in various applications and games.

4.3 Redragon Pro Software

To unlock the full customization potential of your M995 Pro mouse, download and install the Redragon Pro driver software from the official Redragon website. The software allows you to:

- Customize DPI levels and profiles.
- Program all 6 buttons with macros or custom keybinds.
- Adjust LED lighting effects and colors.
- Fine-tune other performance settings.

Image 4.3: The Redragon M995 Pro is supported by dedicated software for advanced customization.

4.4 Power Saving Mode

To conserve battery life, the mouse will automatically enter sleep mode if not used for 1 minute. To wake the mouse,

simply move it or click any button.

5. Maintenance

Proper maintenance ensures the longevity and optimal performance of your mouse.

- **Cleaning:** Use a soft, dry cloth to wipe the mouse surface. For stubborn dirt, a slightly damp cloth can be used, ensuring no liquid enters the mouse. Avoid harsh chemicals or abrasive materials.
- **Sensor Care:** Keep the optical sensor on the bottom of the mouse clean and free from dust or debris for accurate tracking.
- **Storage:** When not in use for extended periods, store the mouse in a cool, dry place.
- **Battery:** Avoid fully discharging the battery frequently. Charge the mouse when the battery indicator suggests low power.

6. Troubleshooting

- **Mouse not responding:**
  - Ensure the mouse is powered on and fully charged.
  - Check the connection mode switch (2.4G, BT, Wired) and ensure it matches your intended connection.
  - For 2.4GHz wireless, ensure the USB receiver is securely plugged into a working USB port. Try a different USB port.
  - For Bluetooth, ensure Bluetooth is enabled on your device and the mouse is paired correctly. Try re-pairing.
  - In wired mode, ensure the USB-C cable is properly connected to both the mouse and the computer.
- **Inaccurate tracking or cursor lag:**
  - Clean the optical sensor on the bottom of the mouse.
  - Ensure you are using the mouse on a suitable surface (e.g., a mouse pad).
  - Check for interference in wireless modes. Move the receiver closer to the mouse or away from other wireless devices.
  - Adjust the DPI setting to a lower value if the cursor is too sensitive.
- **Buttons not working:**
  - Ensure the Redragon Pro software is installed and updated. Check button assignments within the software.
  - Test the mouse in wired mode to rule out wireless connectivity issues.

7. Specifications

Feature	Detail
Model Number	M995
Connectivity Technology	Bluetooth, 2.4GHz Wireless, USB-C Wired
Movement Detection Technology	Optical (PAW3395 Pixart Sensor)
Max DPI	26000
Programmable Buttons	6

Polling Rate	1000Hz
Mouse Weight	Approximately 51 grams
Product Dimensions	7.09 x 4.33 x 1.97 inches
Battery Type	1 Lithium Polymer battery (included)
Manufacturer	Redragon

8. Warranty and Support

Redragon products typically come with a limited warranty. For specific warranty details, registration, or technical support, please visit the official Redragon website or contact their customer service directly. Keep your purchase receipt for warranty claims.
